Remarque préalable

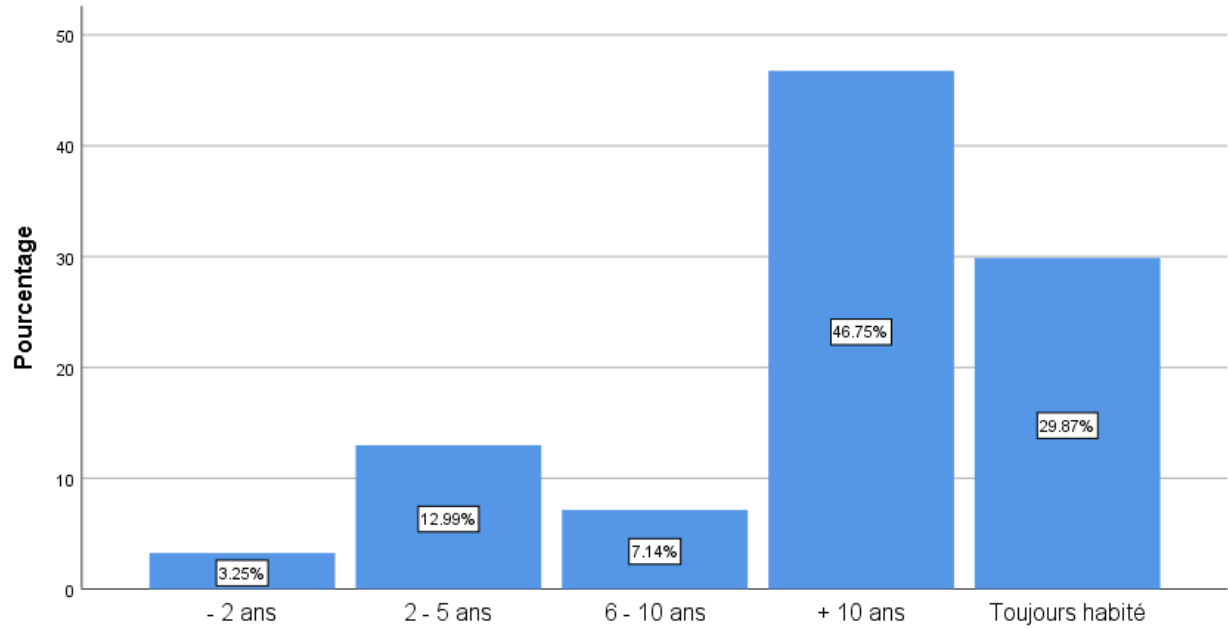

Certains graphiques commencent à partir de la modalité 2 – il ne s’agit pas d’une erreur mais simplement que personne dans la population étudiée n’a choisi la modalité 1.

A. Population 50-65 ans

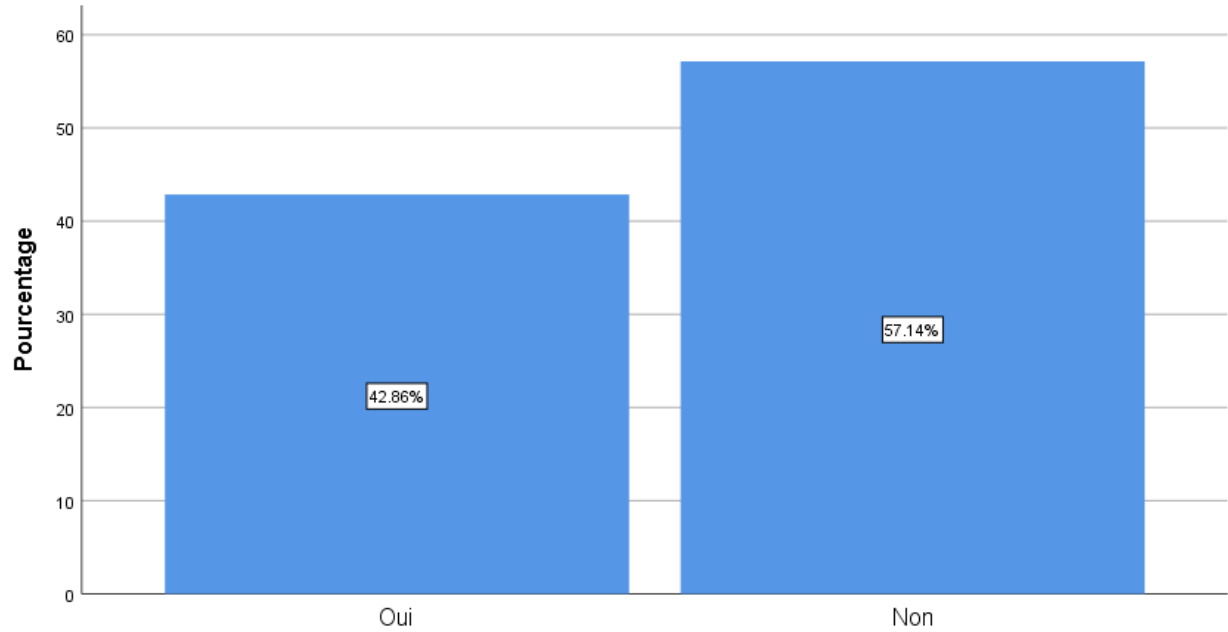

1) Caractéristiques socio-démographiques

Années dans la commune

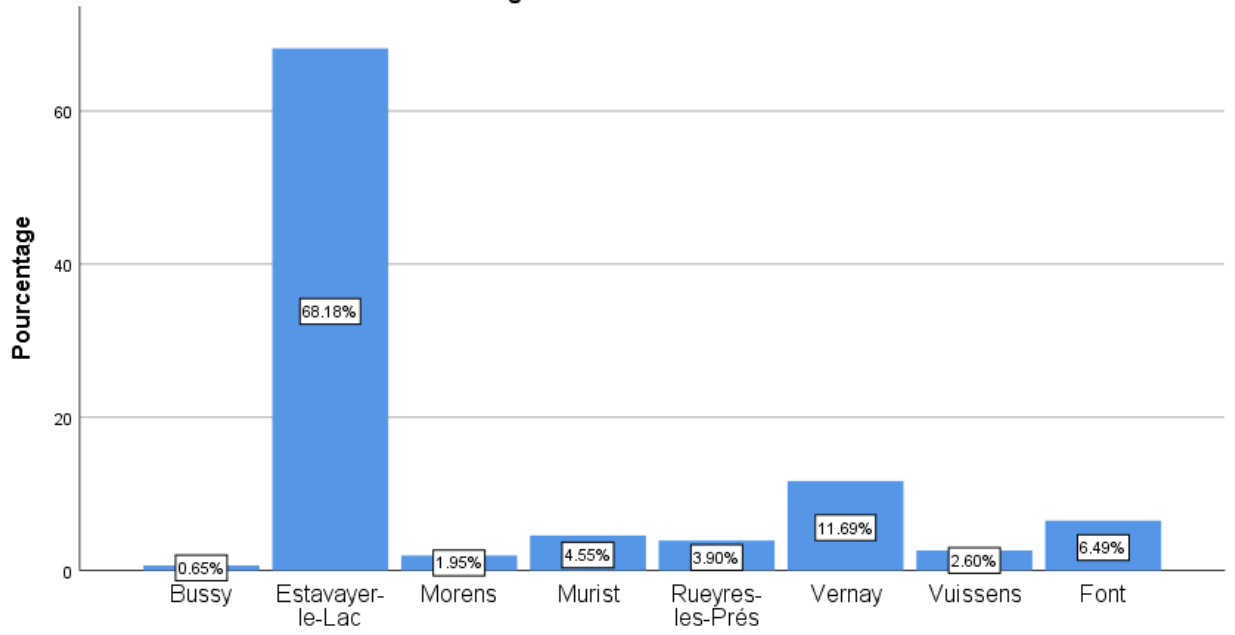

Travail dans la commune

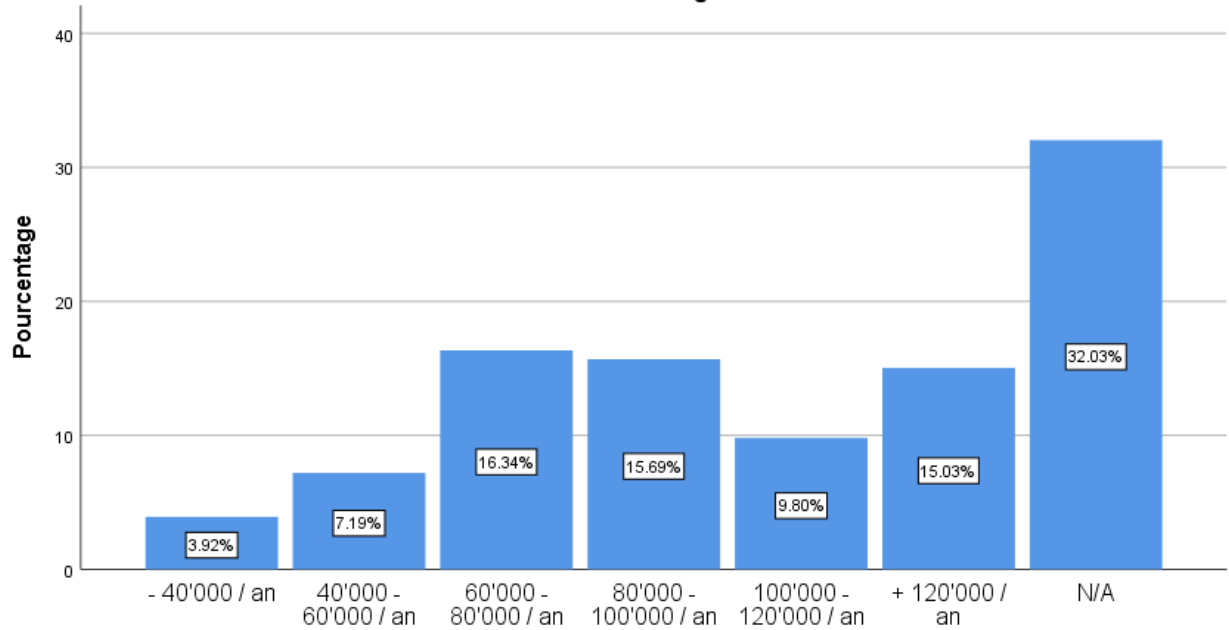

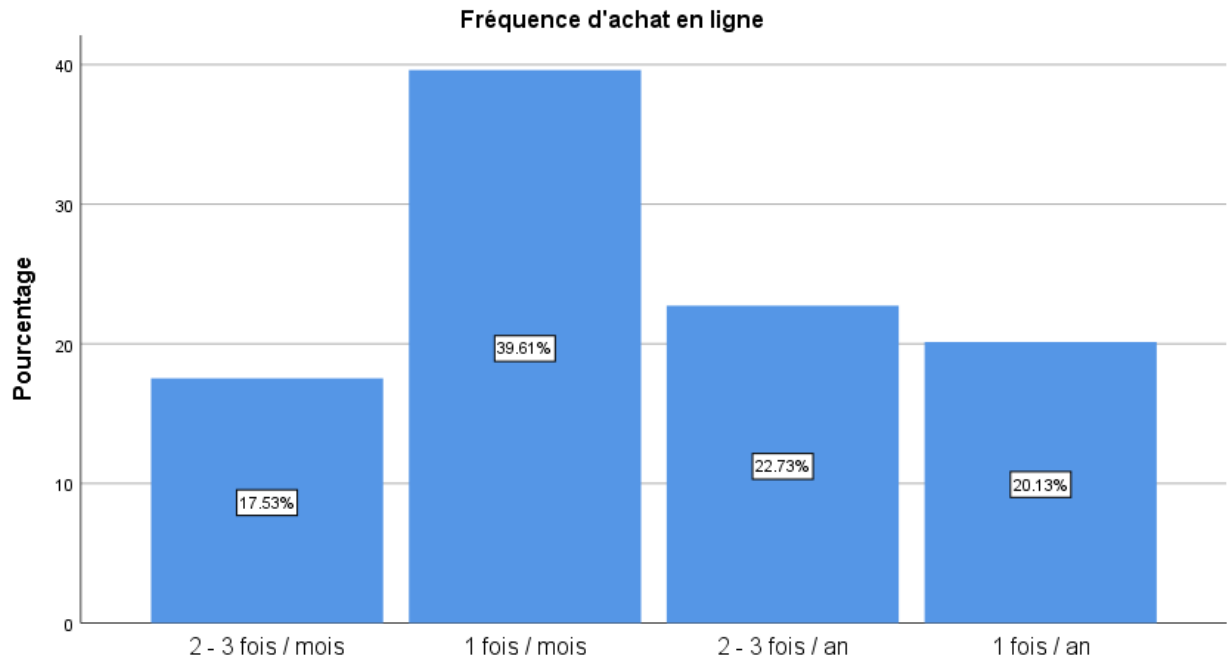

Village / ville où ils habitent

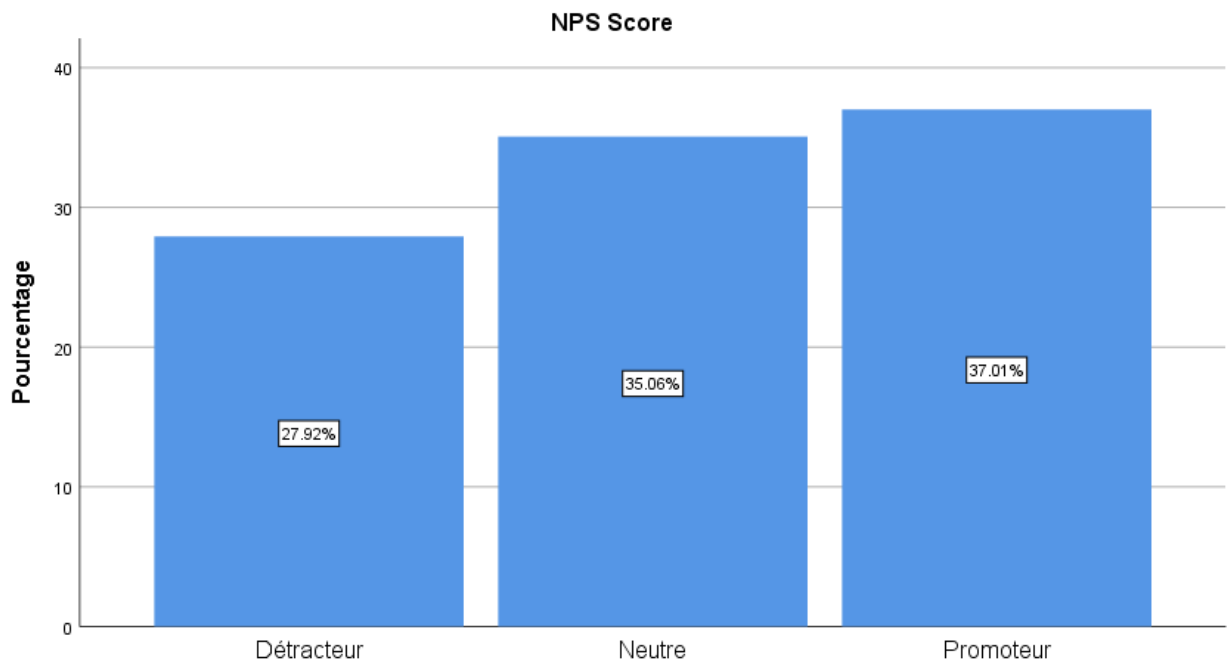

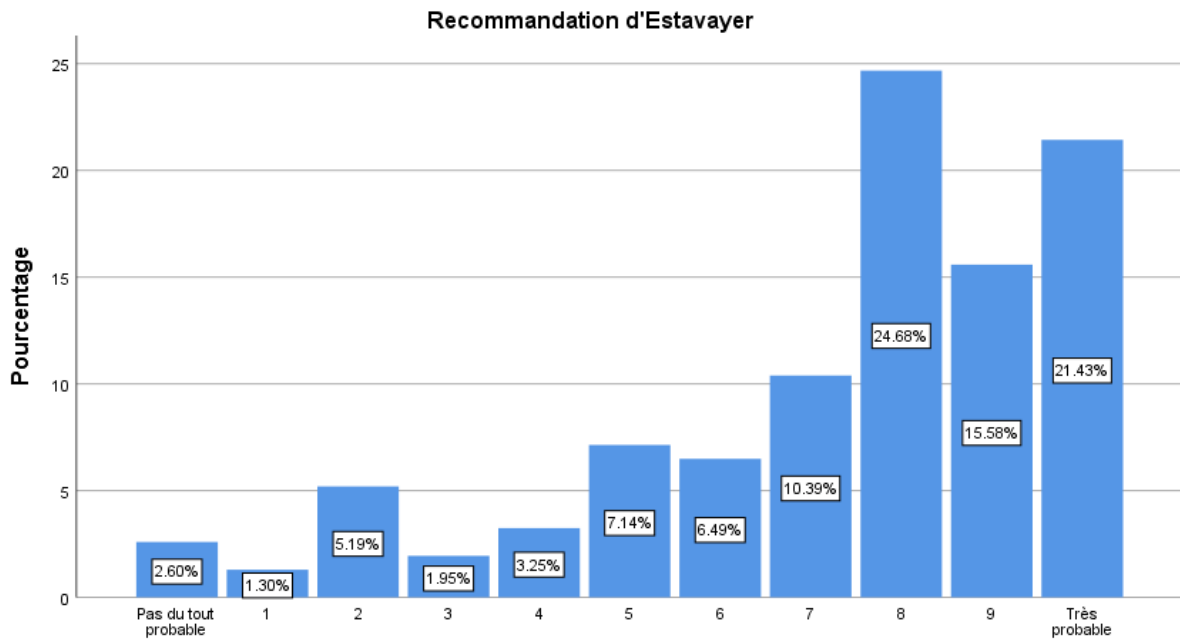

Revenu du ménage

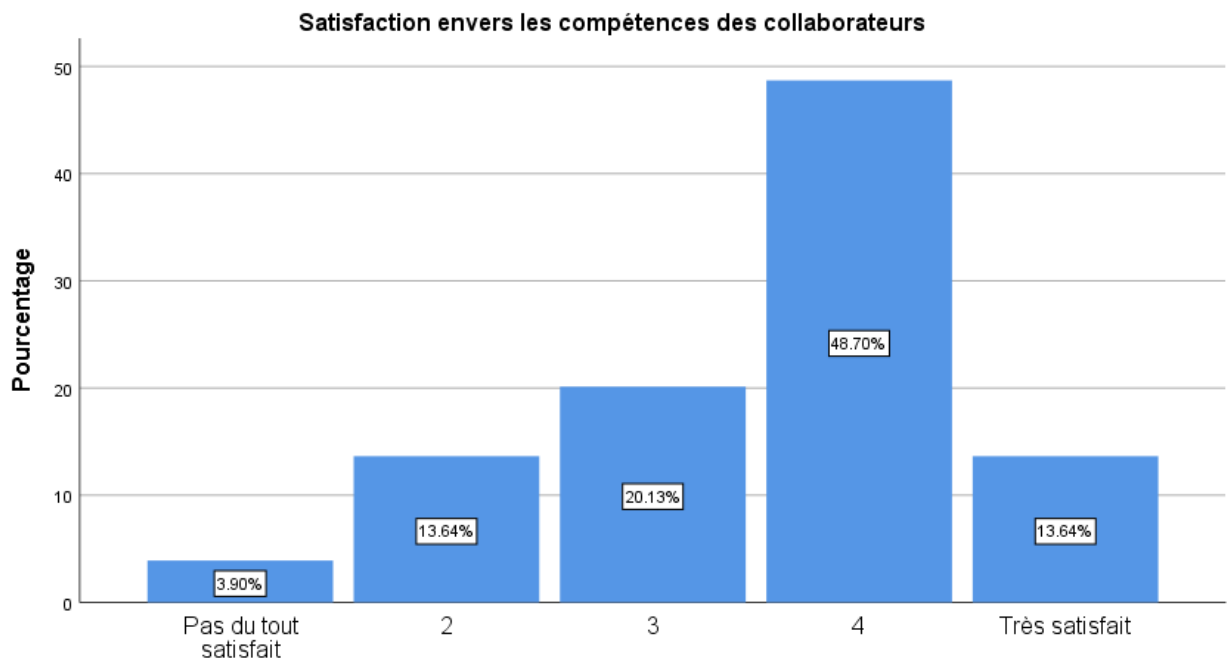

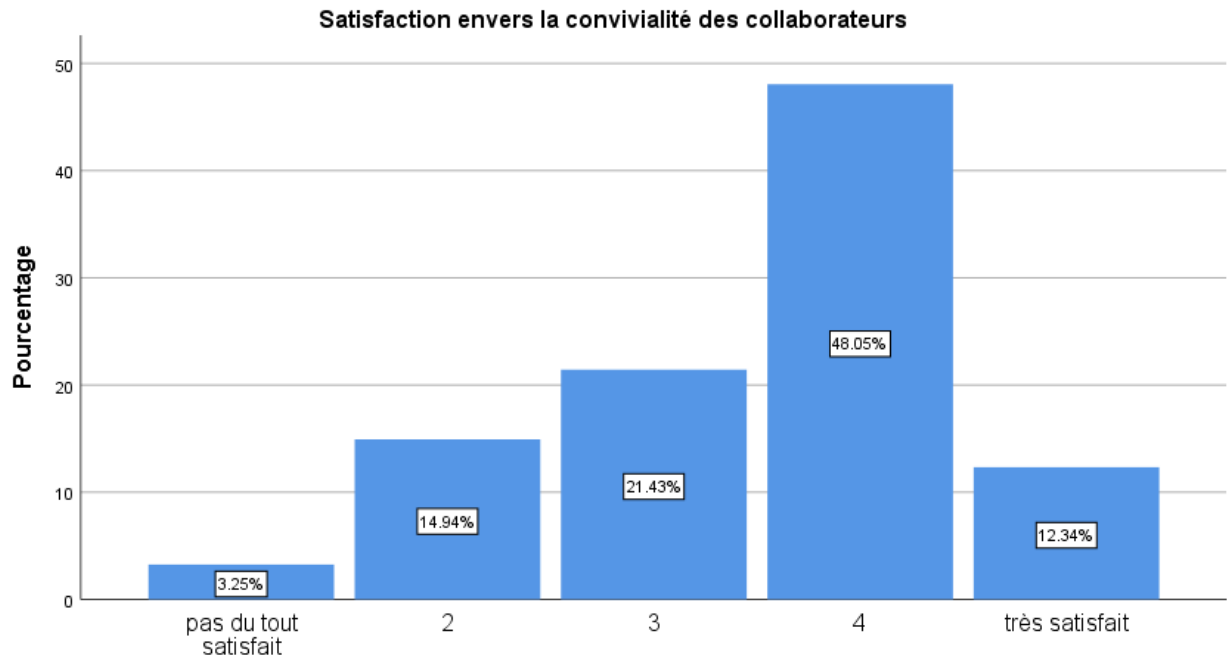

2) NPS score

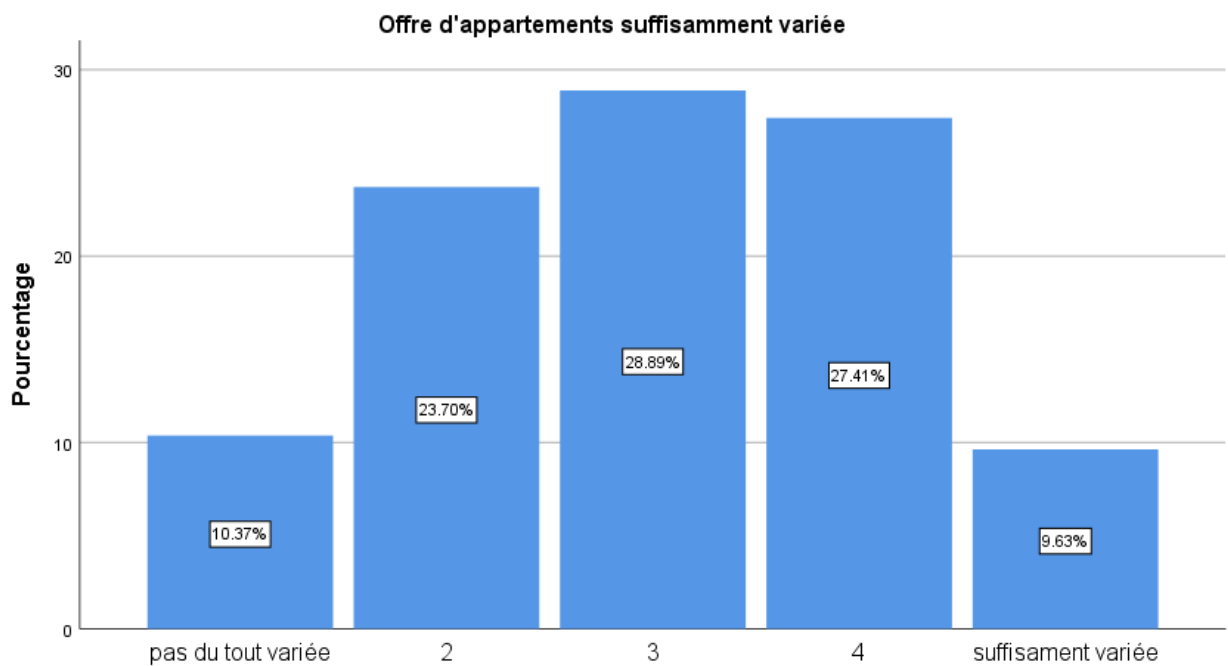

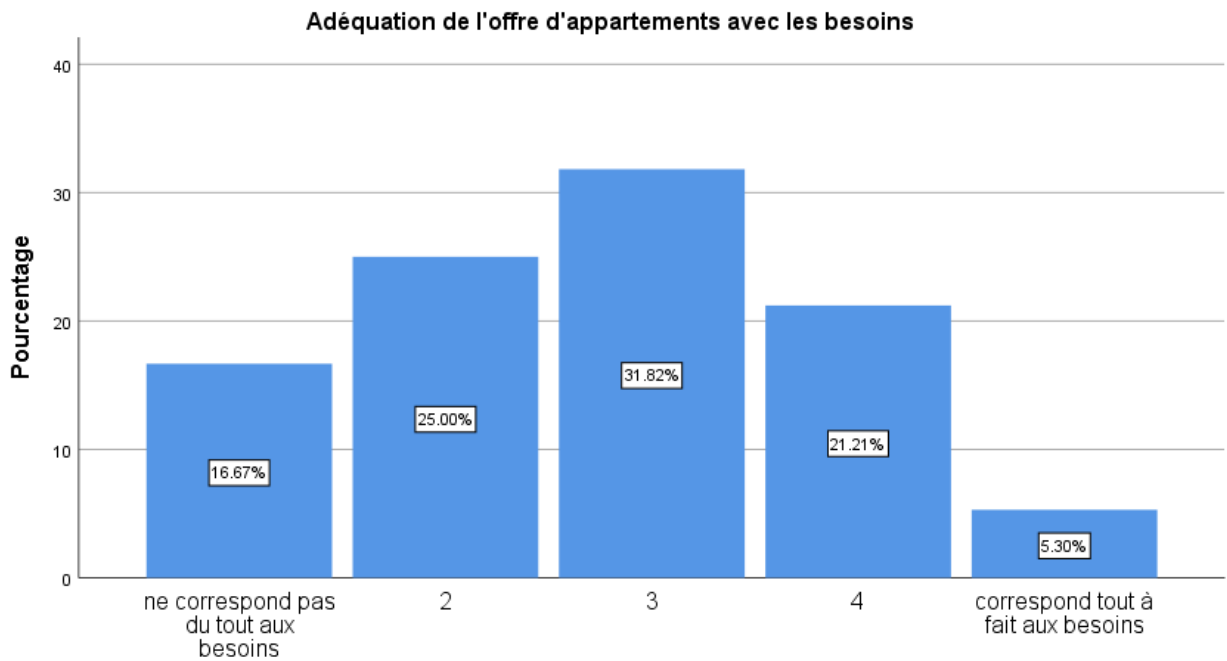

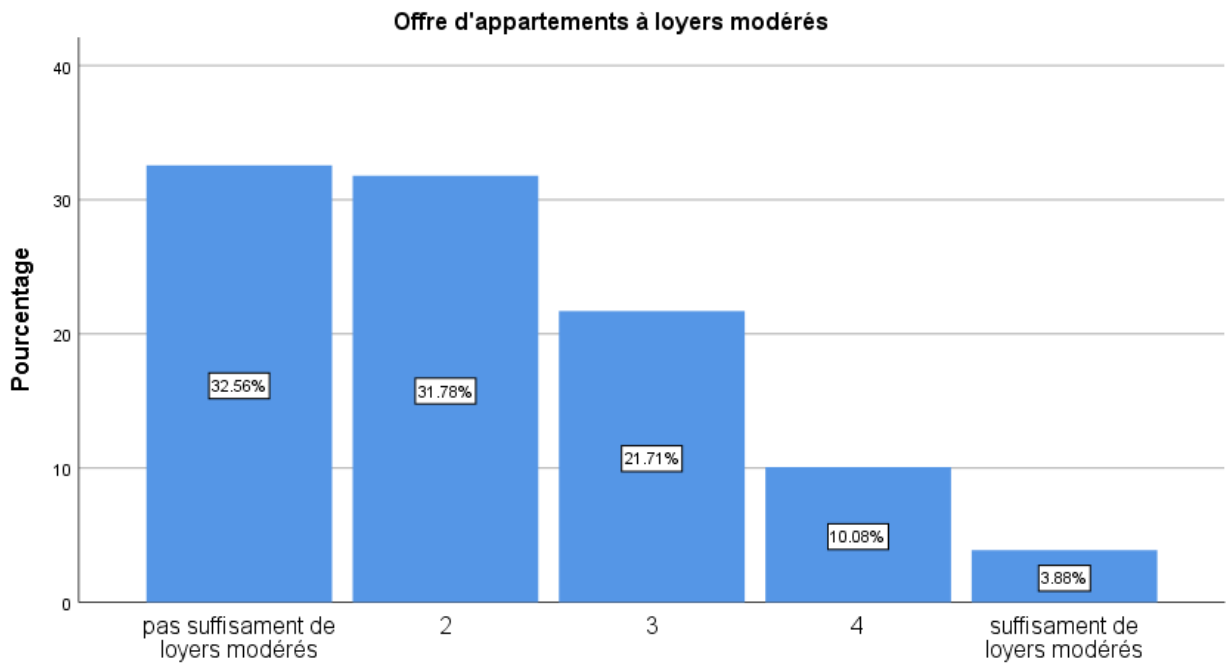

3) Collaborateurs communaux

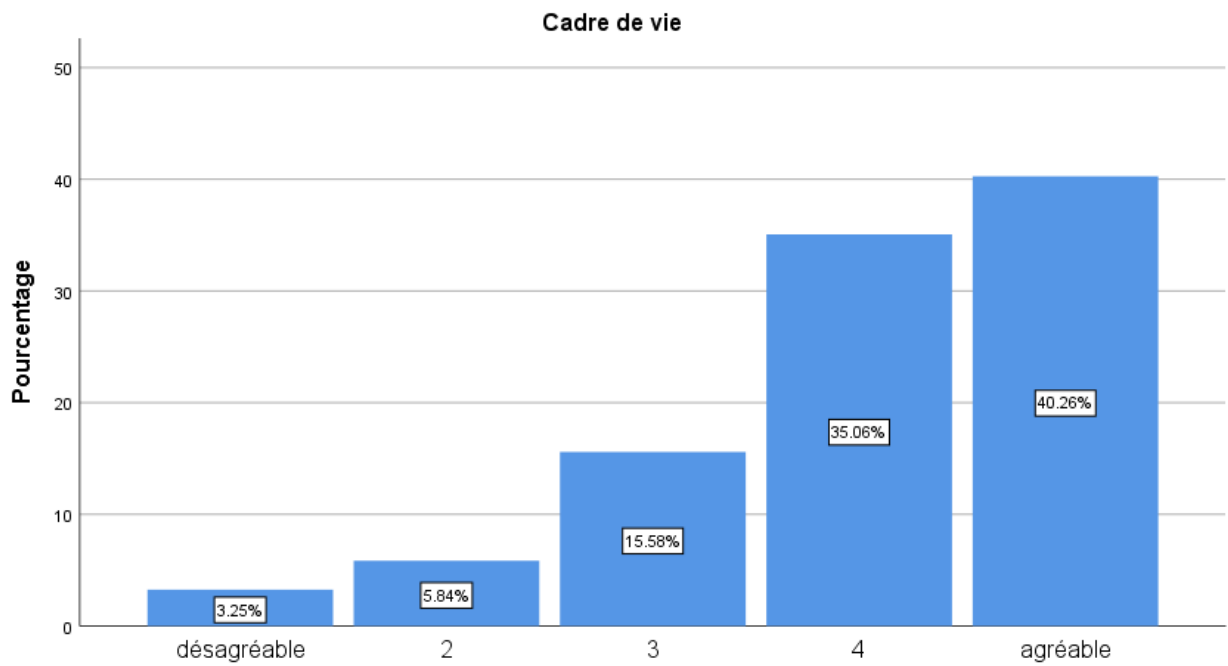

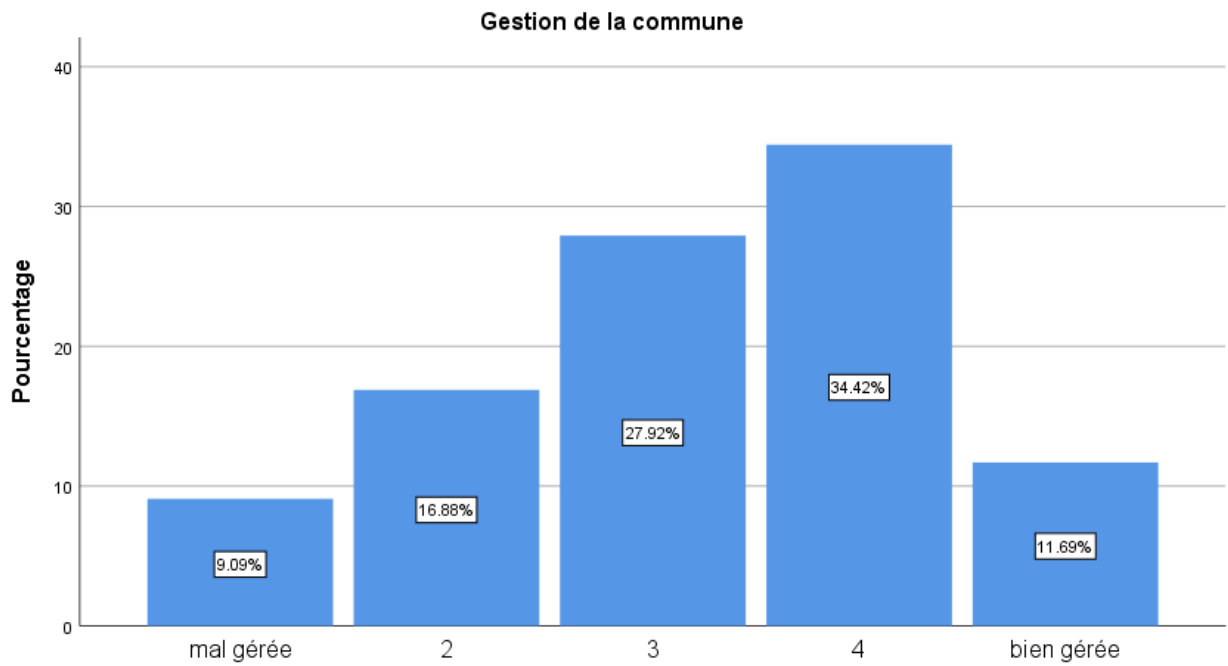

4) Logements

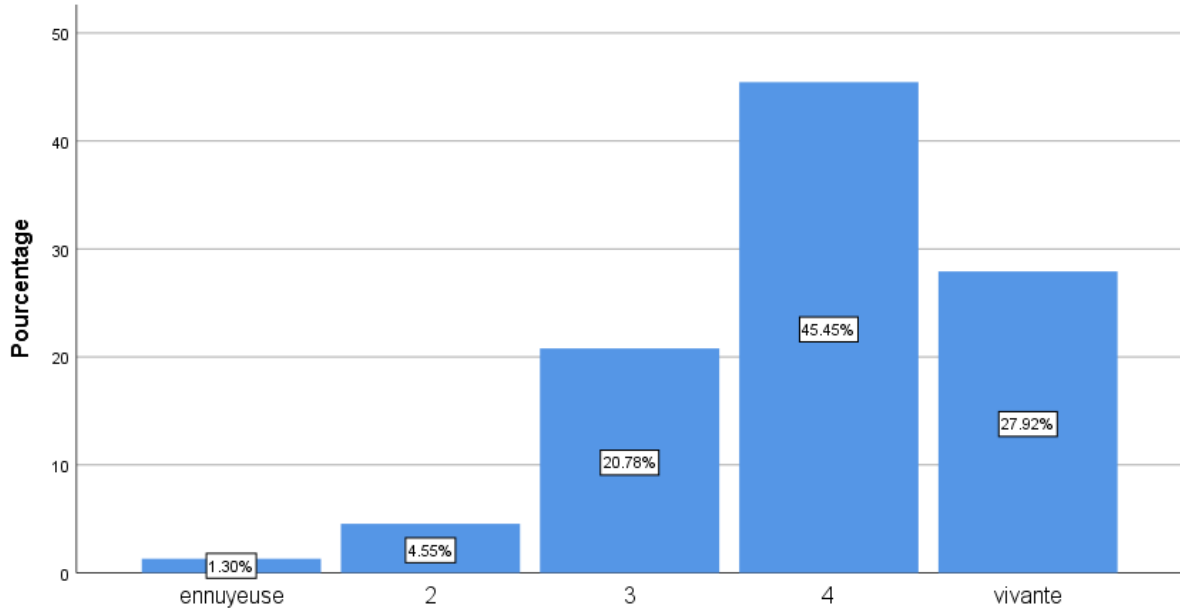

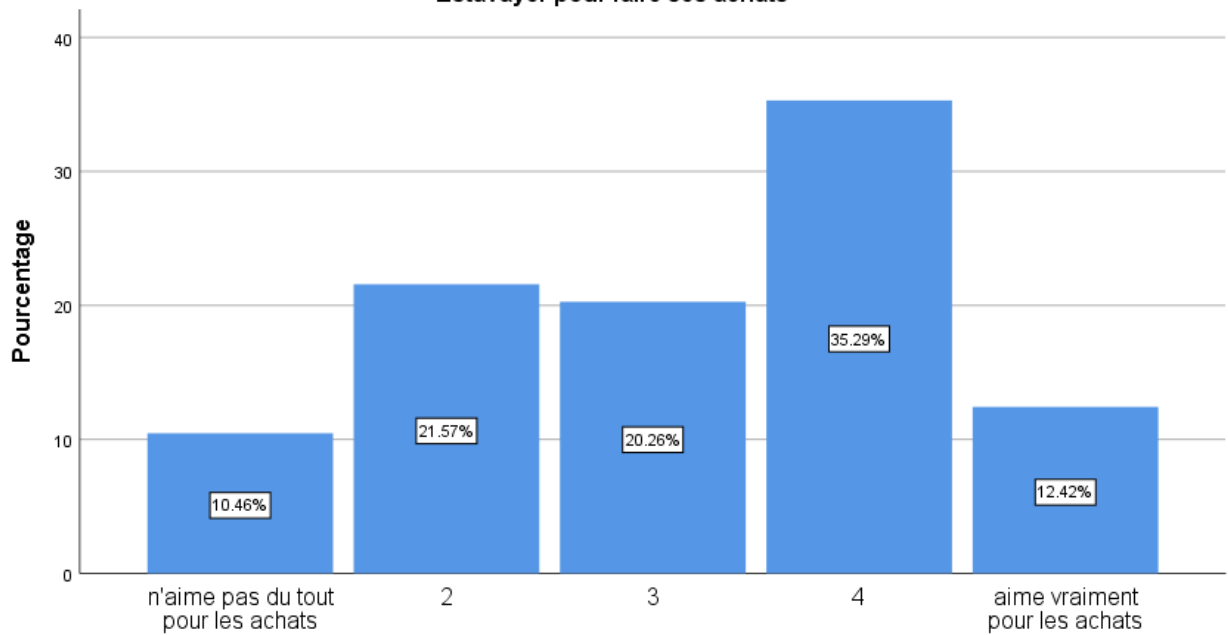

5) Impression générale de la commune

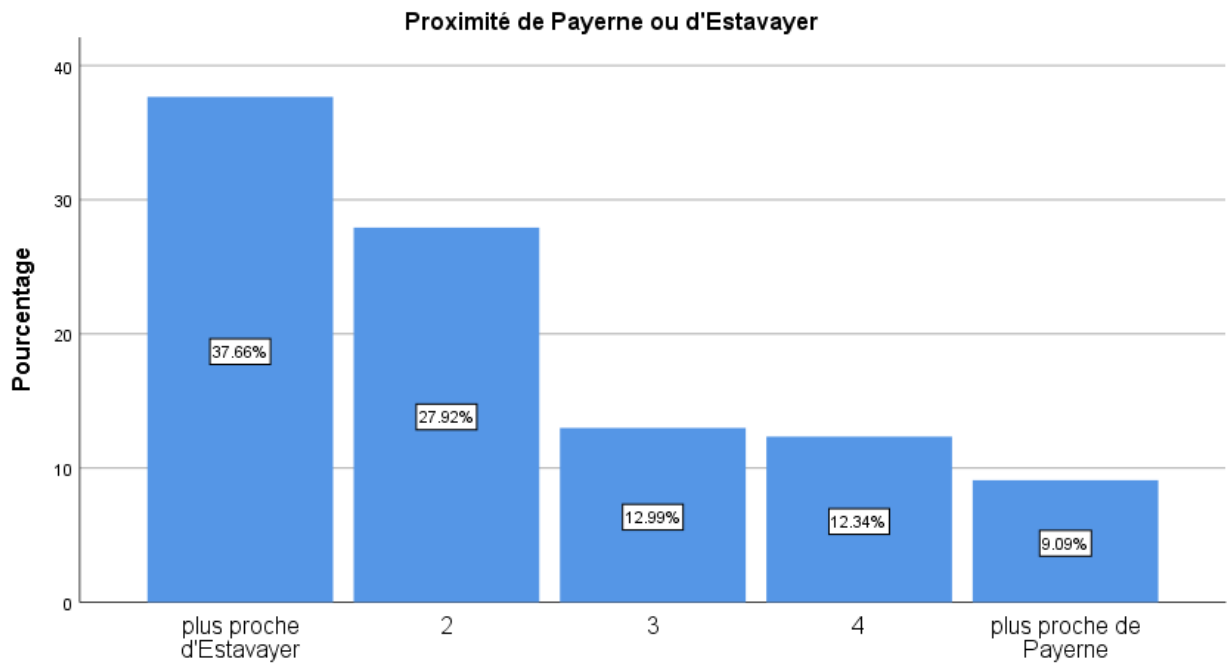

Animation dans la commune

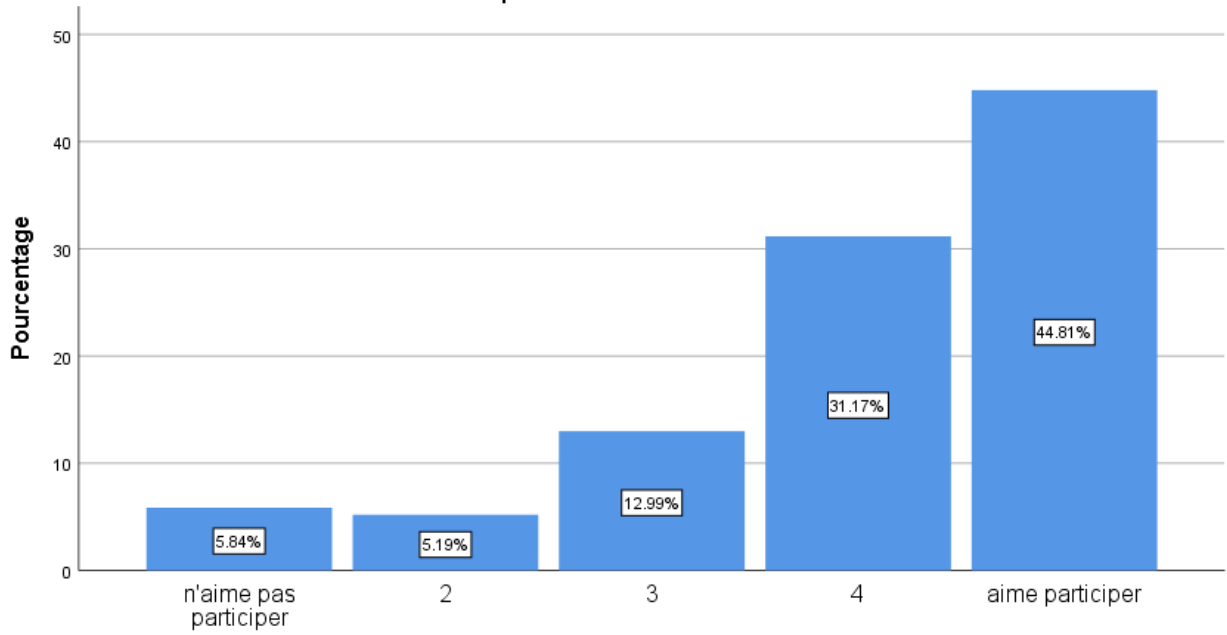

Estavayer pour faire ses achats

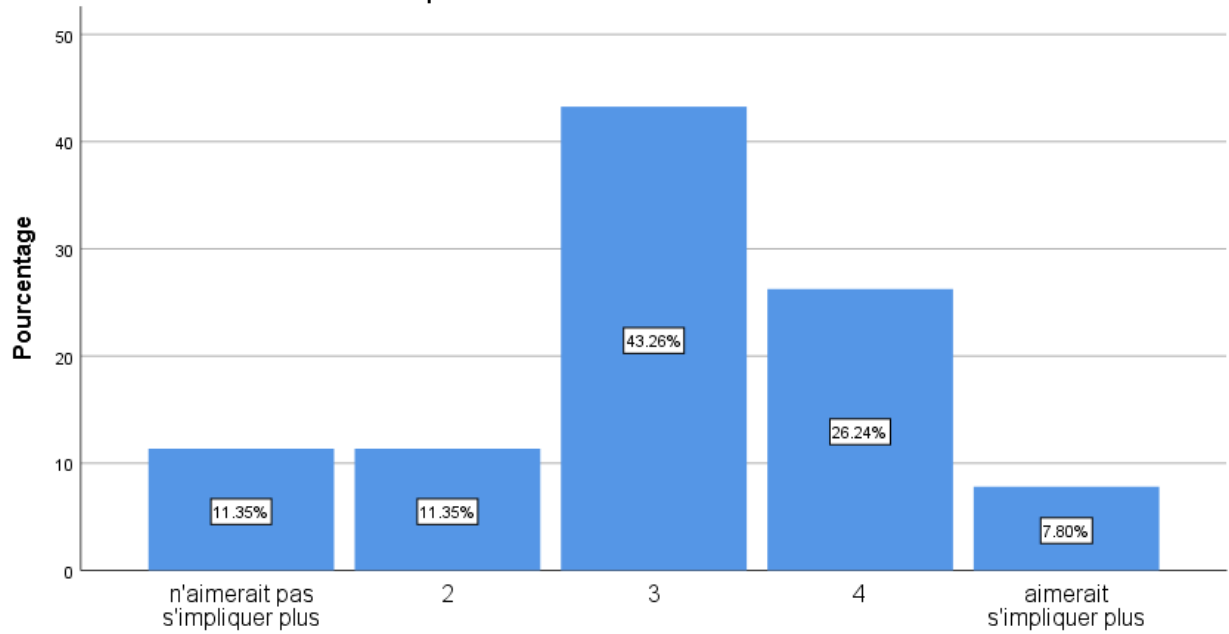

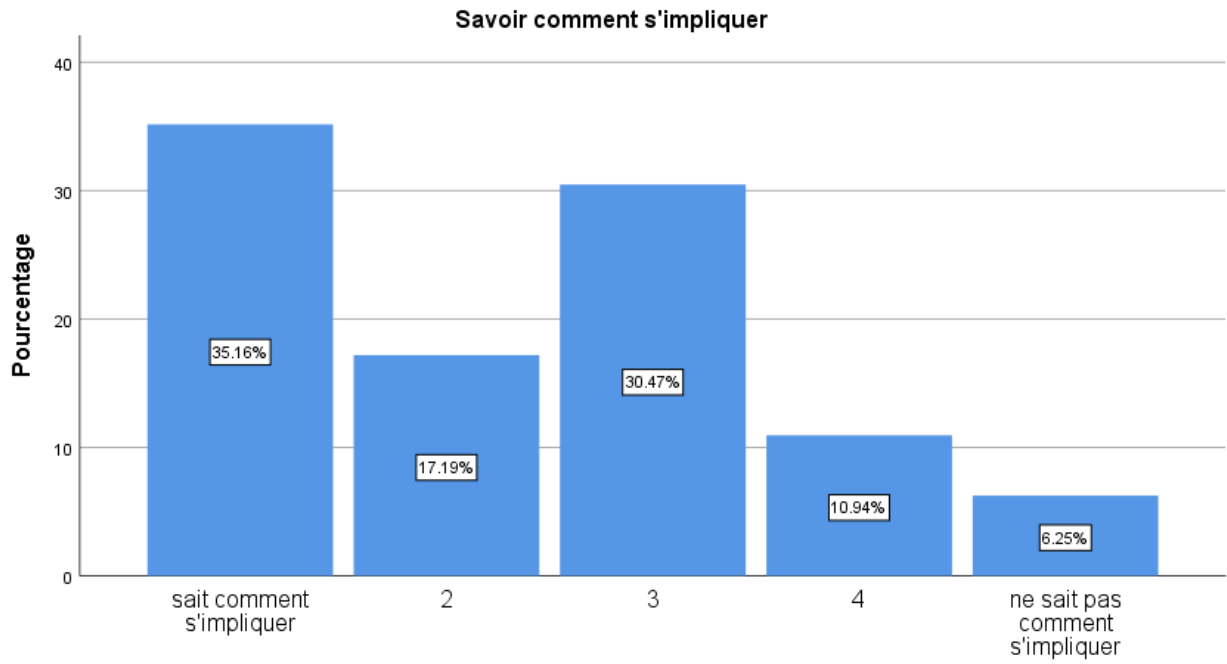

Participation aux manifestations

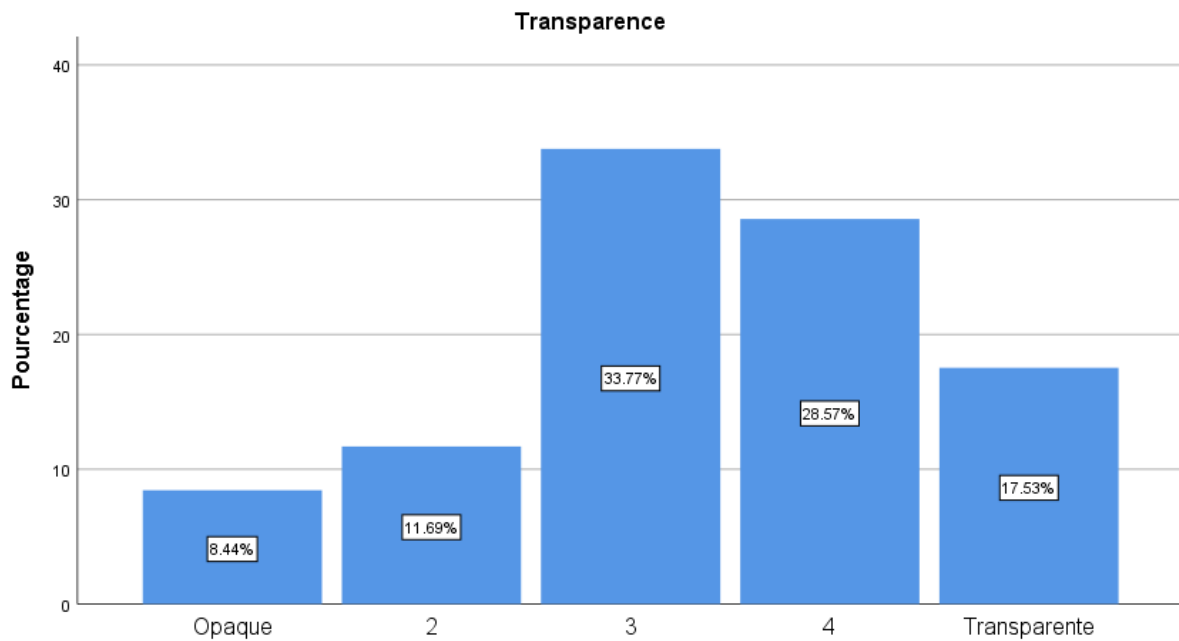

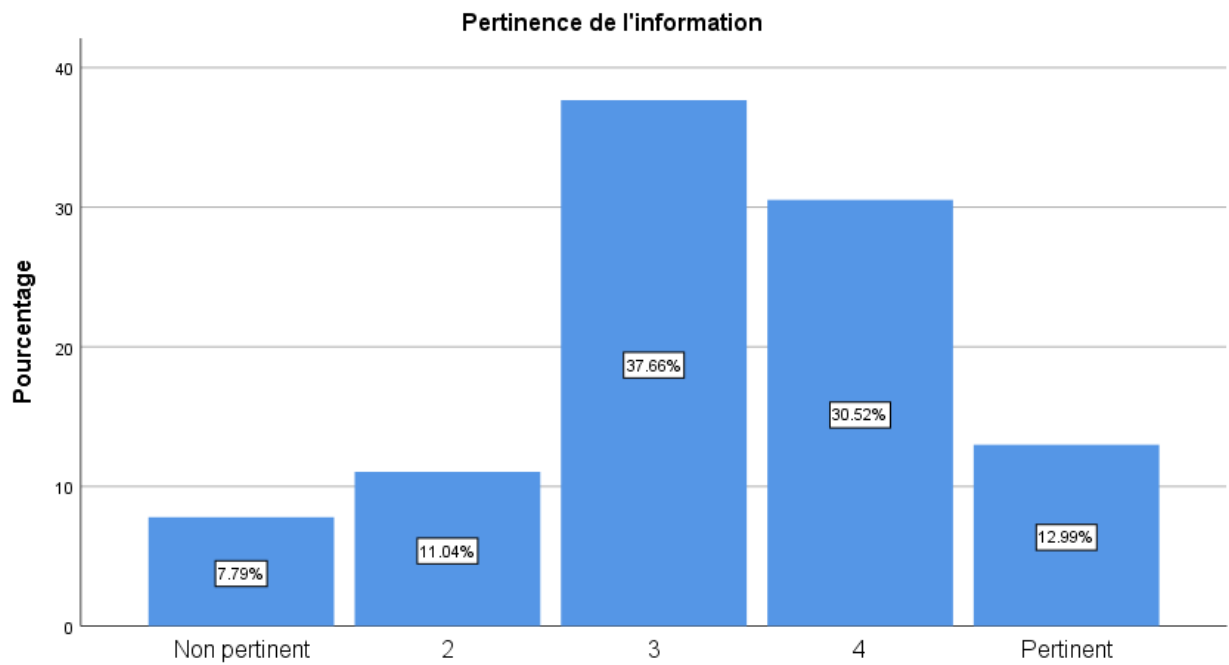

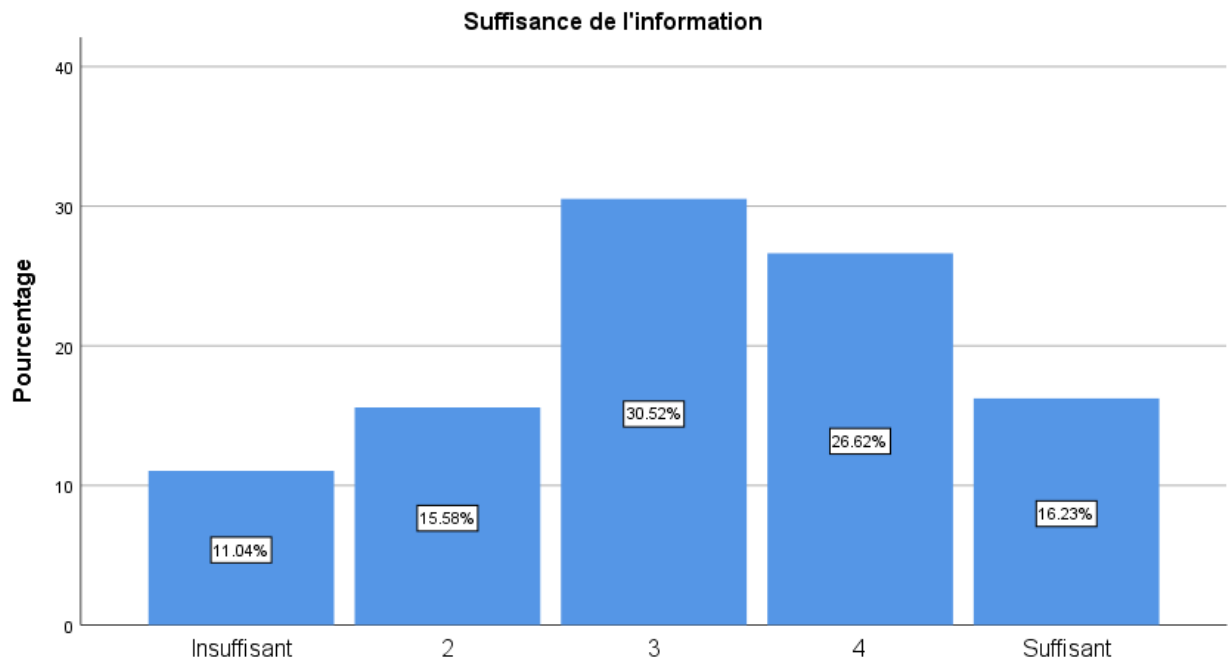

Implication dans la vie de la commune

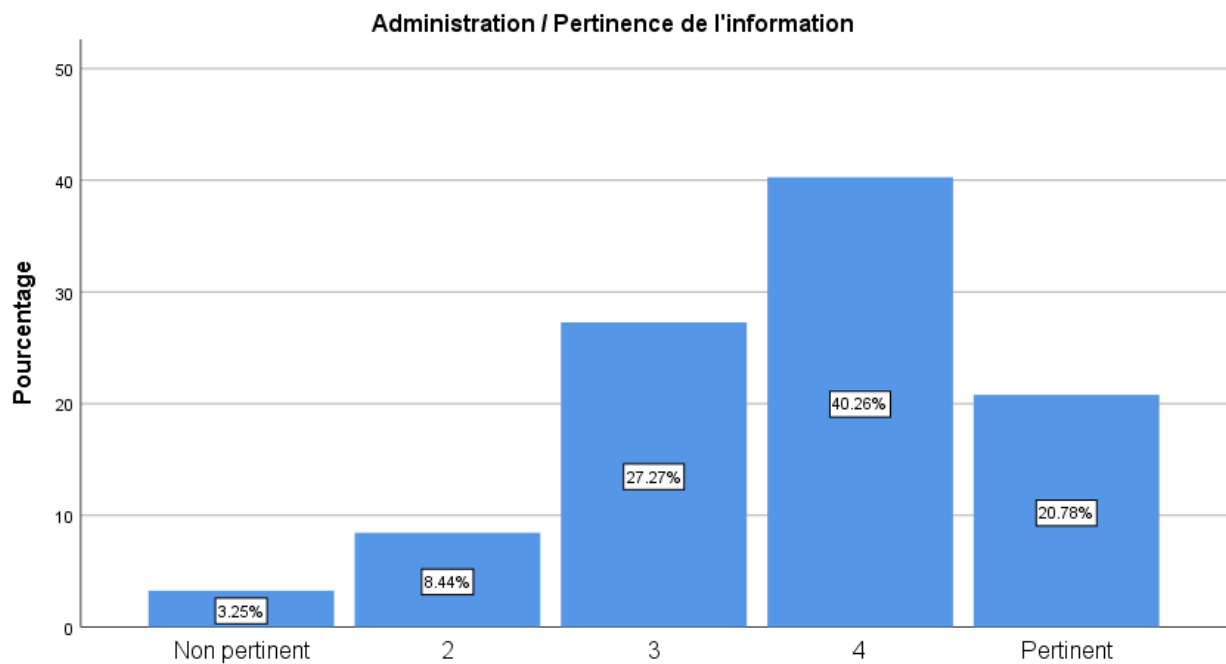

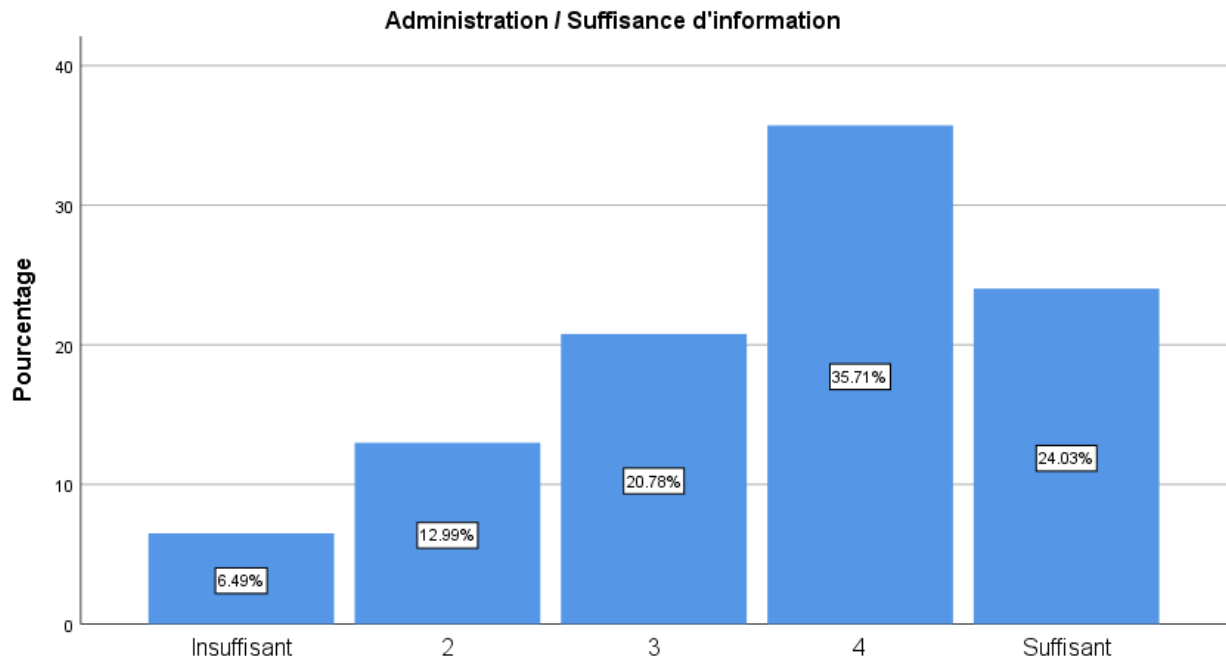

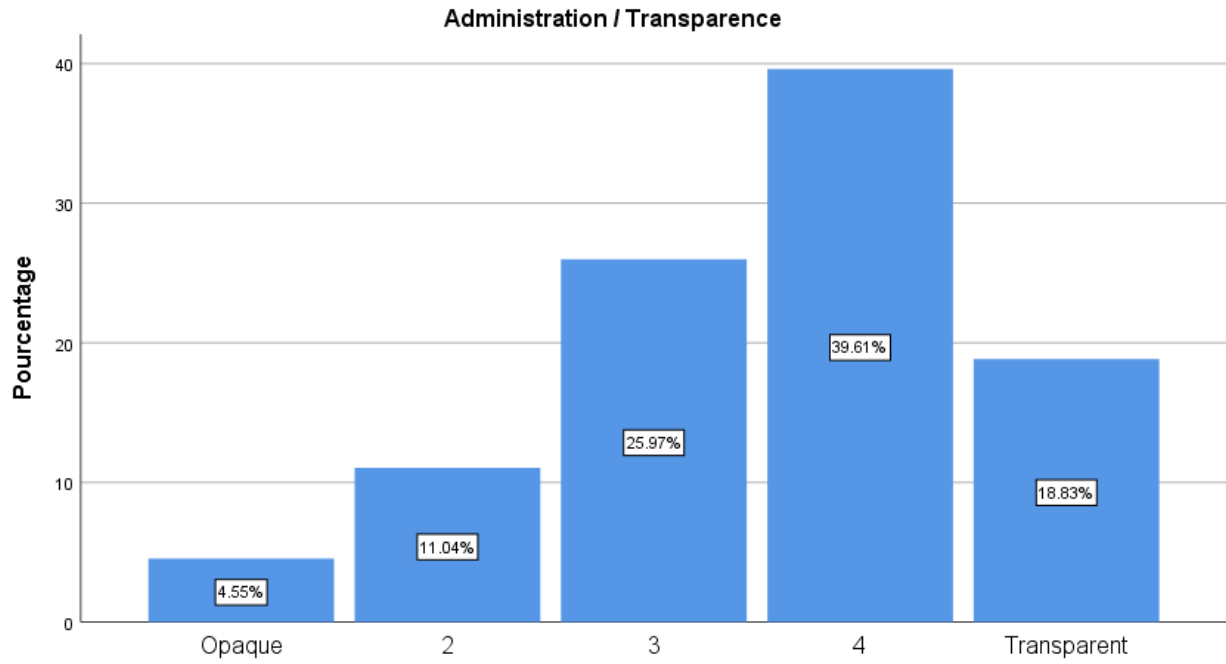

6) Information au sujet du conseil communal et conseil général

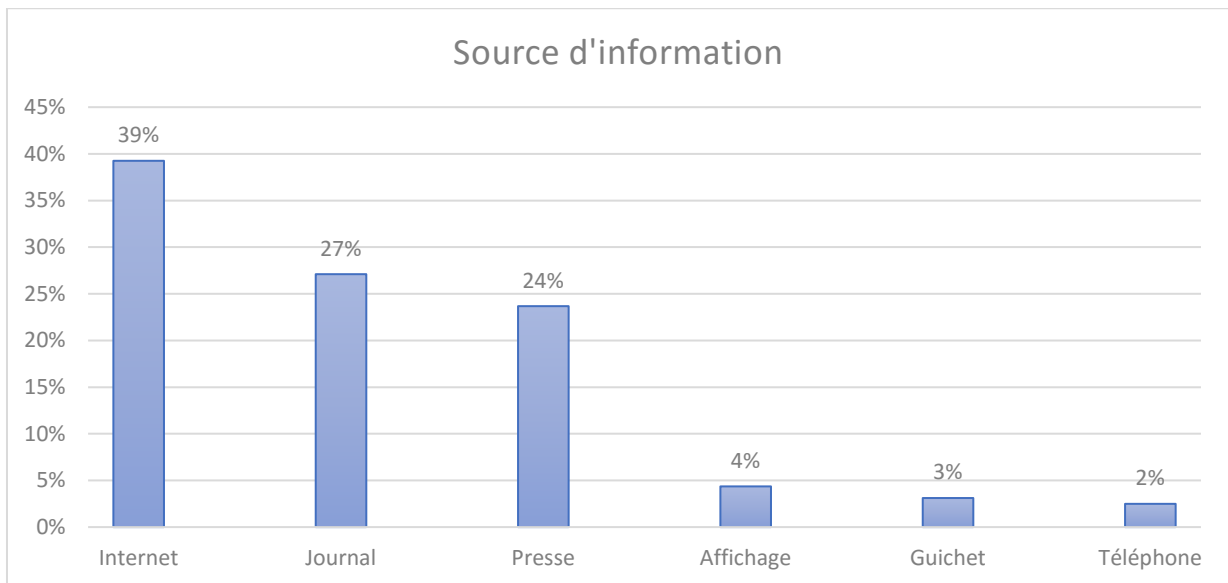

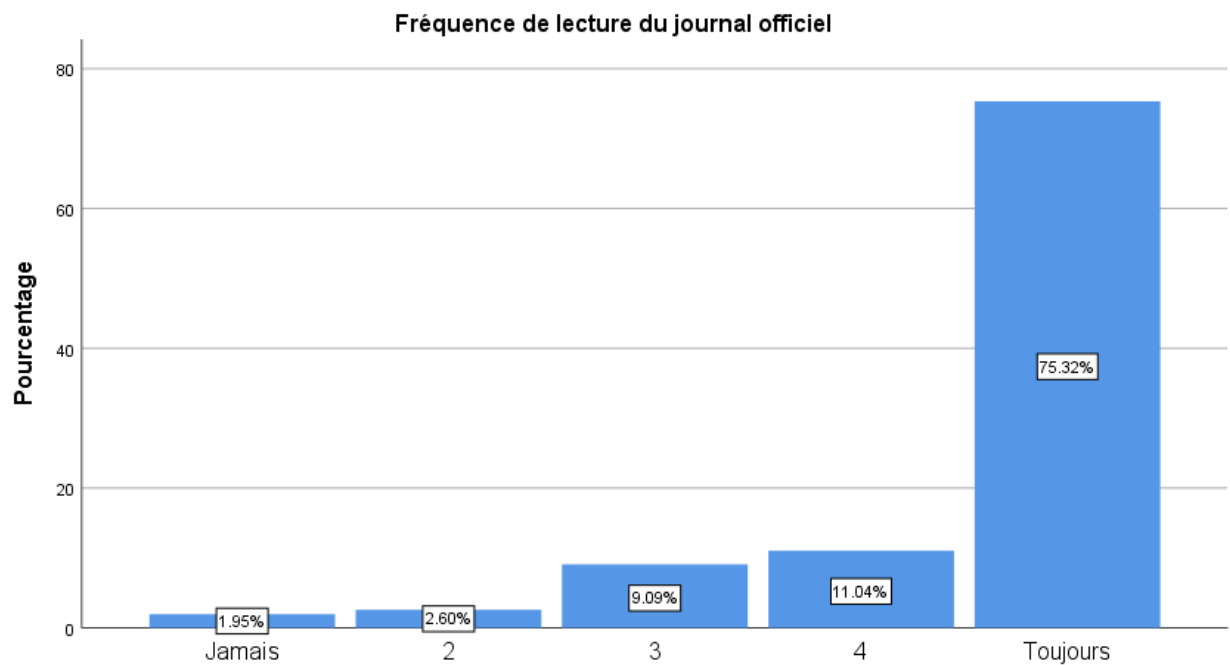

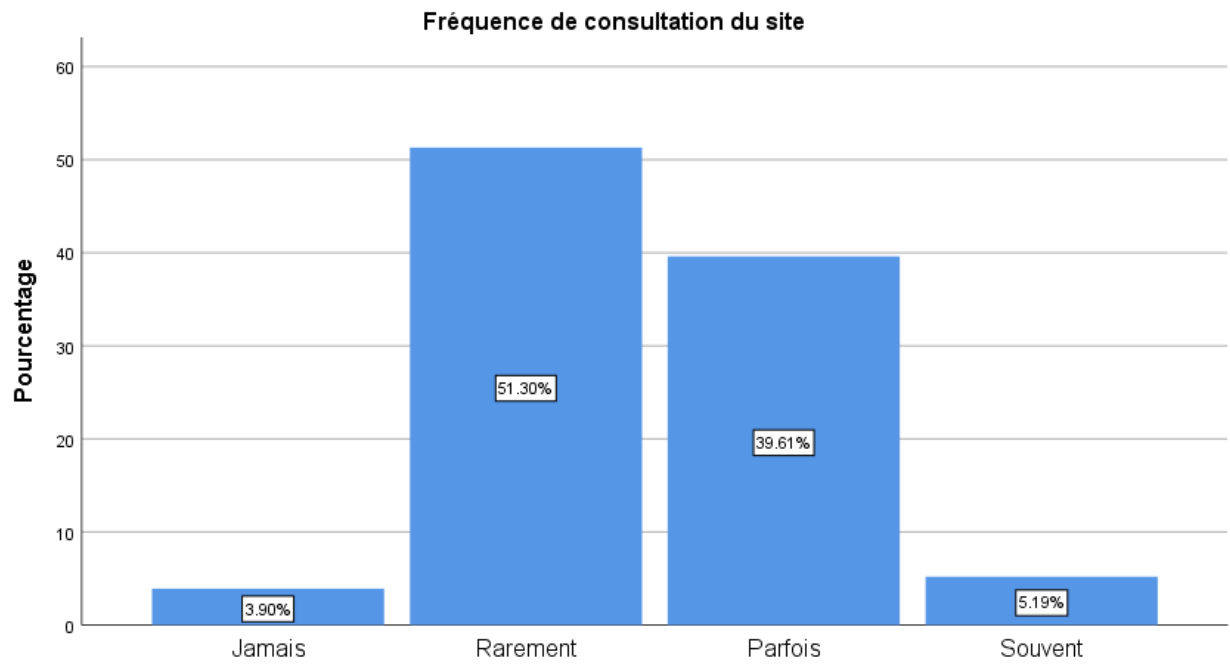

7) Information au sujet des services de l'administration

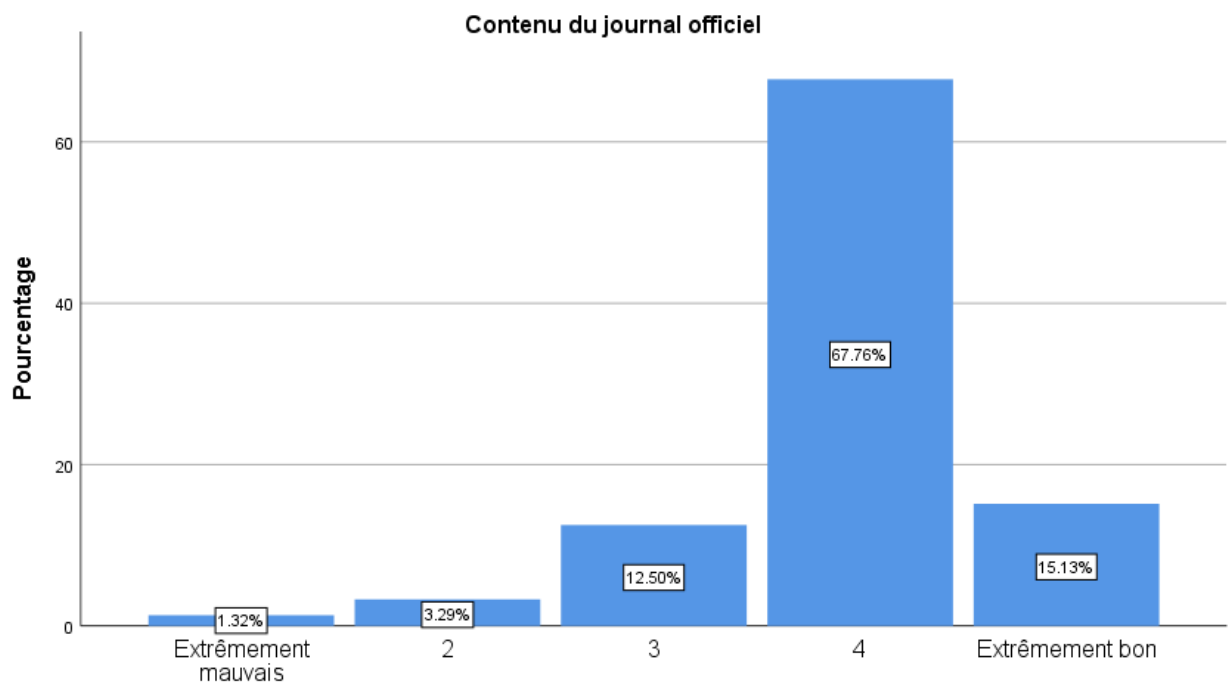

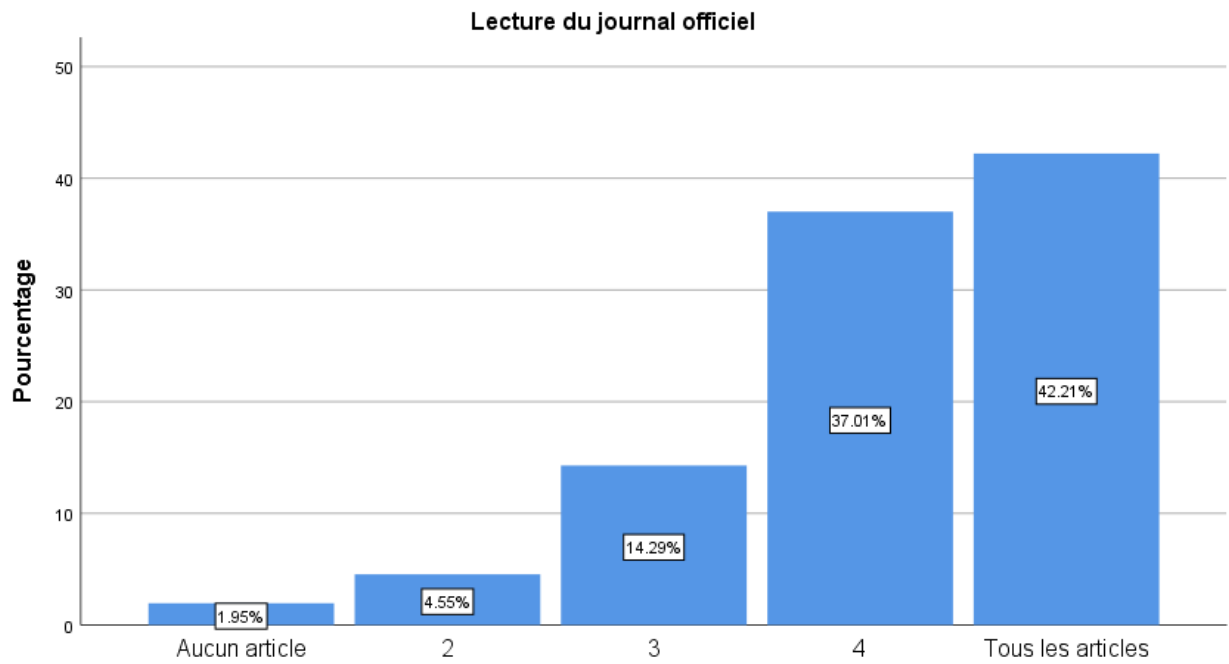

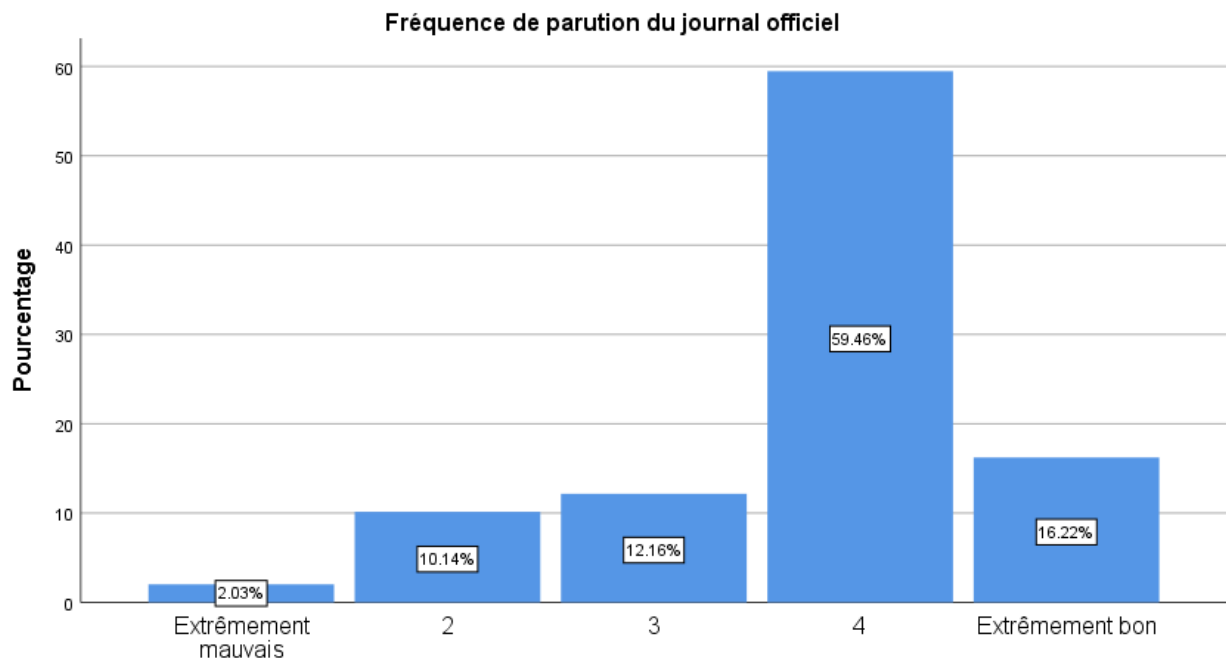

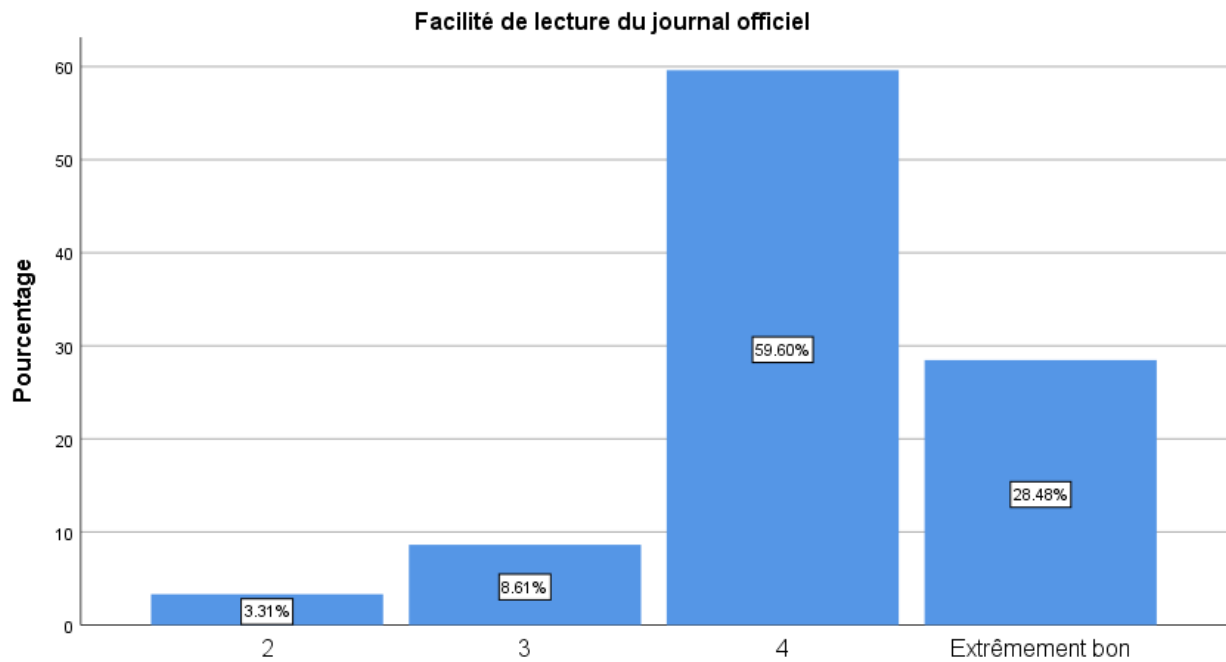

8) Source d'information

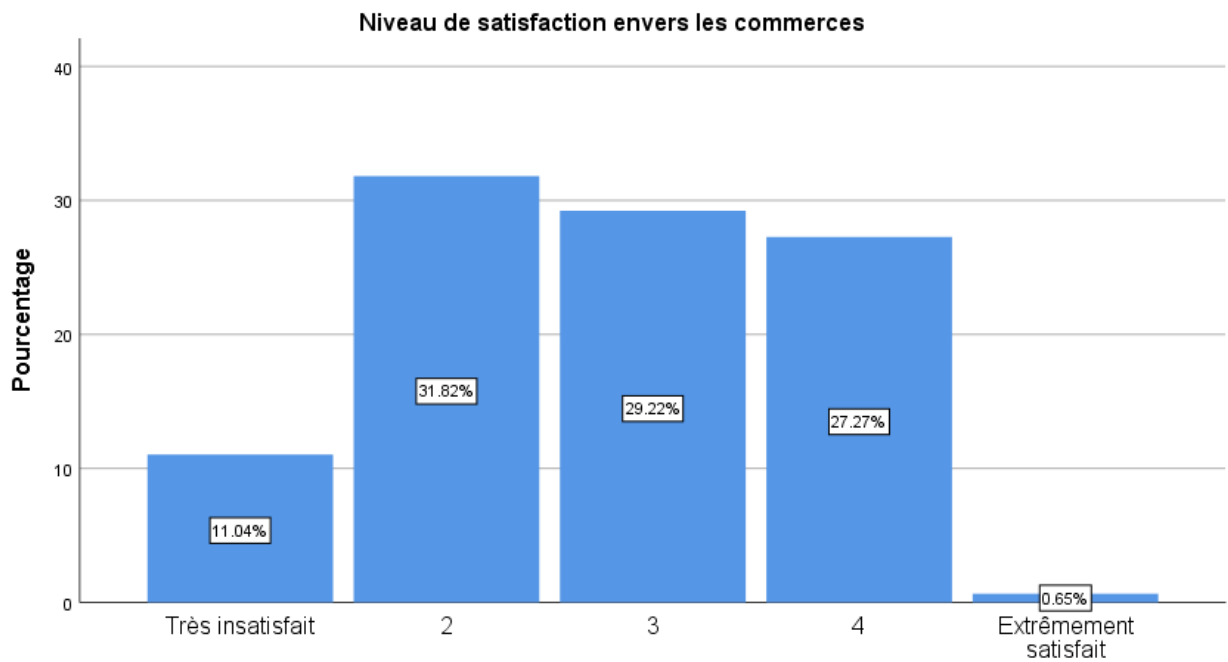

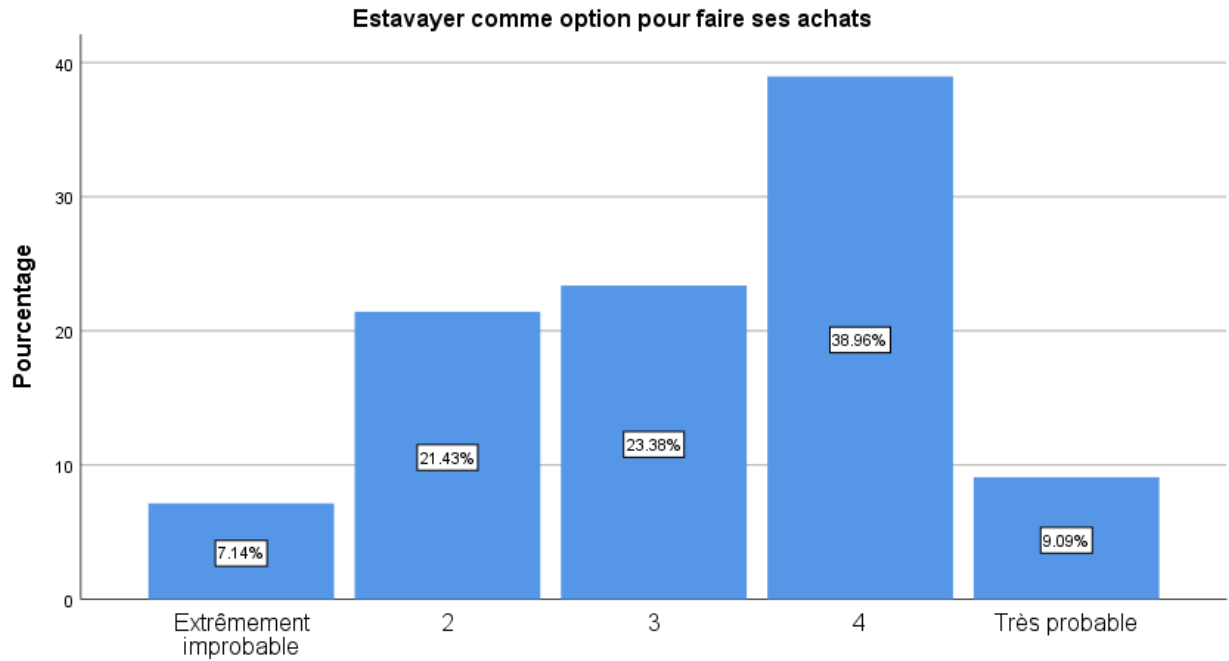

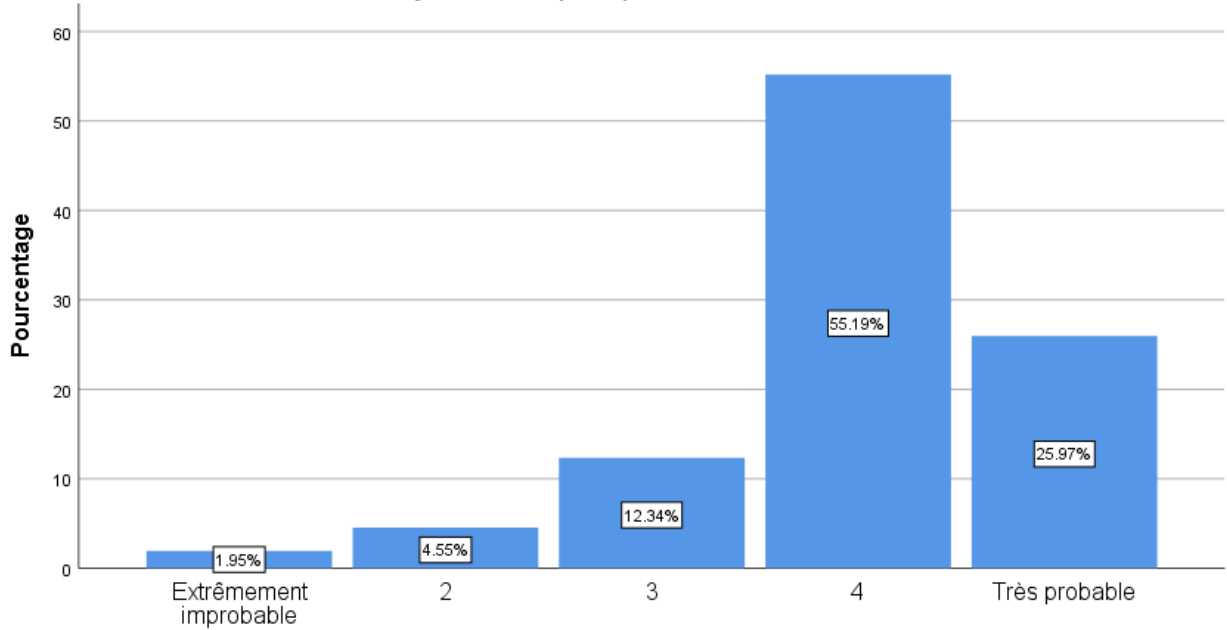

La quasi-totalité des mécontents souhaitent une augmentation de la fréquence de parution.

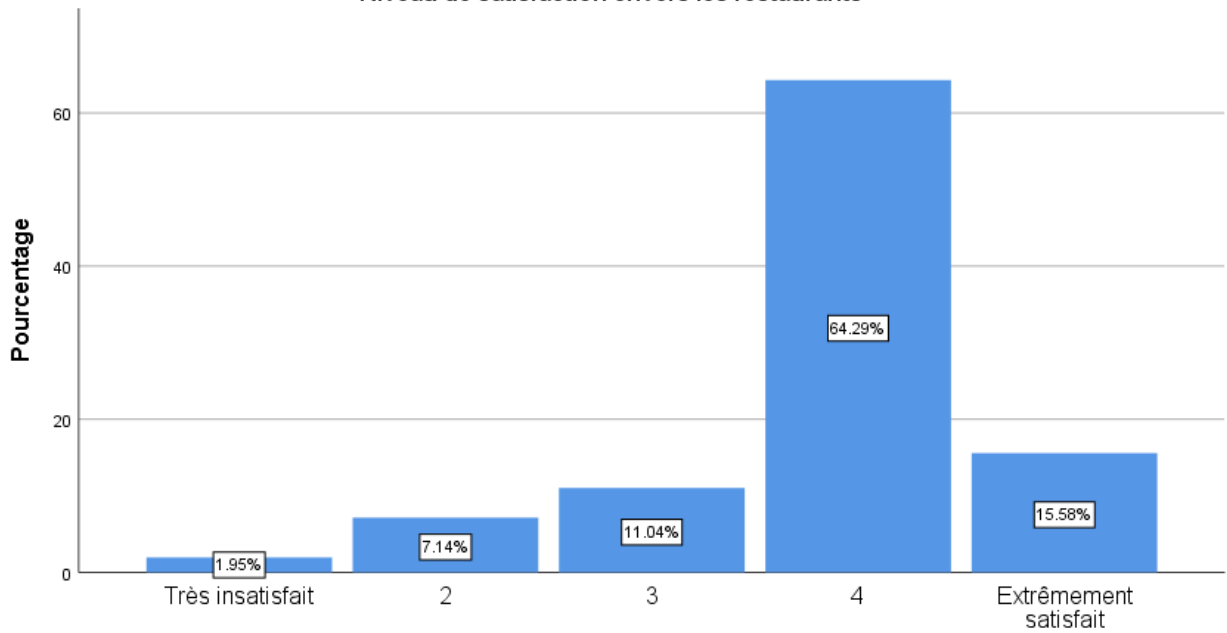

9) Restaurants et commerces

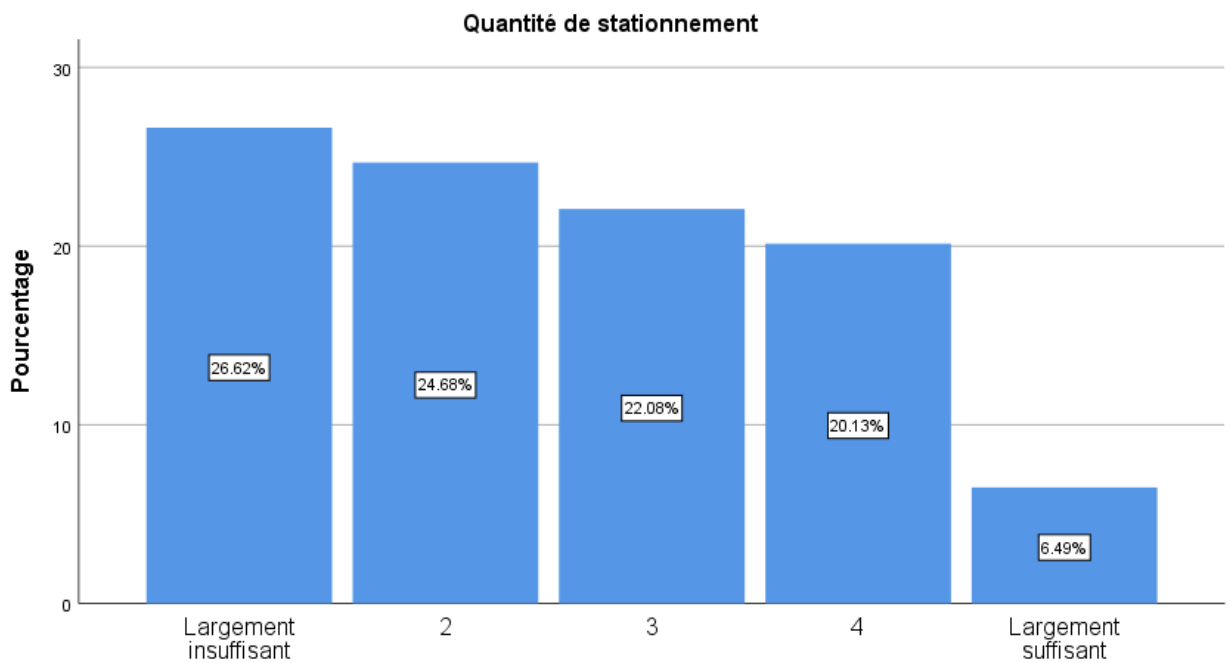

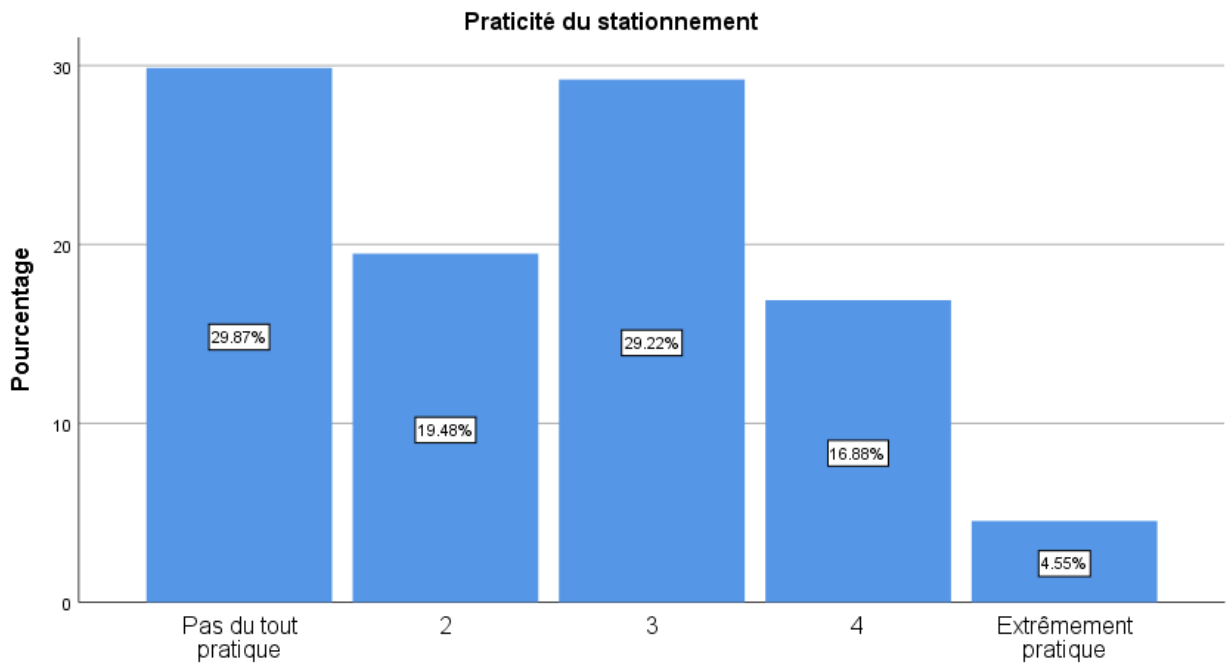

Estavayer comme option pour aller au restaurant

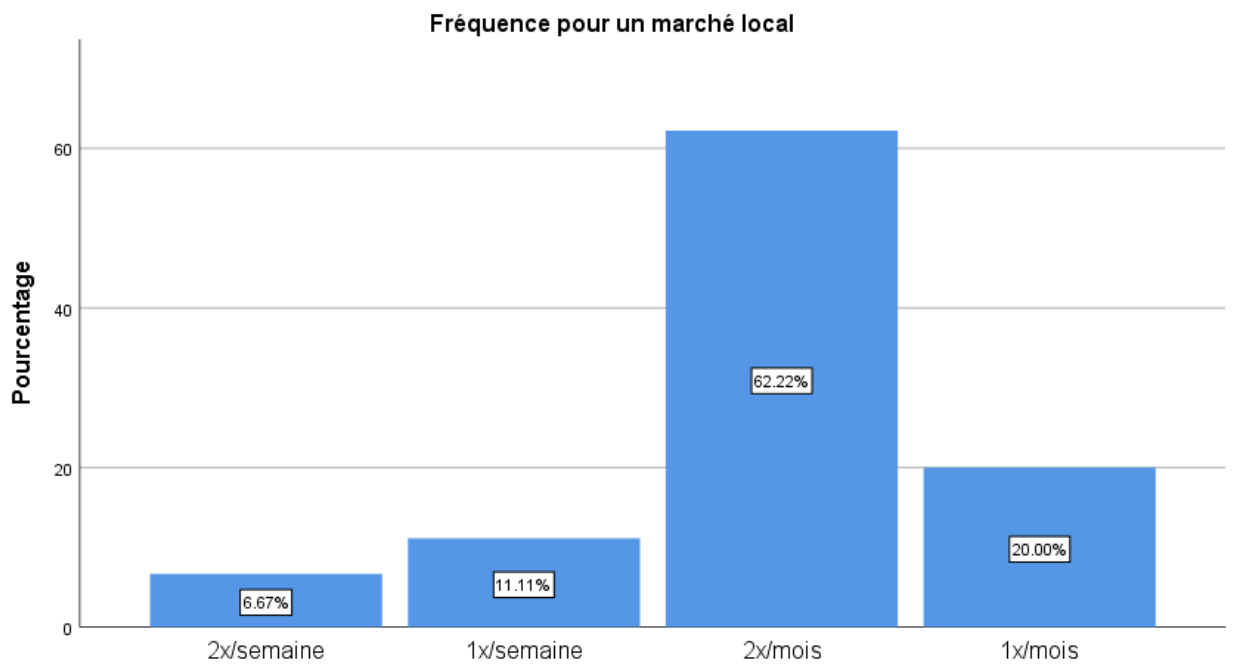

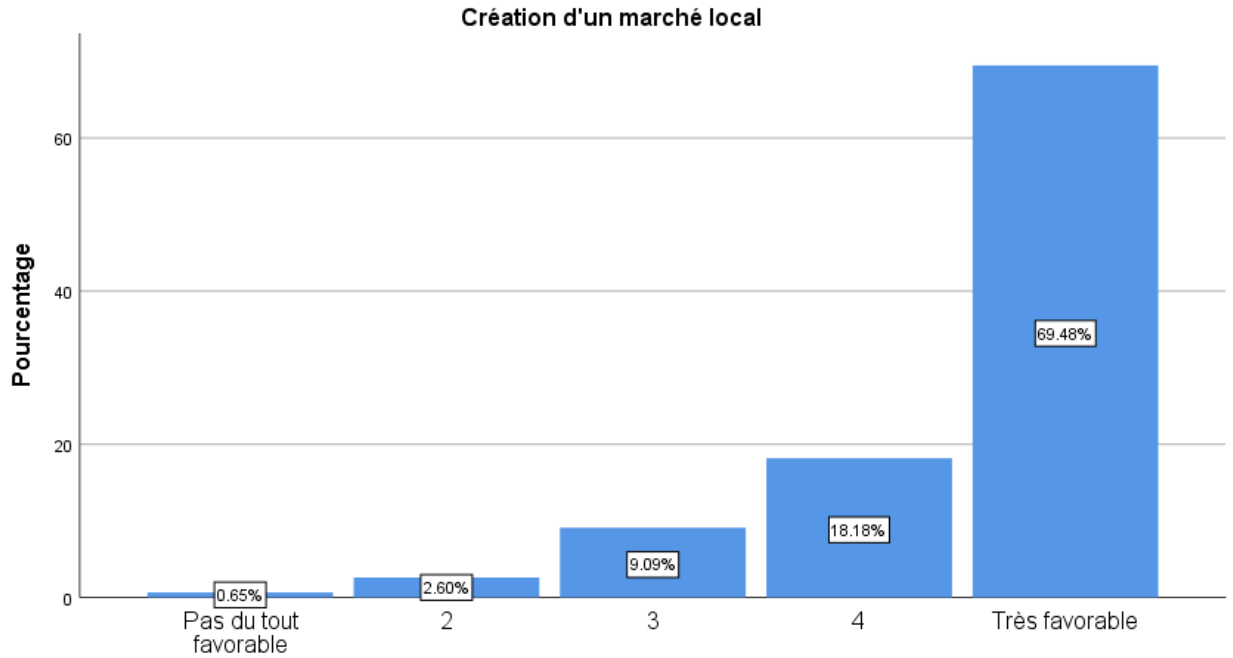

Niveau de satisfaction envers les restaurants

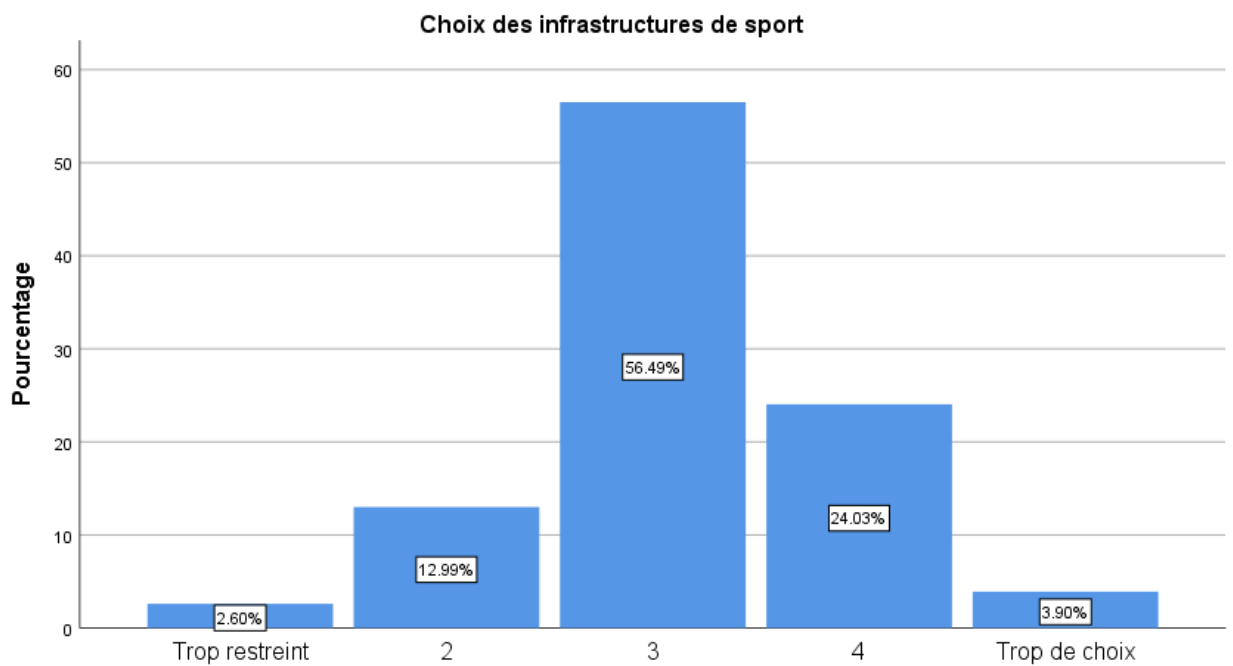

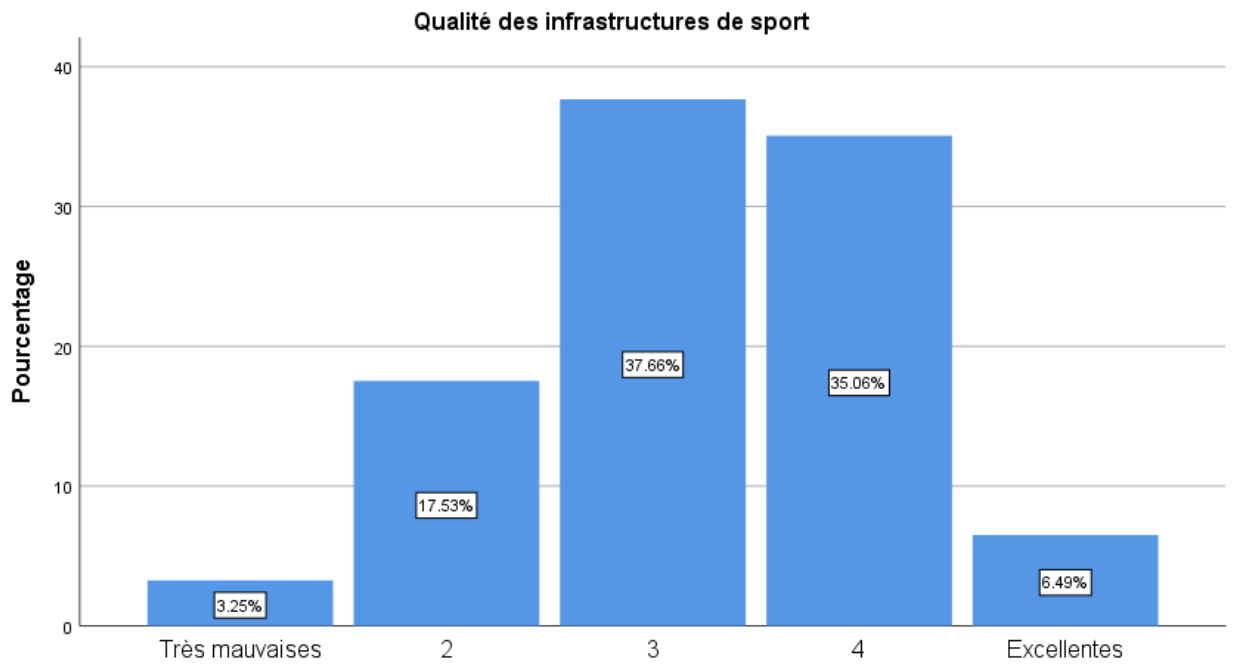

10) Stationnement

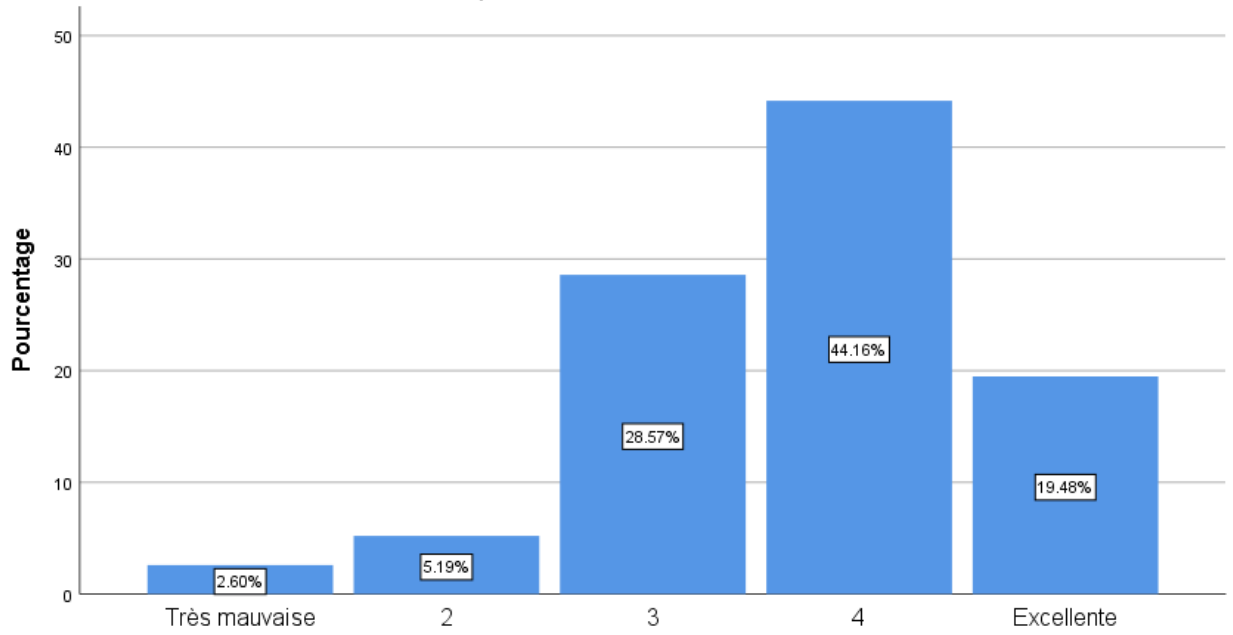

11) Marché local

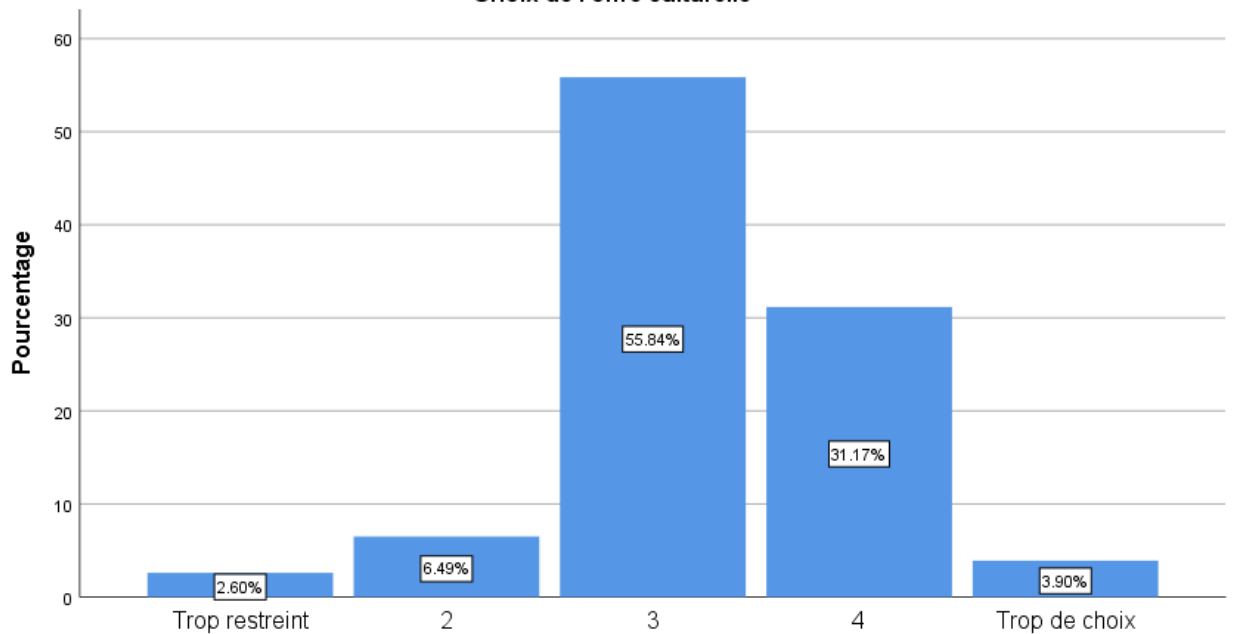

12) Culture et sports

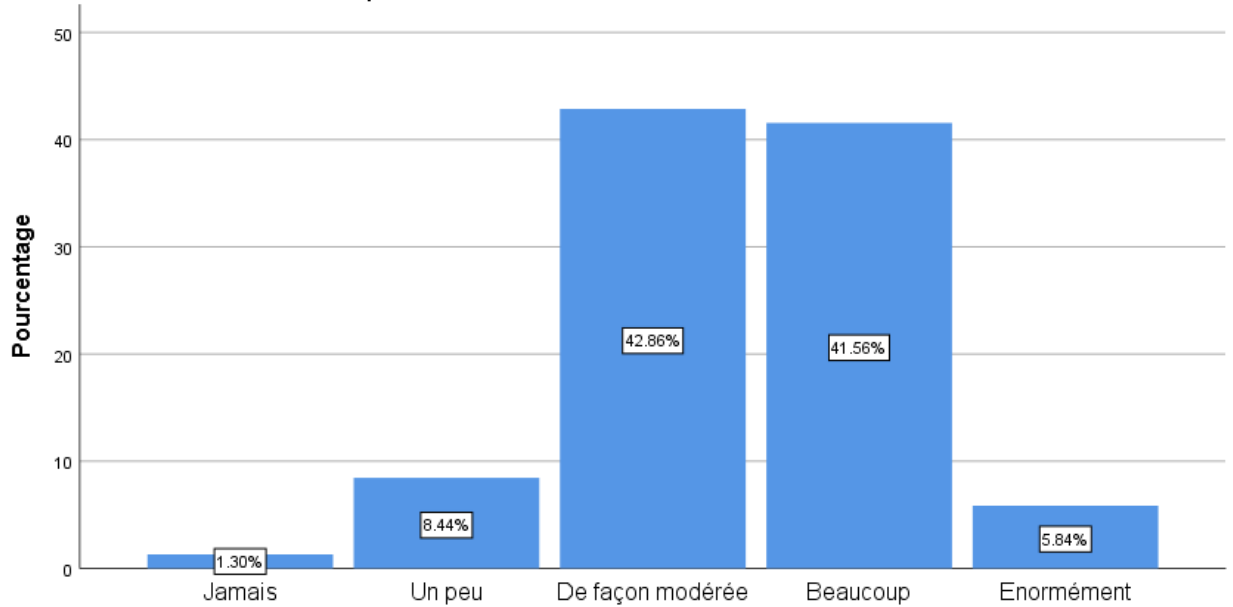

Qualité de l'offre culturelle

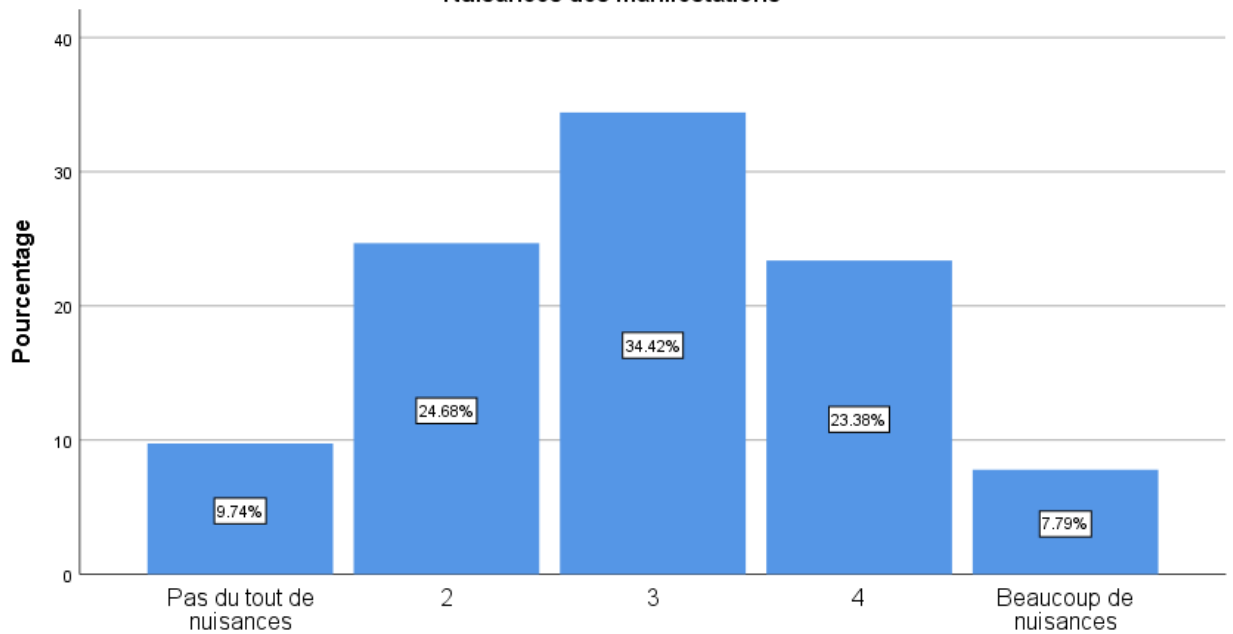

Choix de l'offre culturelle

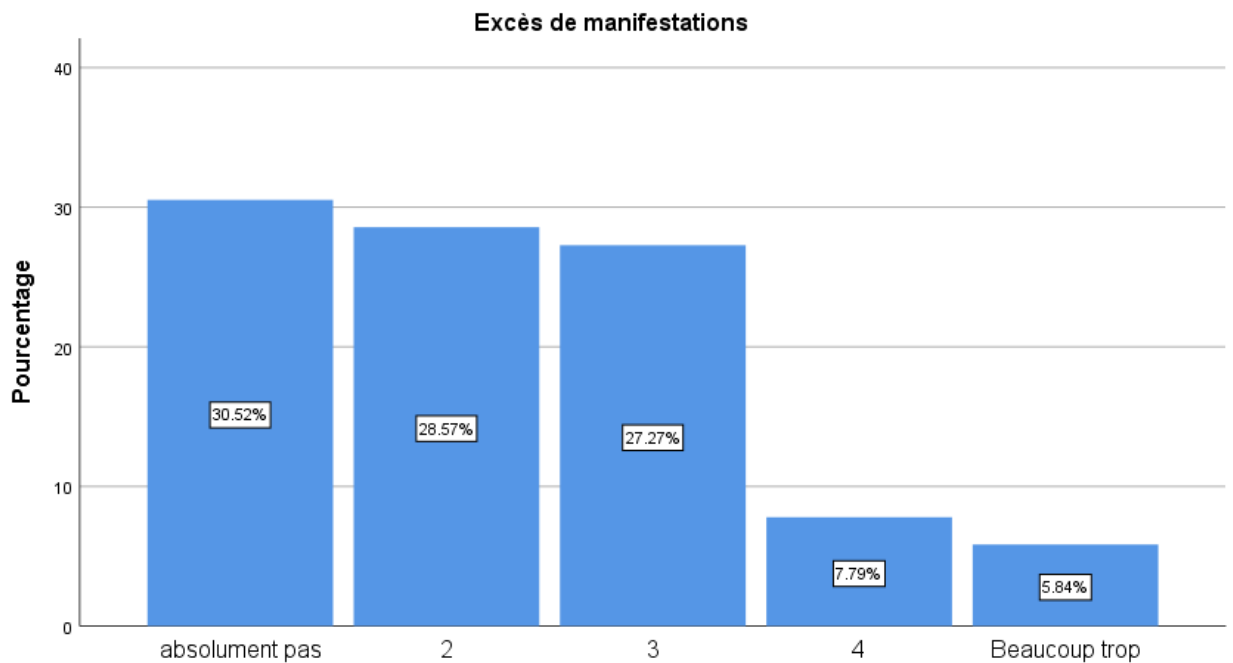

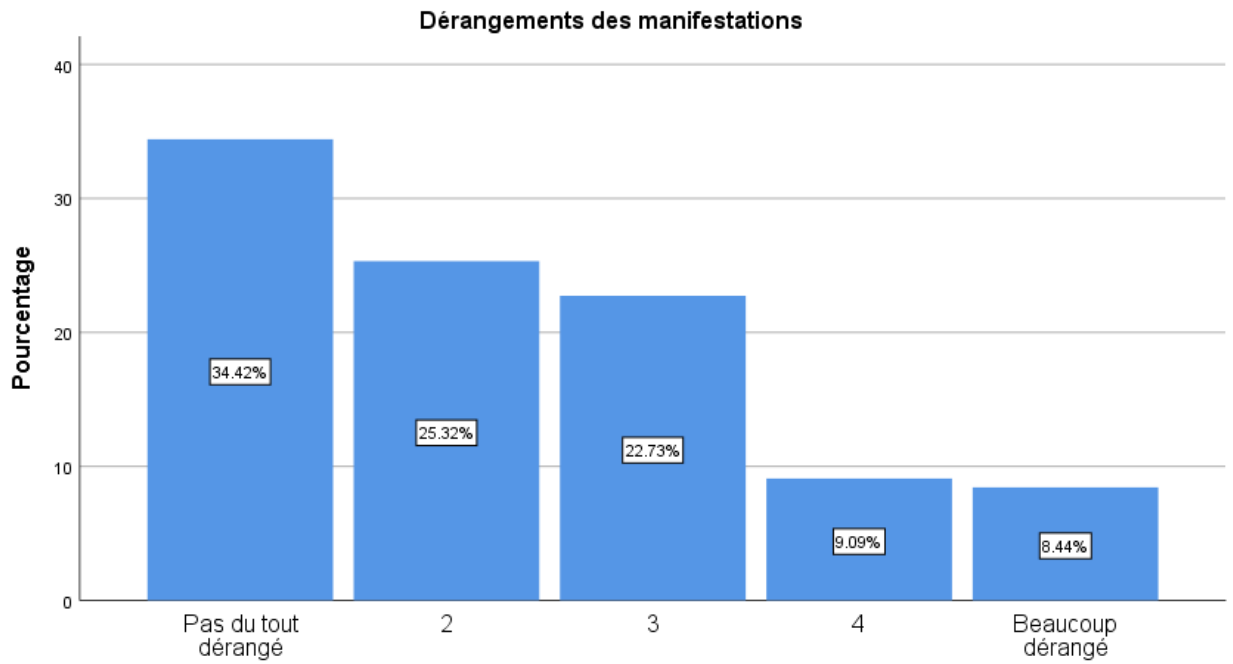

Participation aux événements culturels et manifestations

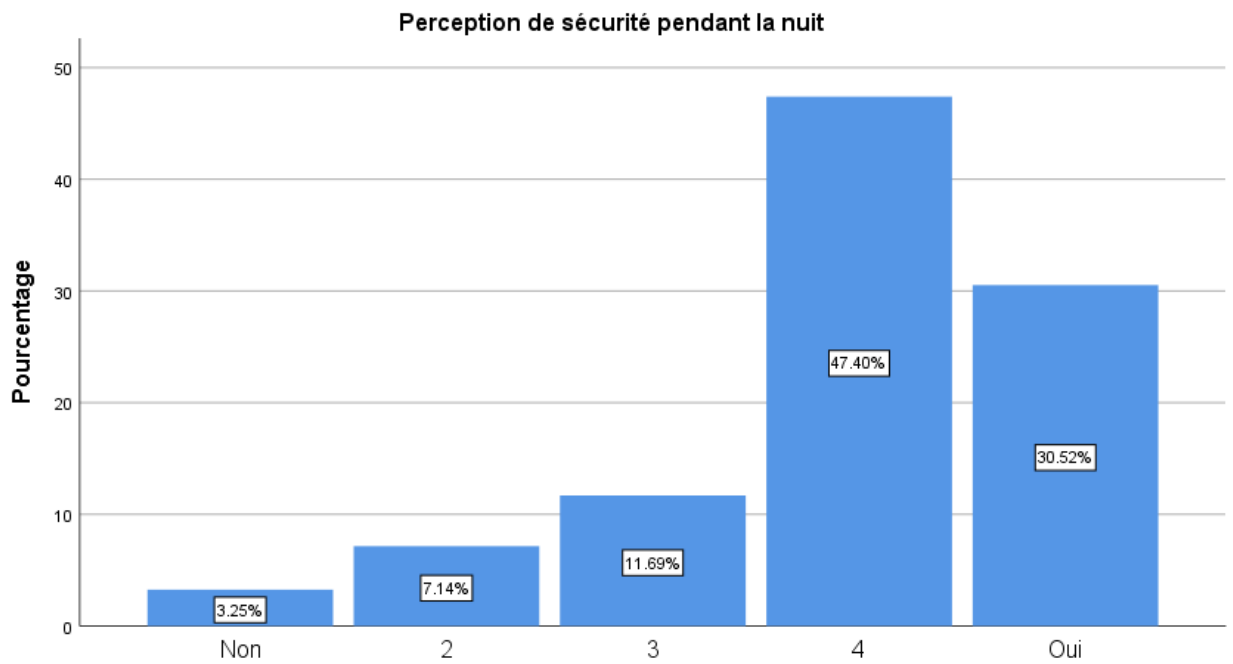

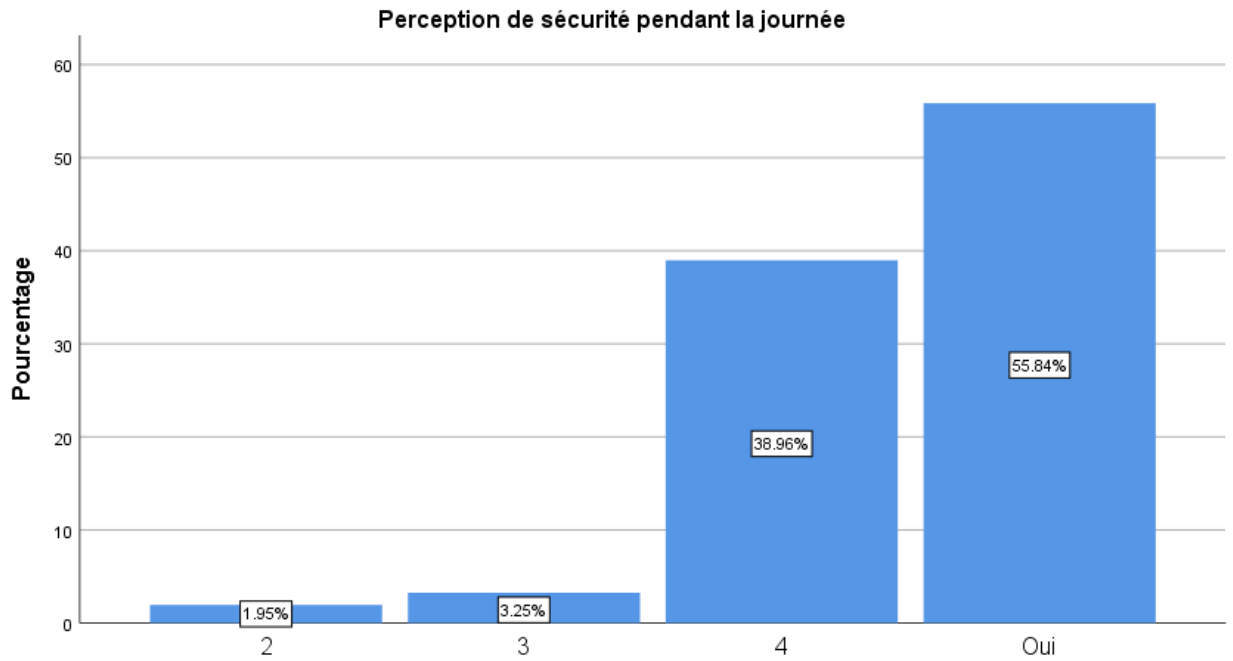

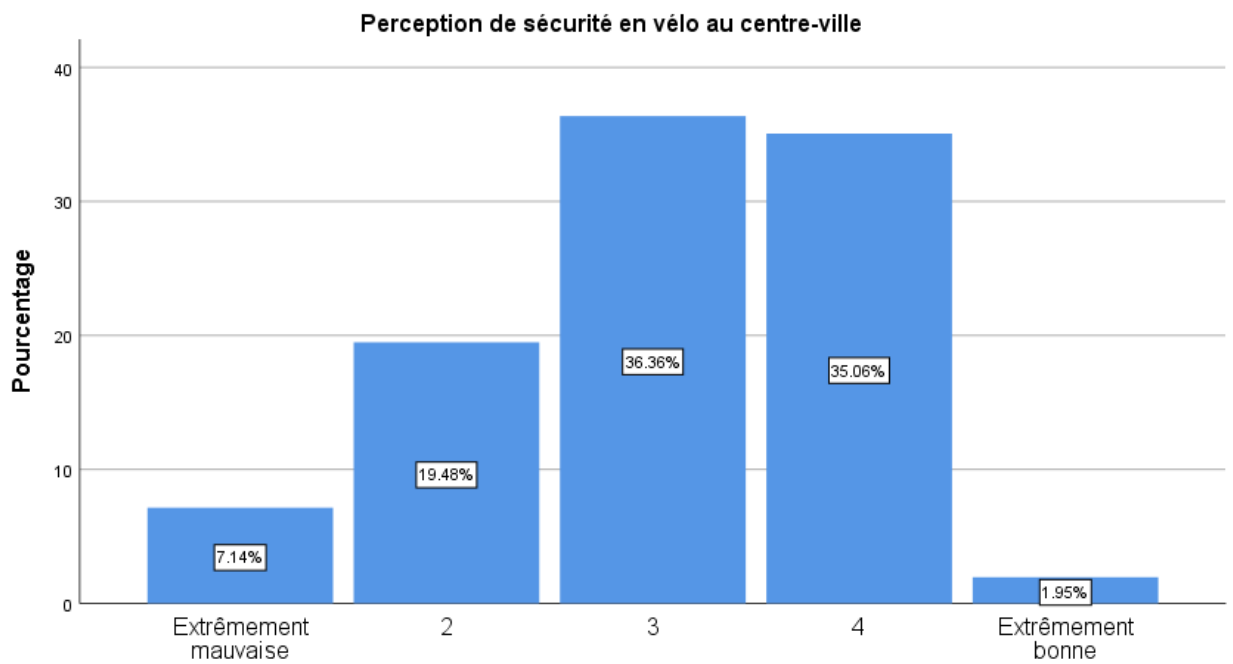

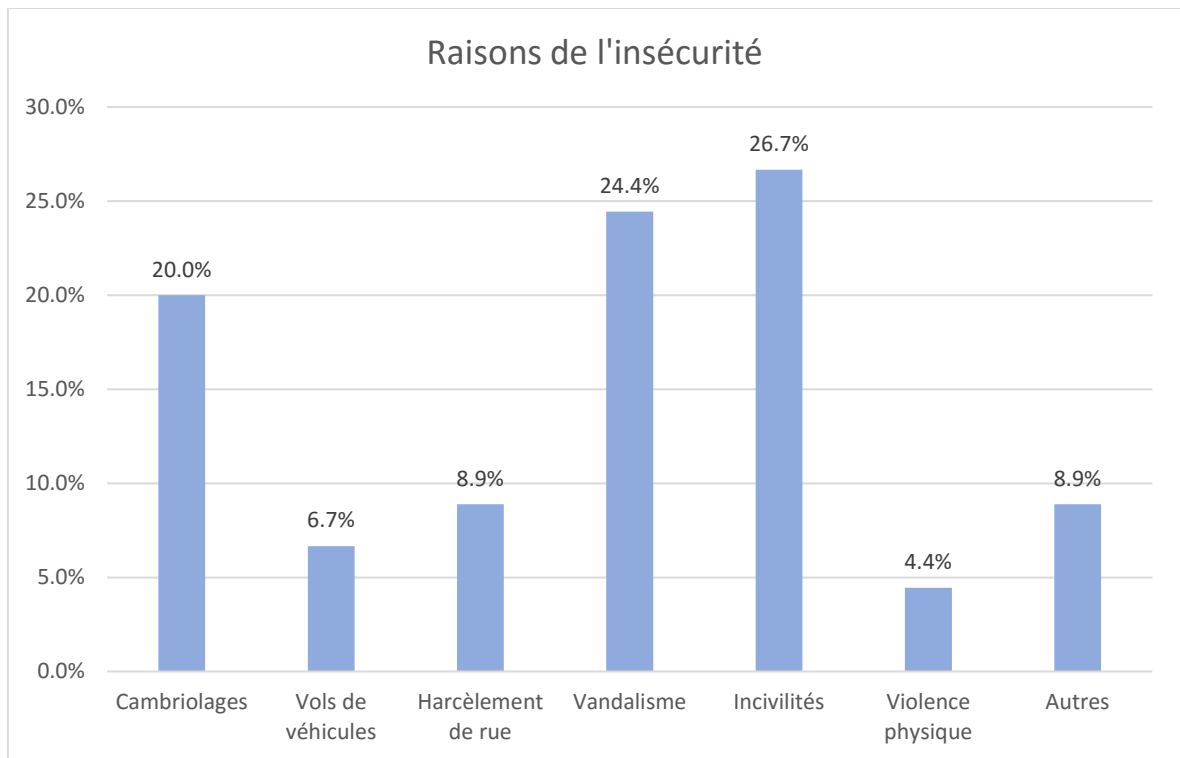

Nuisances des manifestations

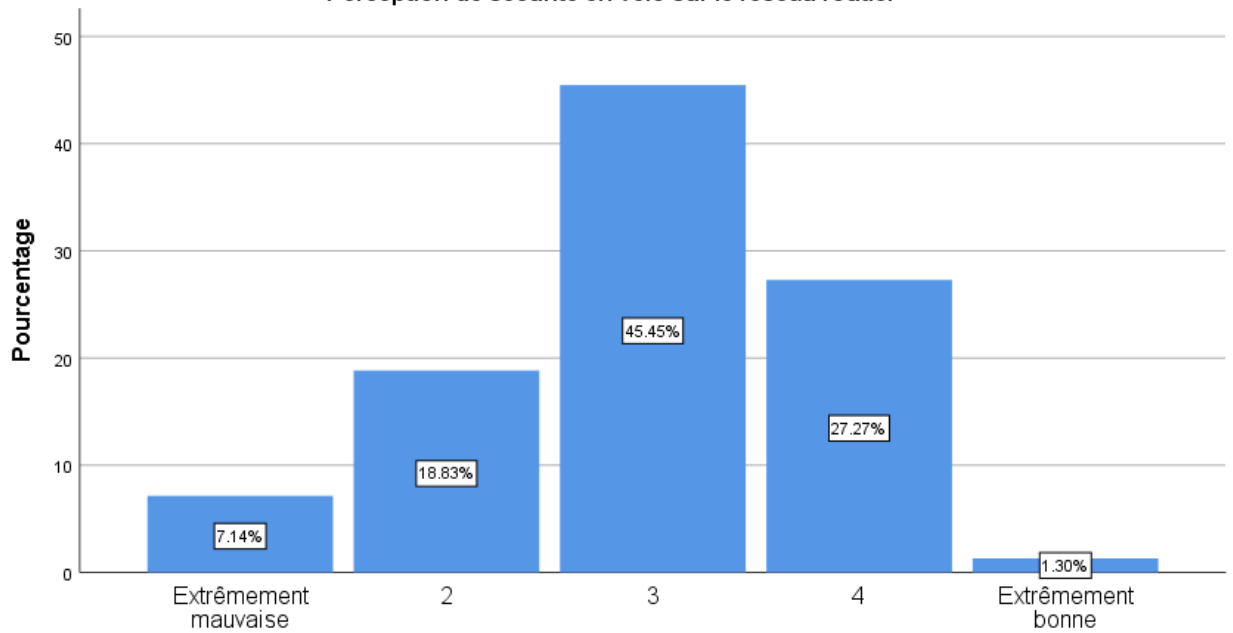

13) Sécurité

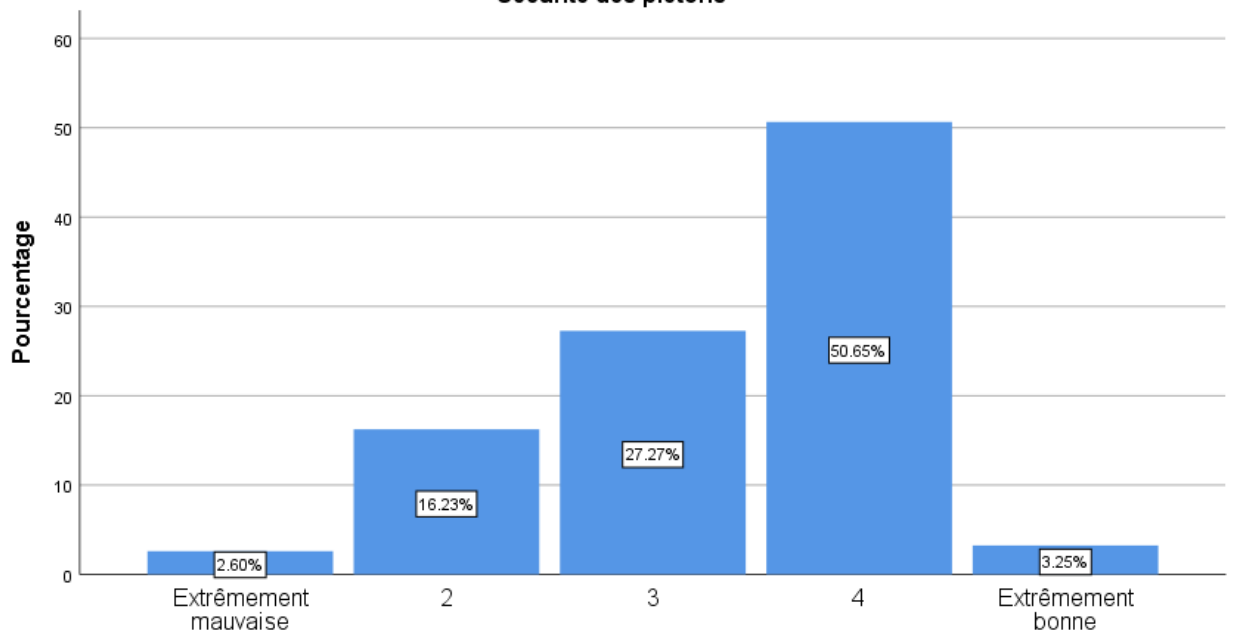

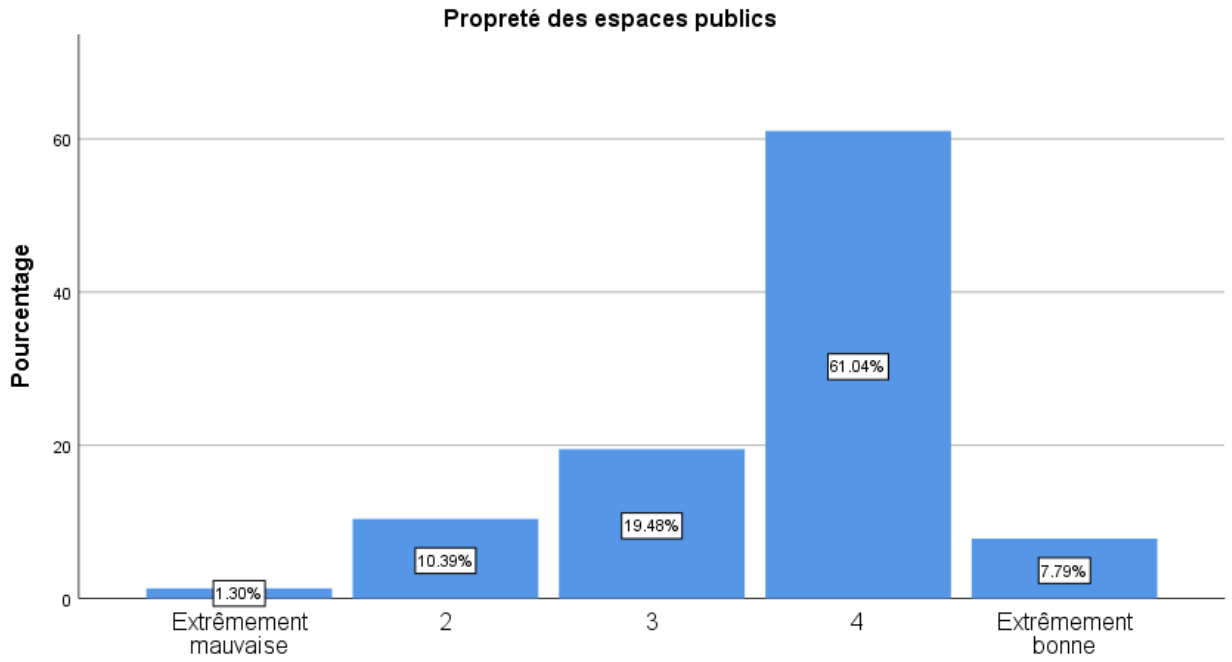

Perception de sécurité en vélo sur le réseau routier

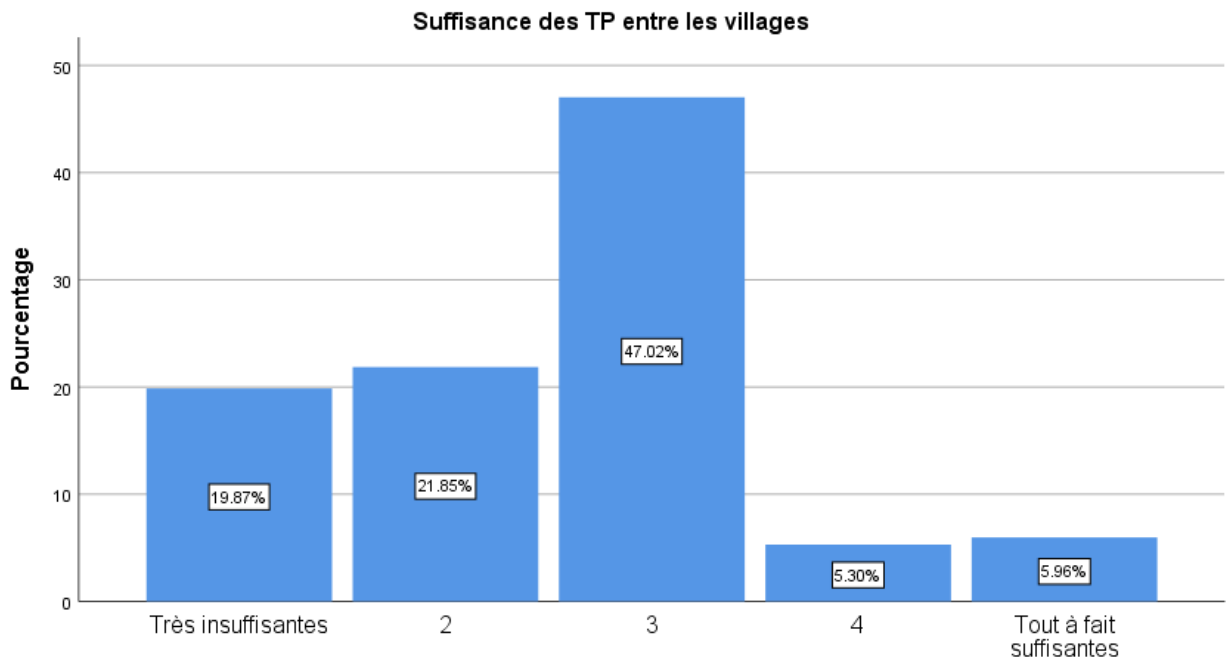

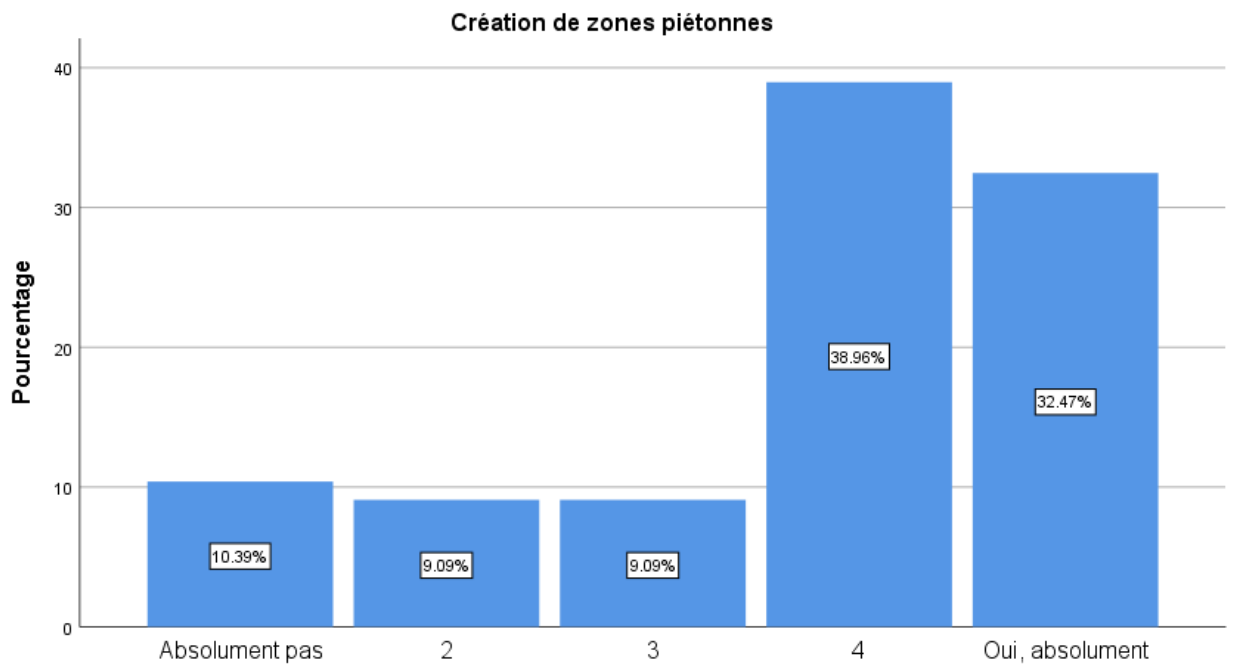

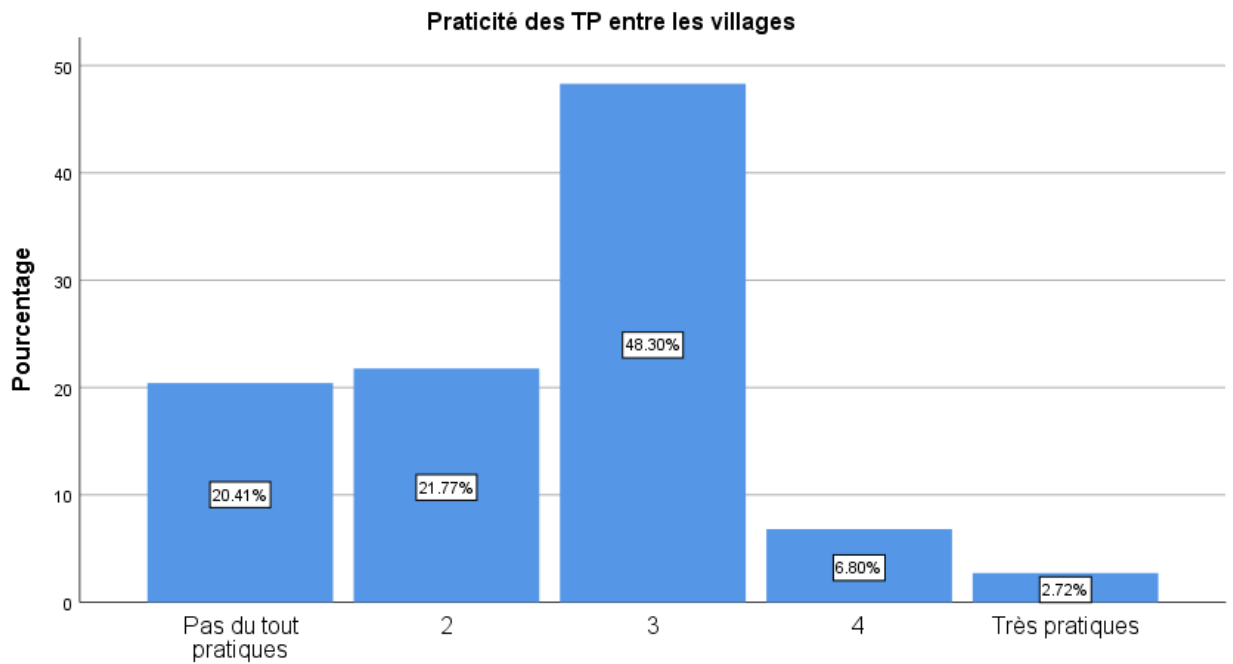

Sécurité des piétons

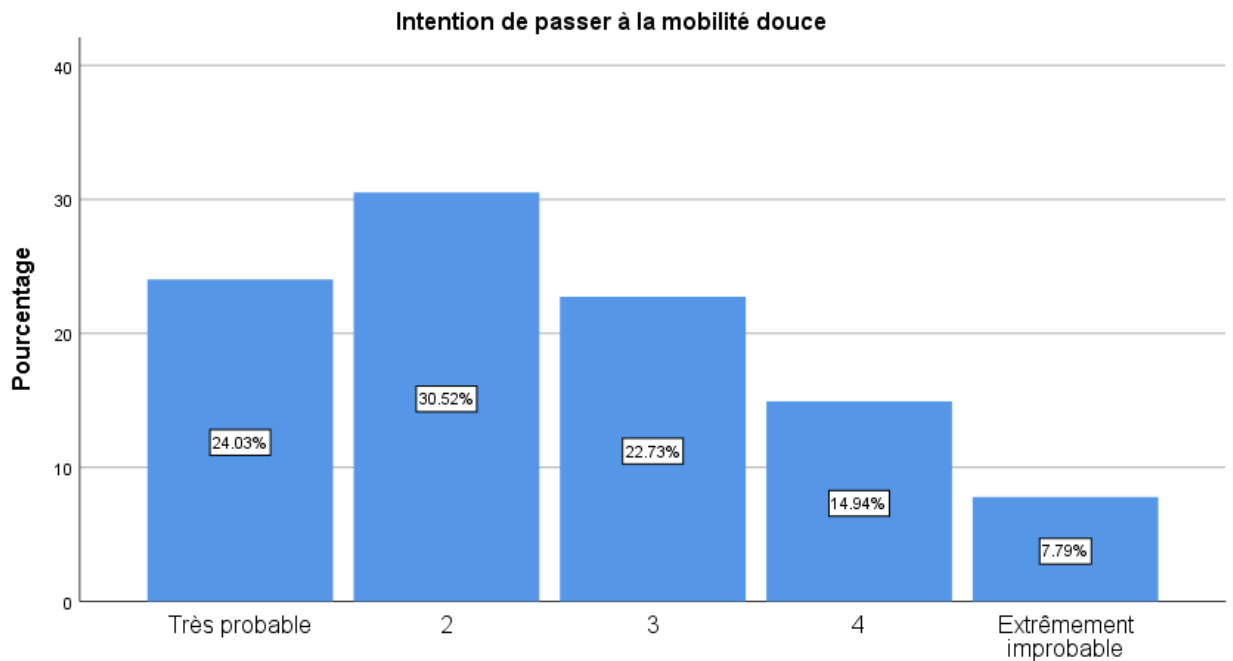

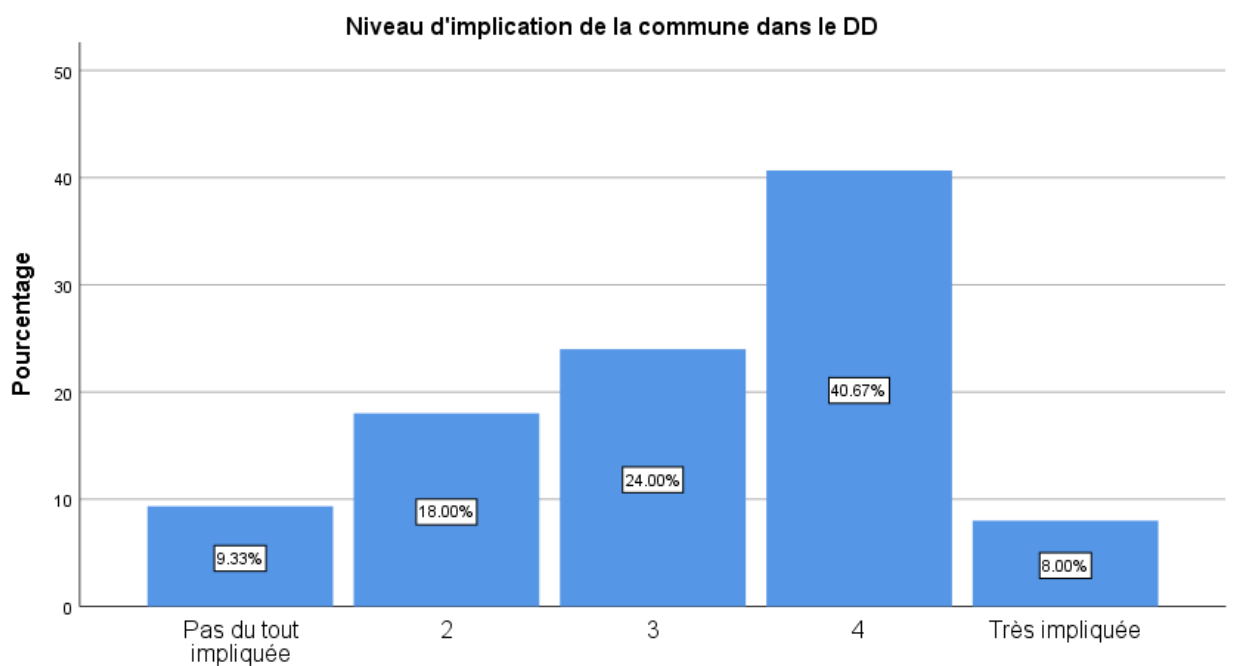

14) Mobilité

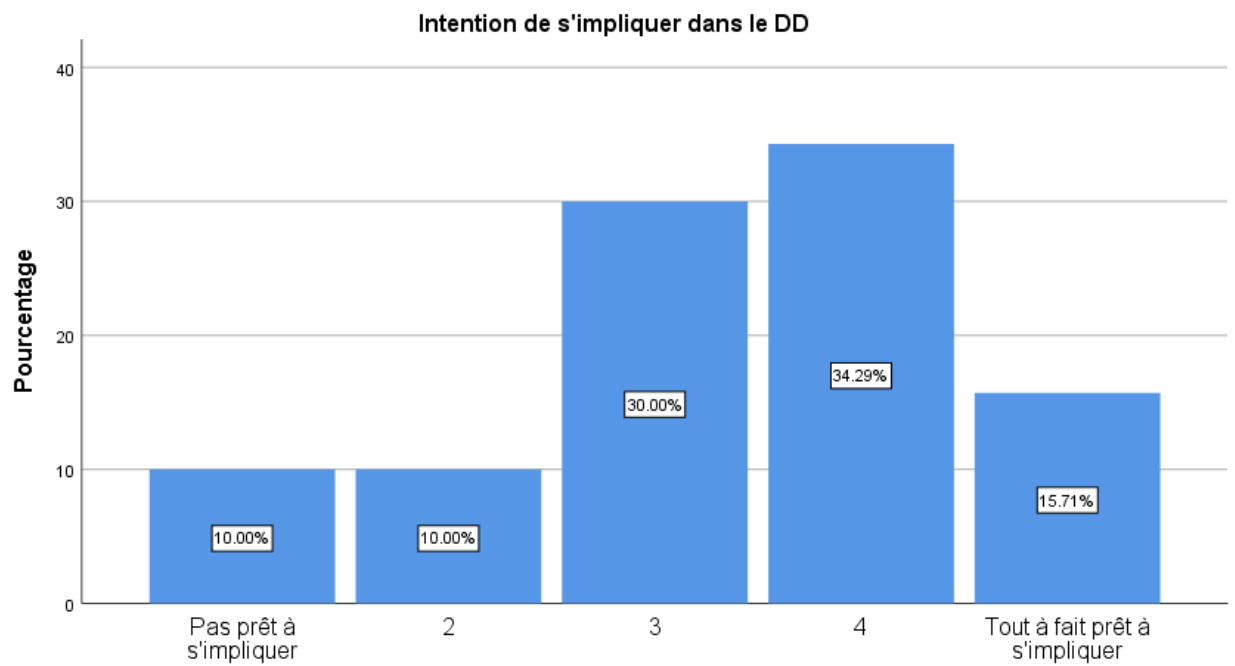

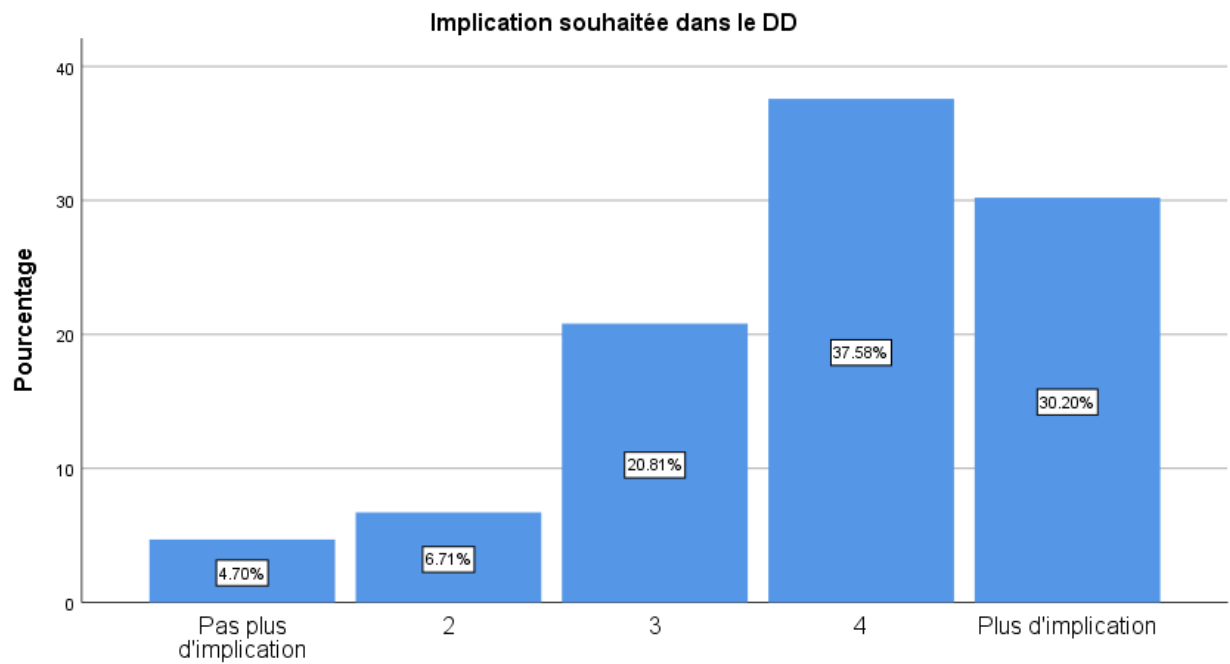

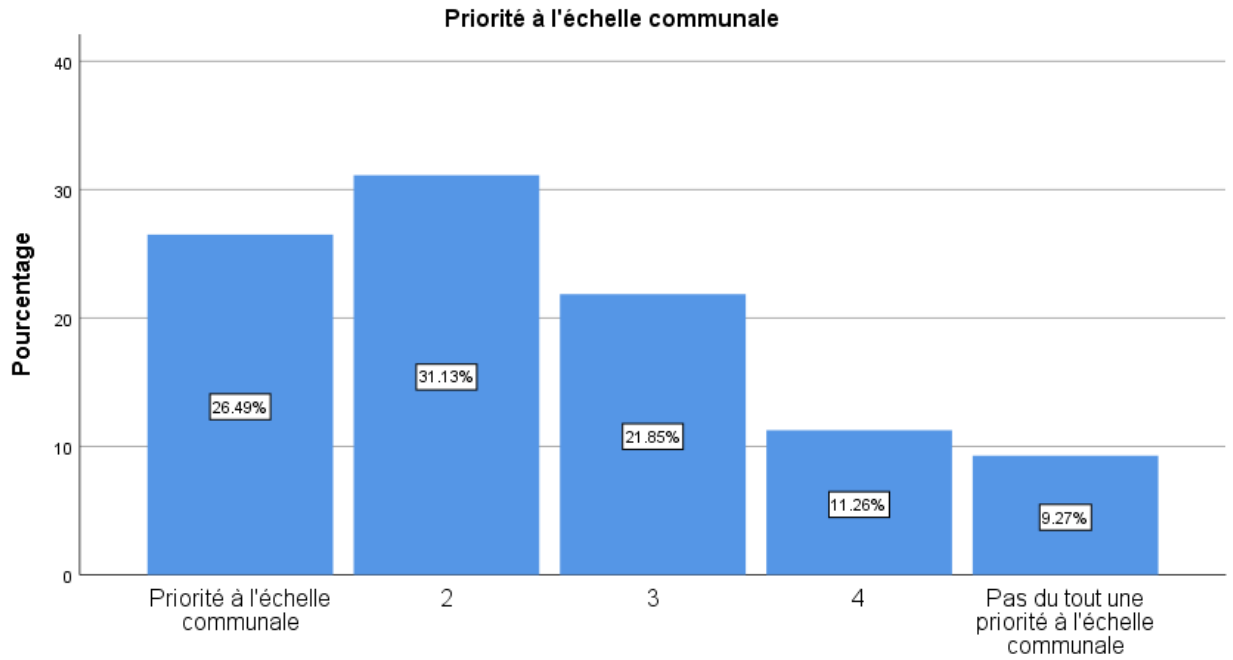

15) Développement durable

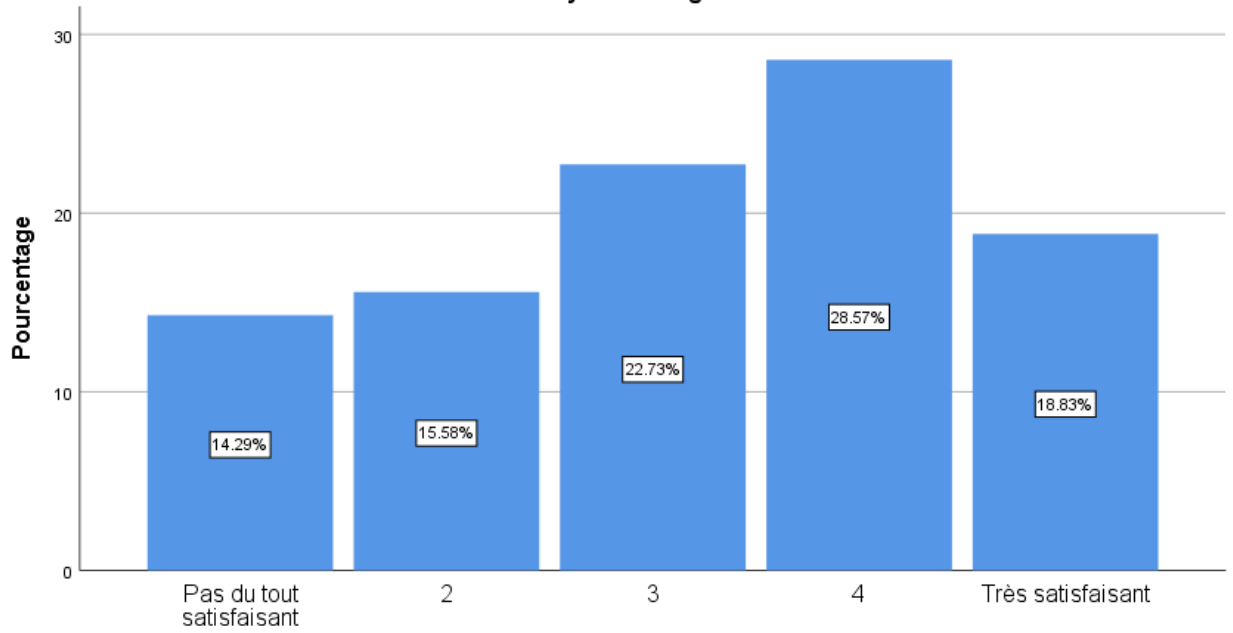

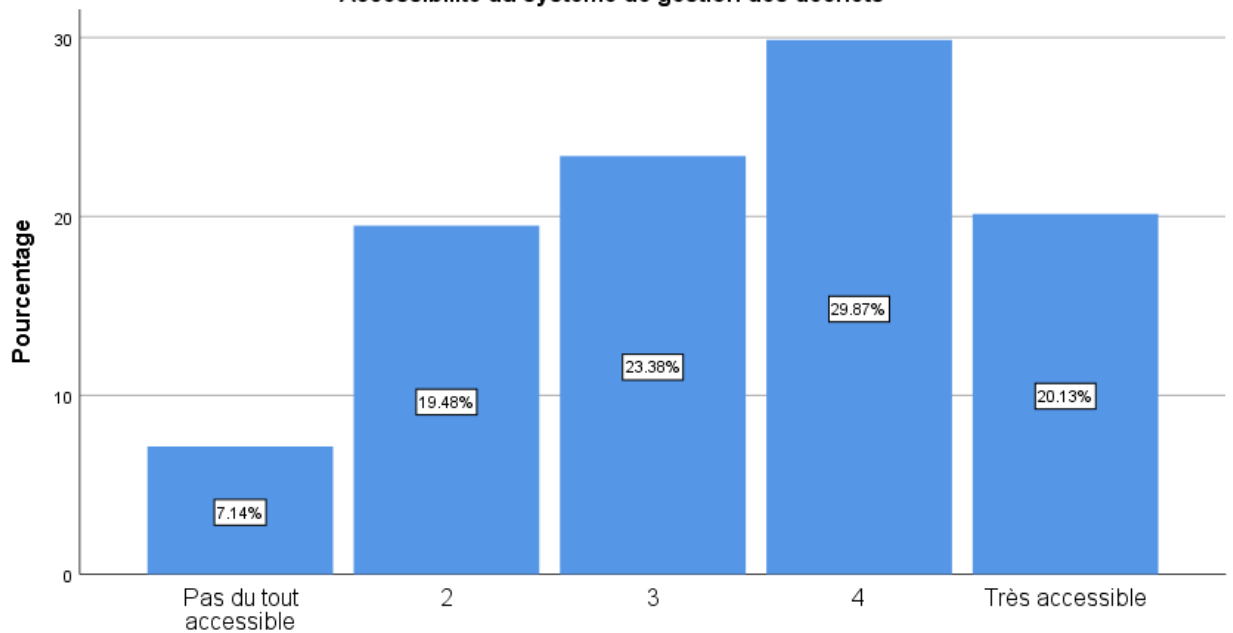

16) Système de gestion des déchets

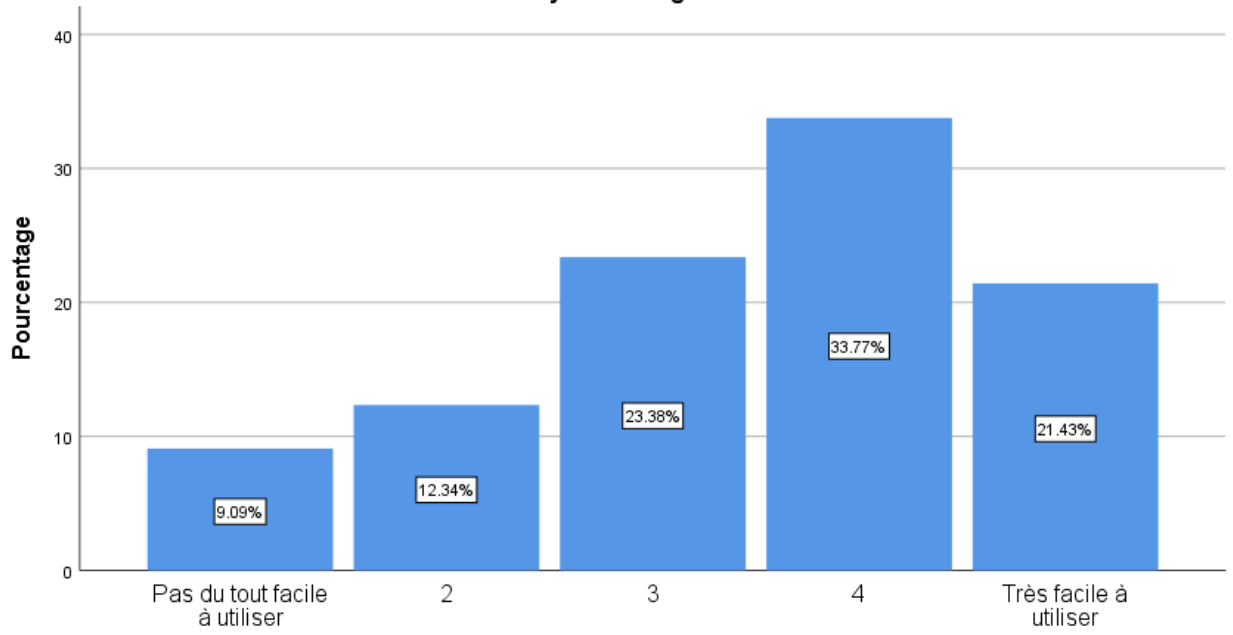

Satisfaction envers le système de gestion des déchets

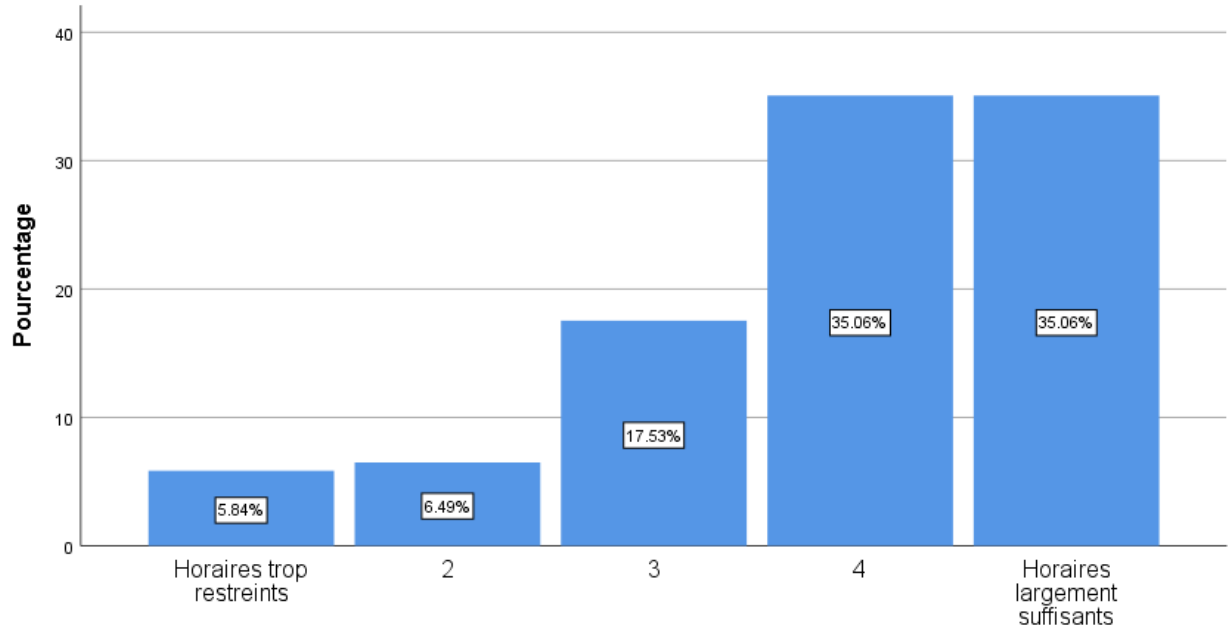

Accessibilité du système de gestion des déchets

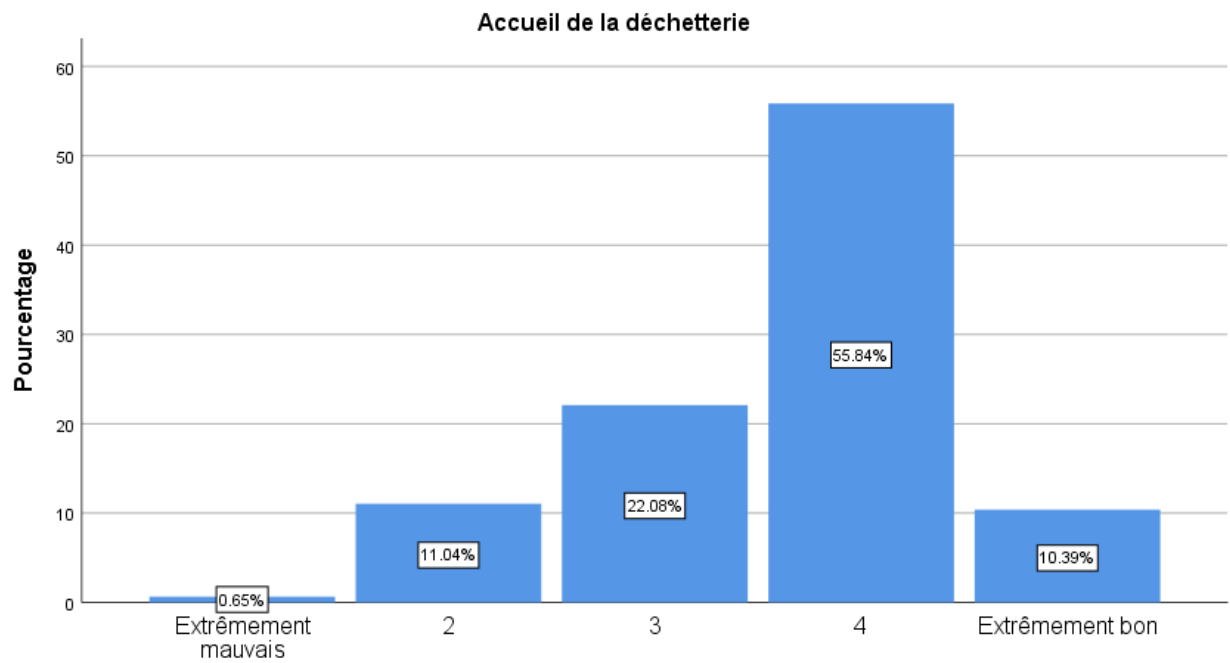

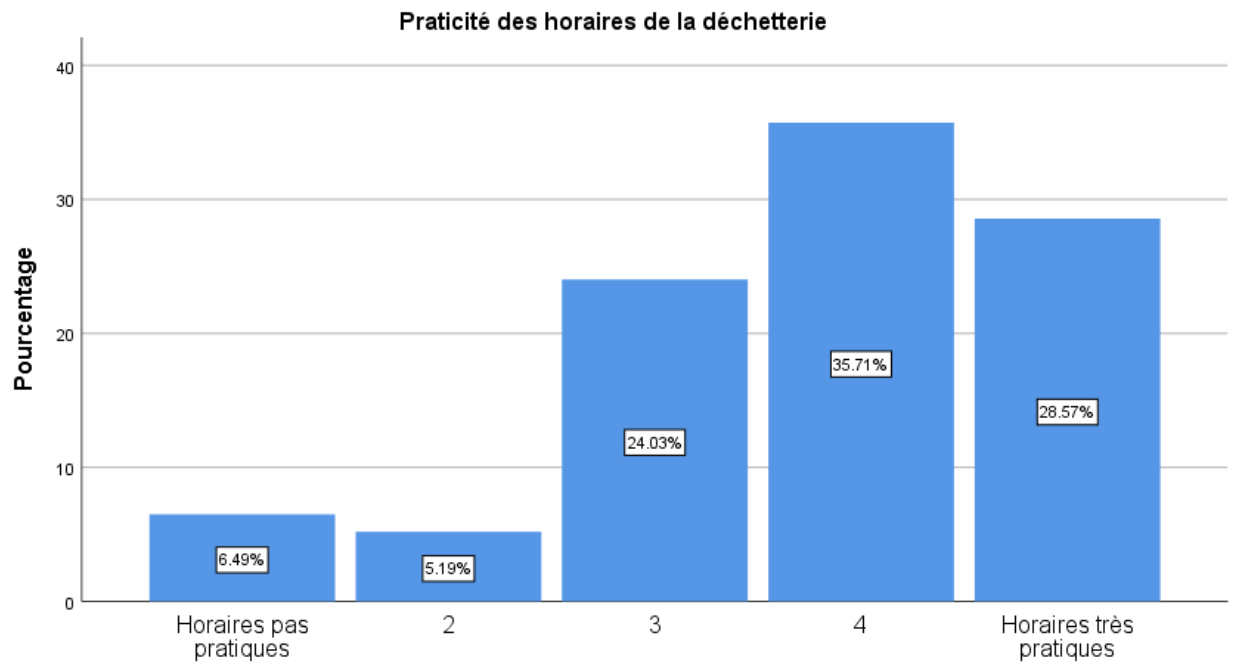

Facilité à utiliser le système de gestion des déchets

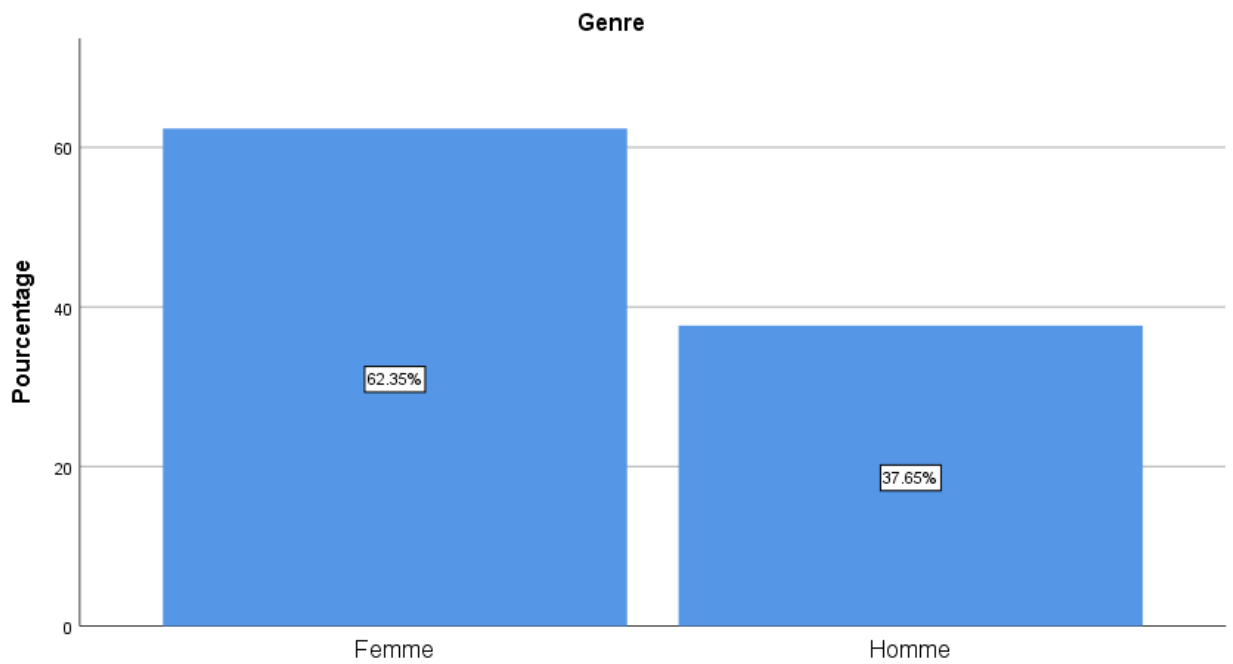

Etendue des horaires de la déchetterie

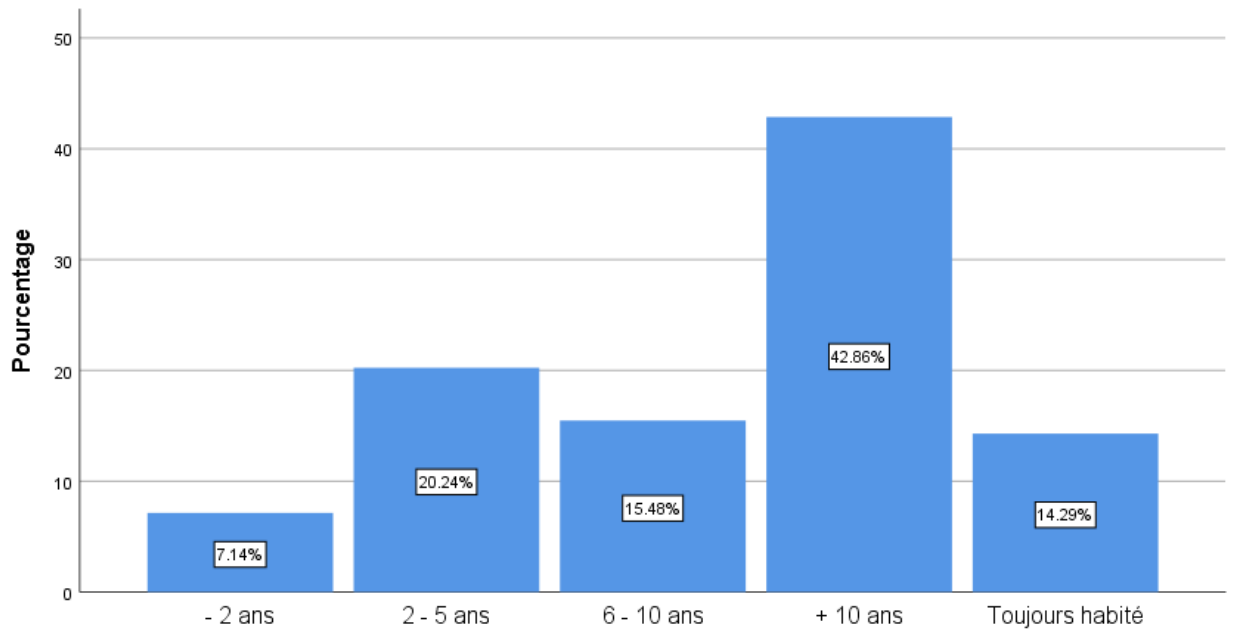

B. Population 66 ans et plus

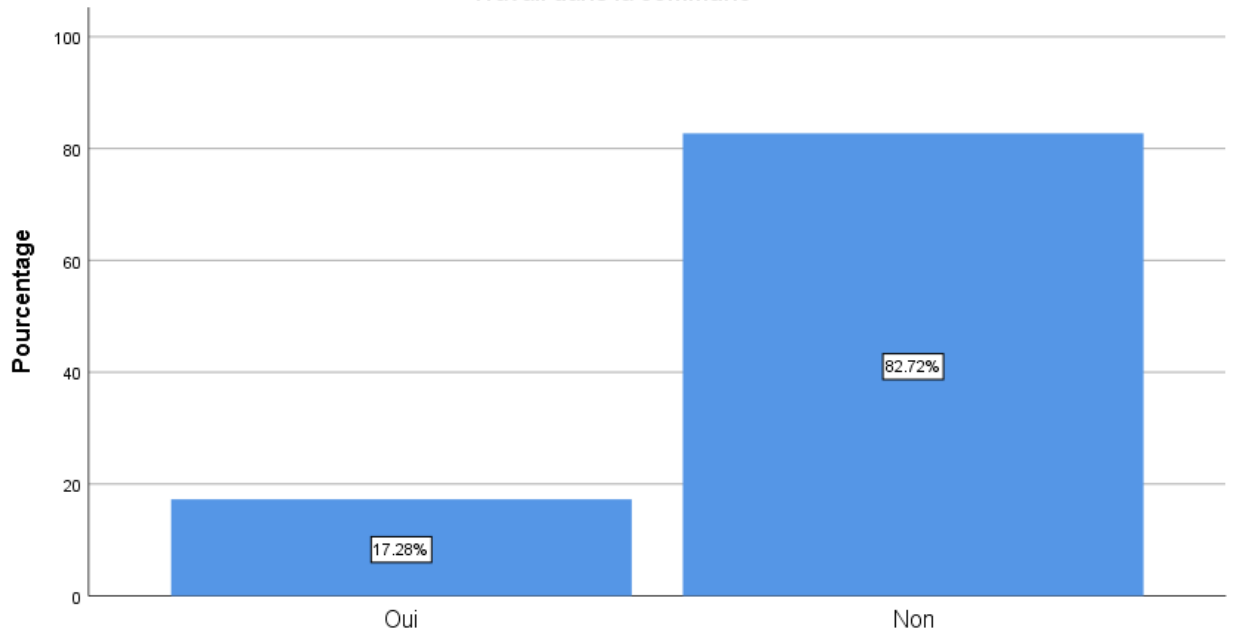

1) Caractéristiques socio-démographiques

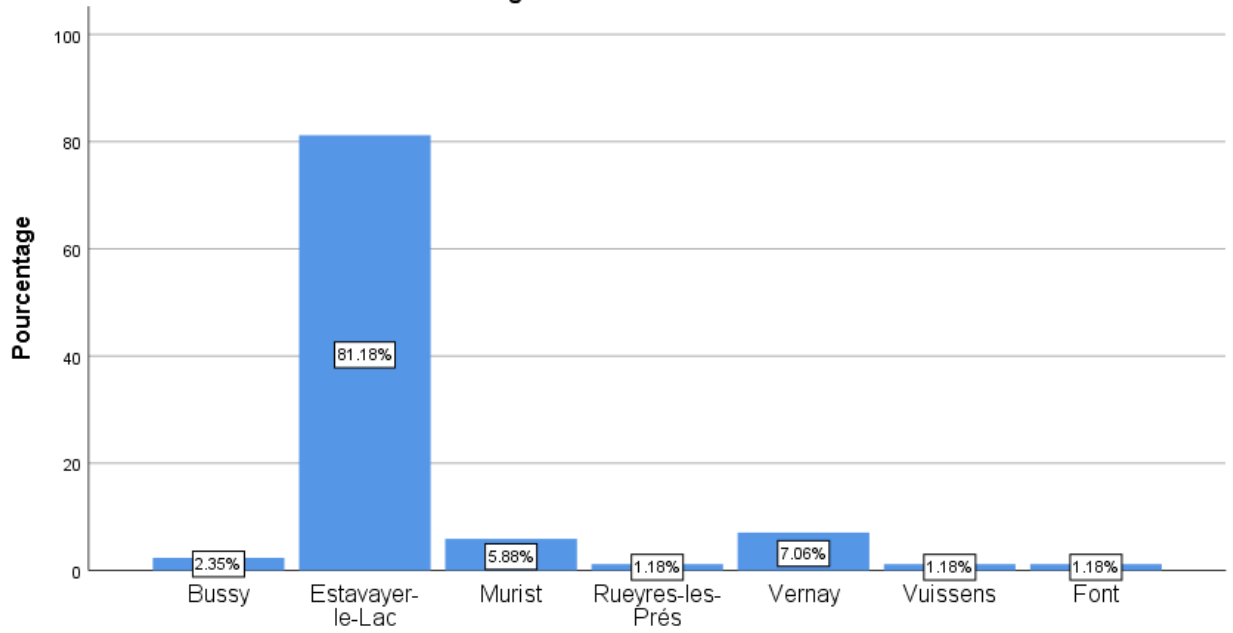

Années dans la commune

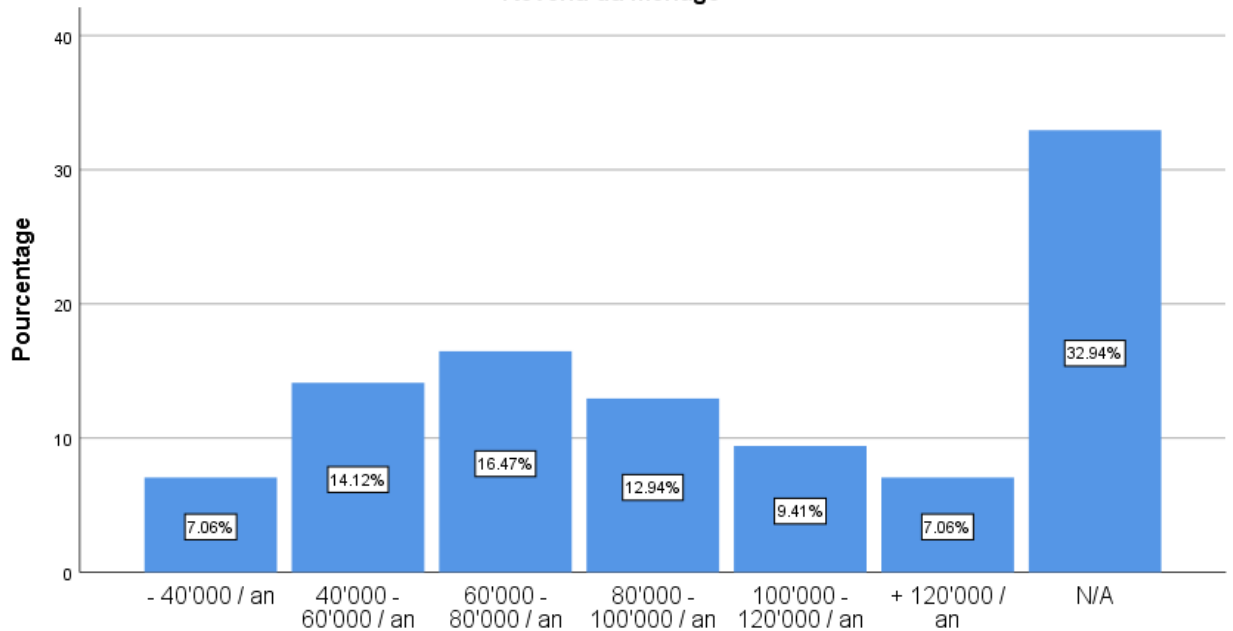

Travail dans la commune

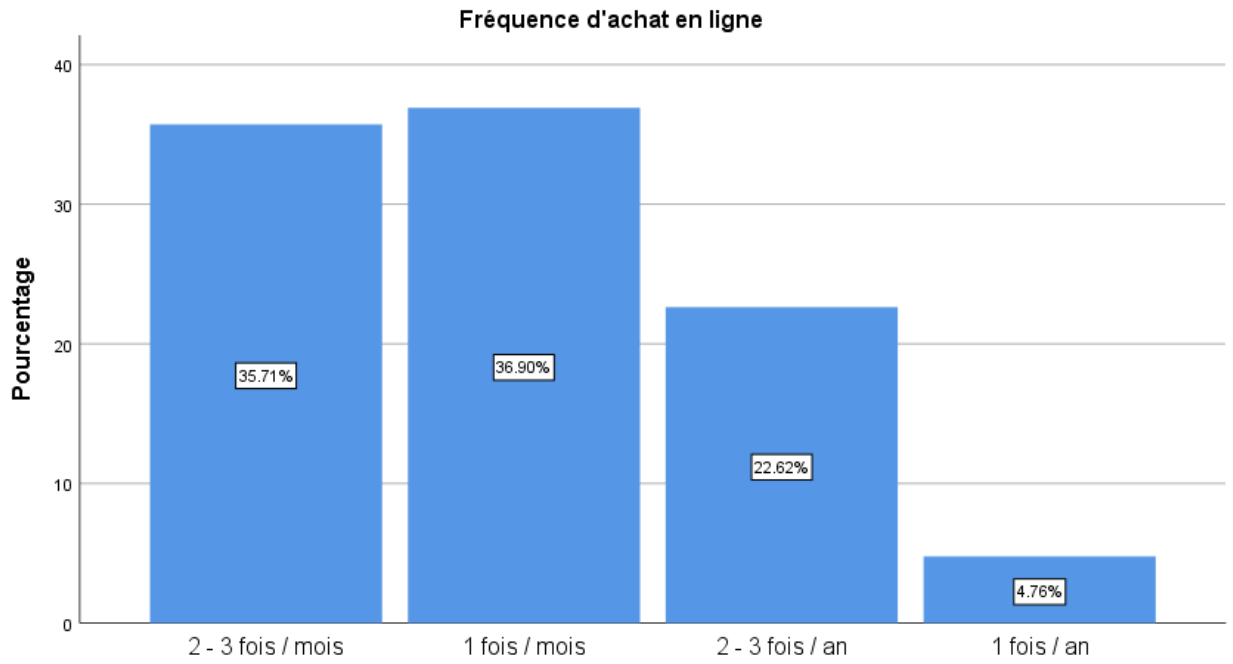

Village / ville où ils habitent

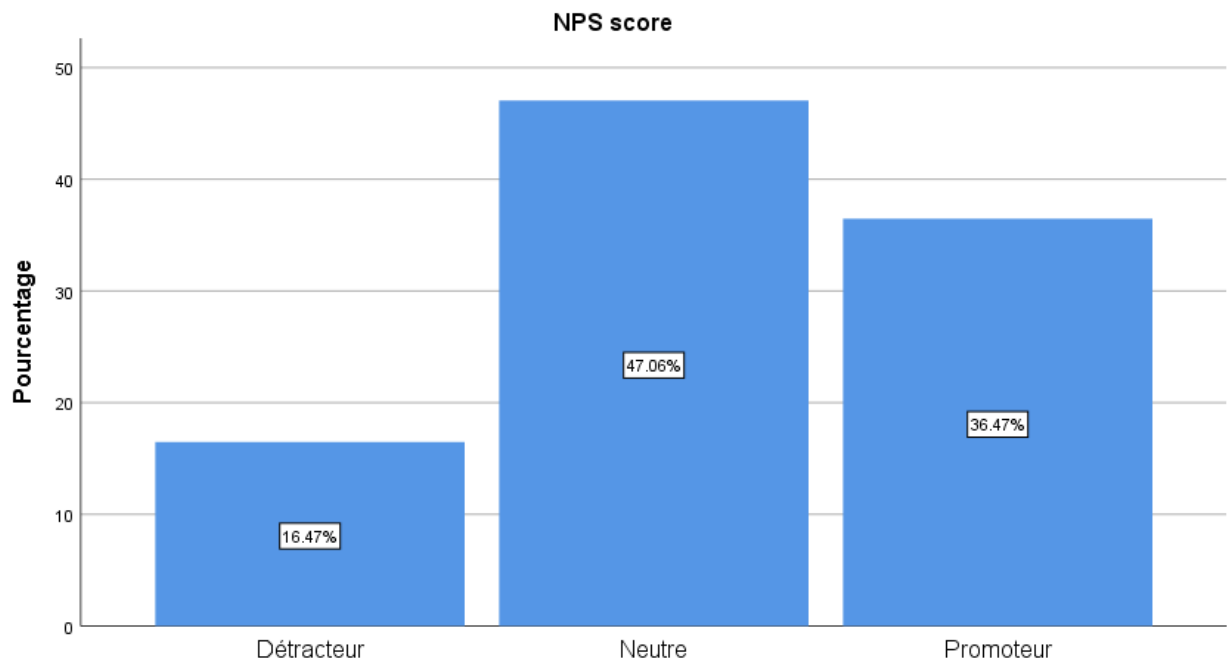

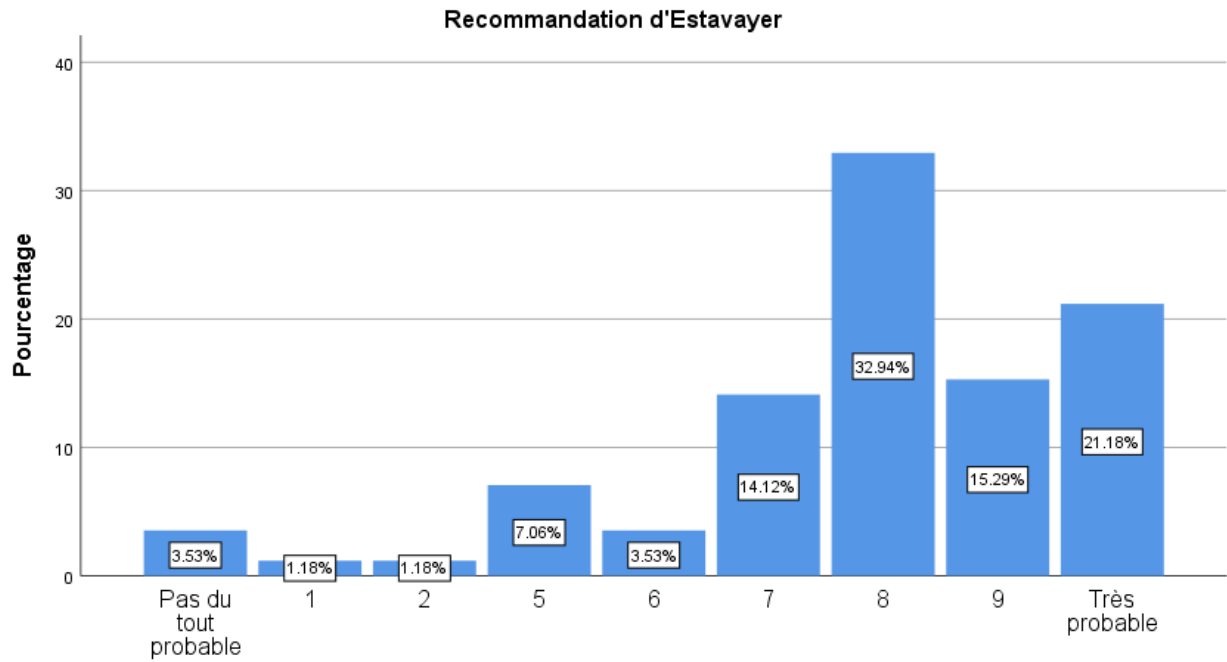

Revenu du ménage

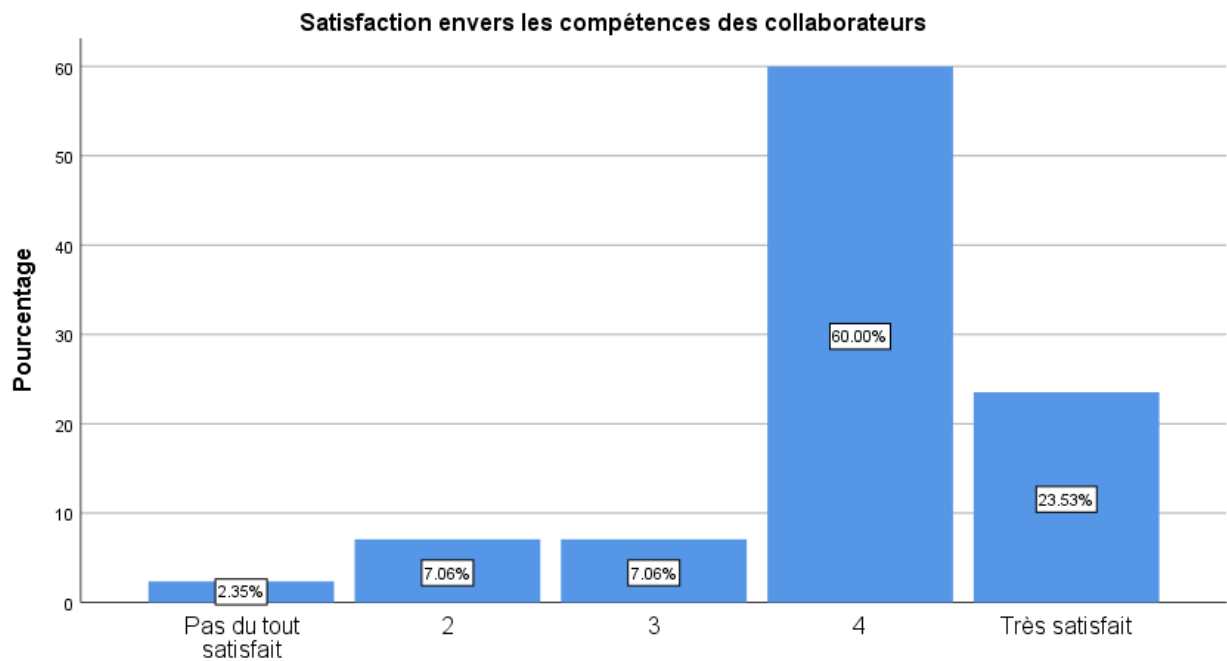

2) NPS score

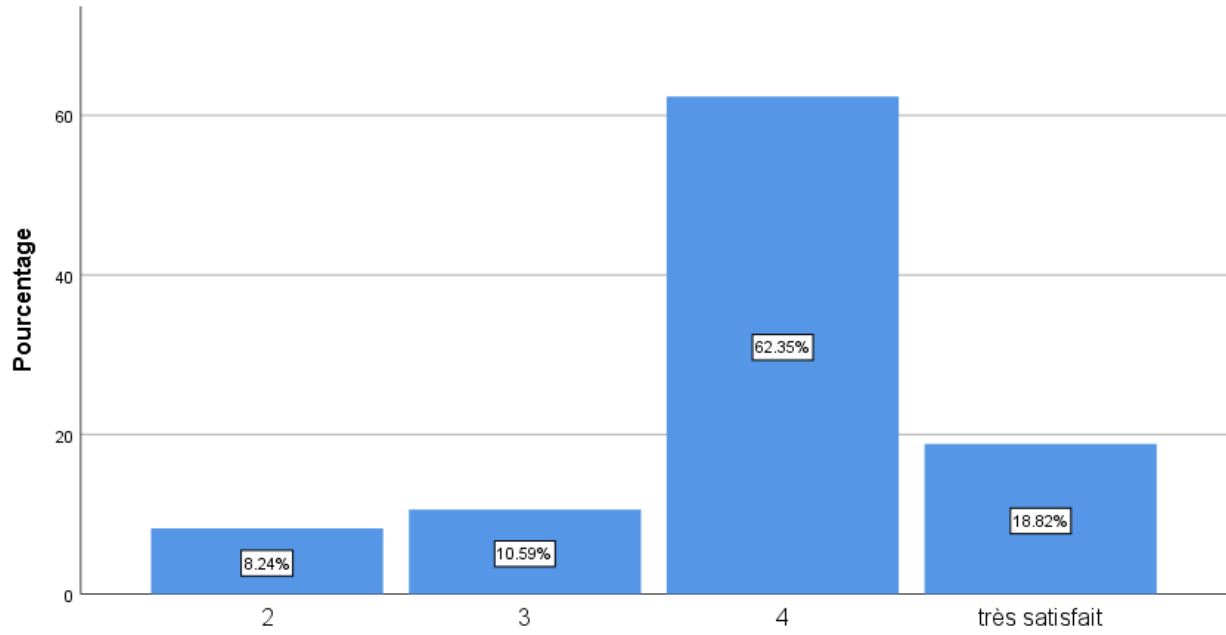

3) Collaborateurs communaux

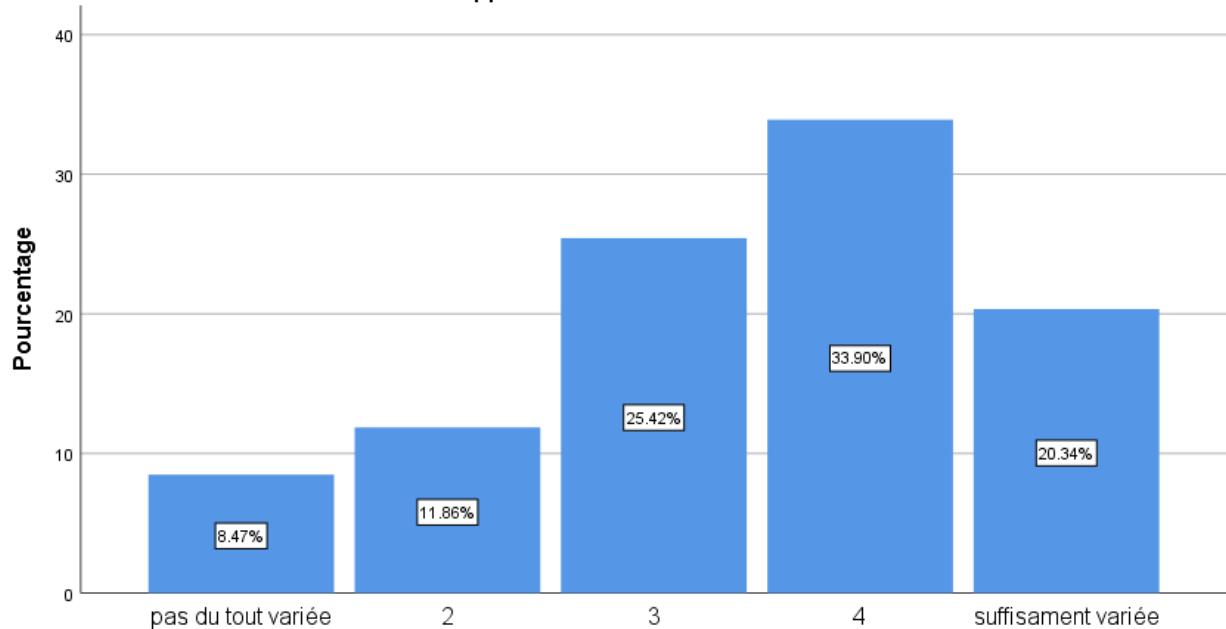

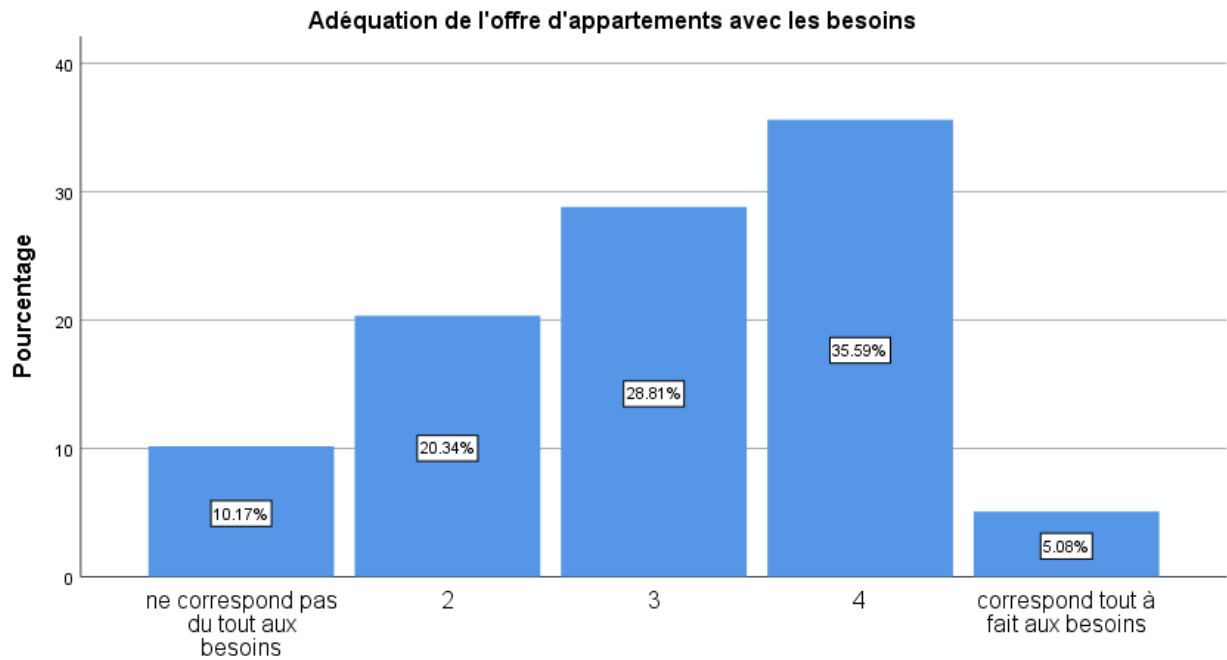

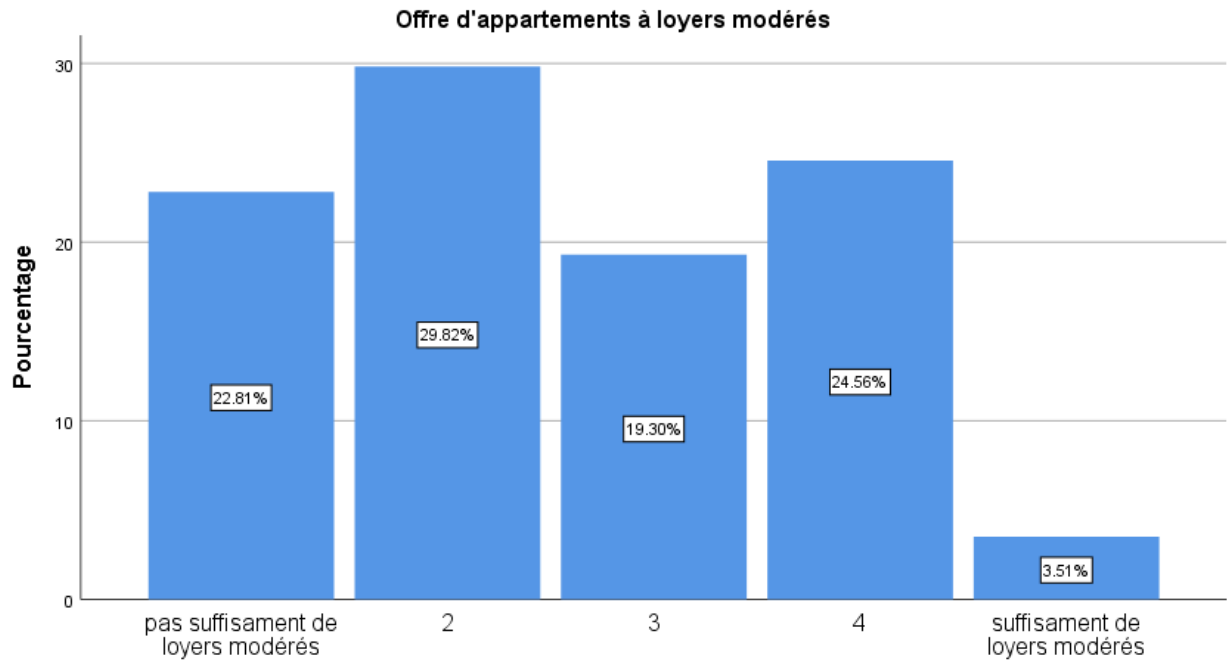

Satisfaction envers la convivialité des collaborateurs

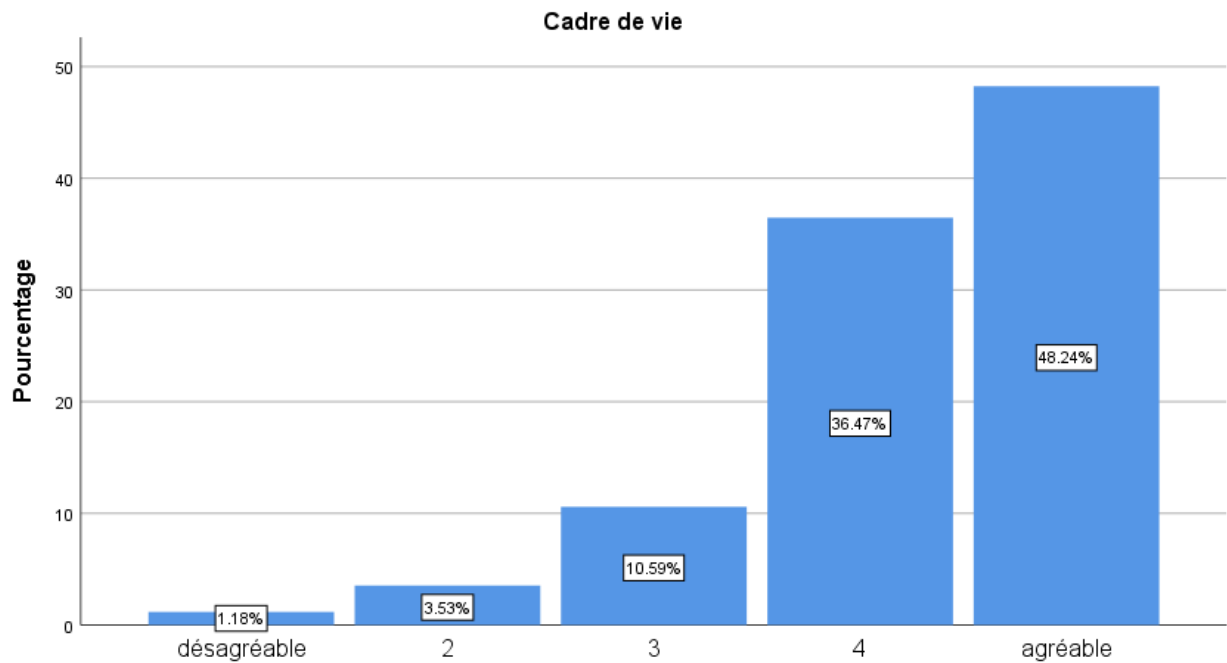

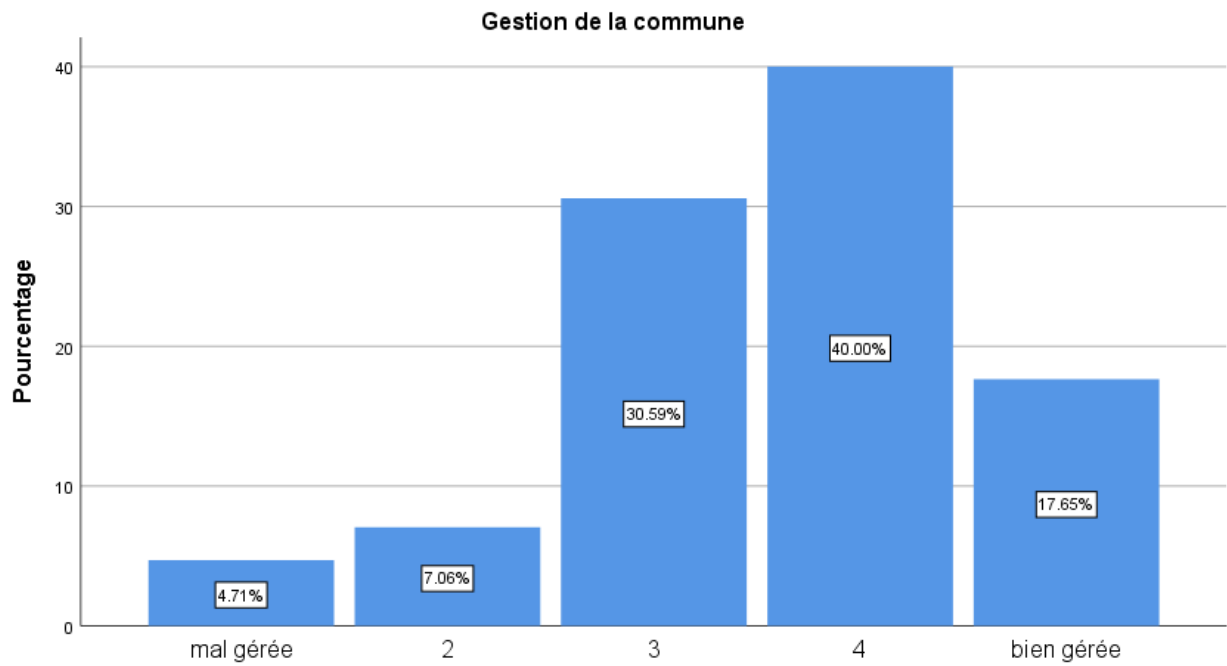

4) Logements

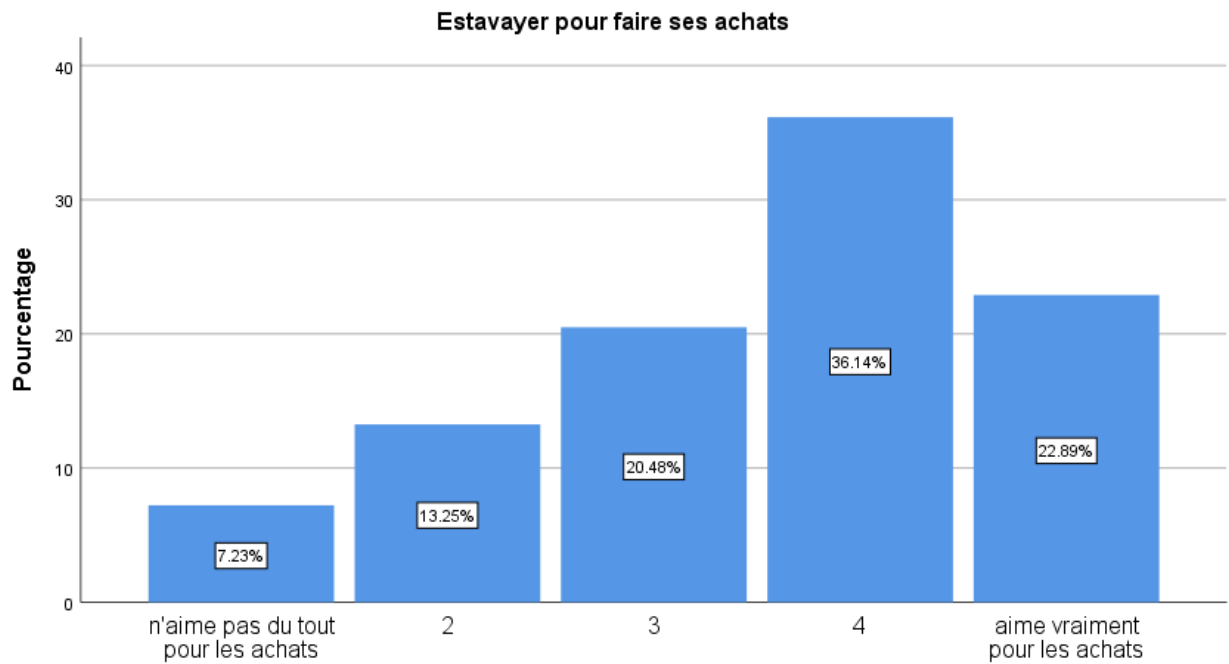

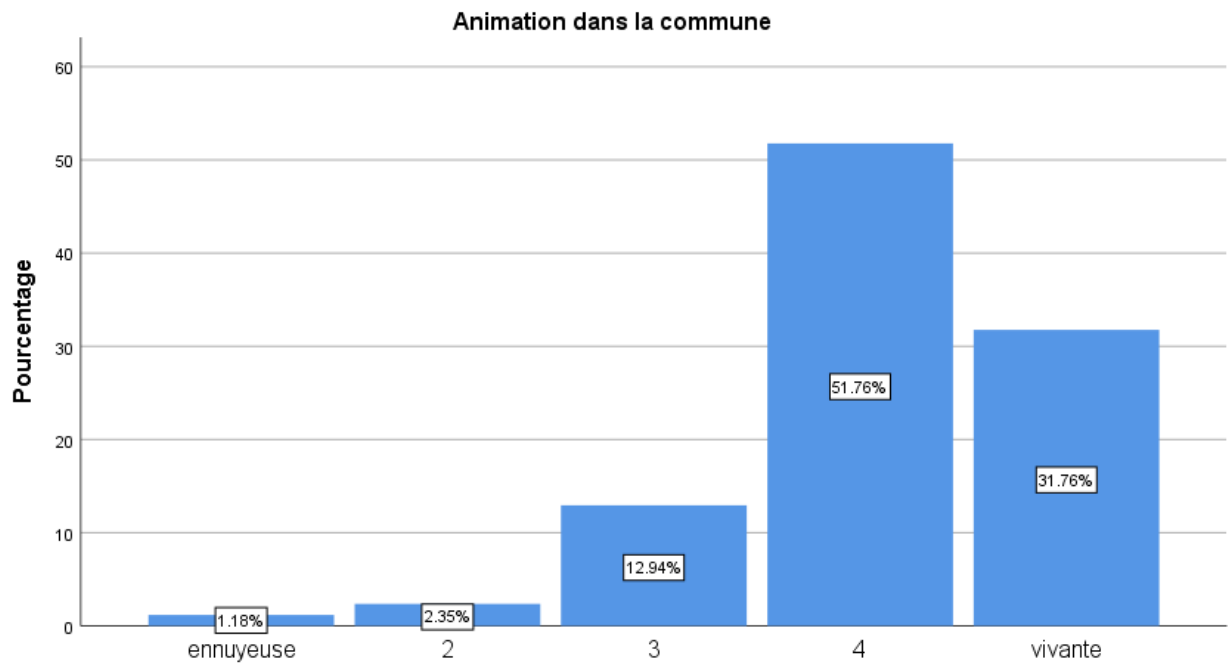

Offre d'appartements suffisamment variée

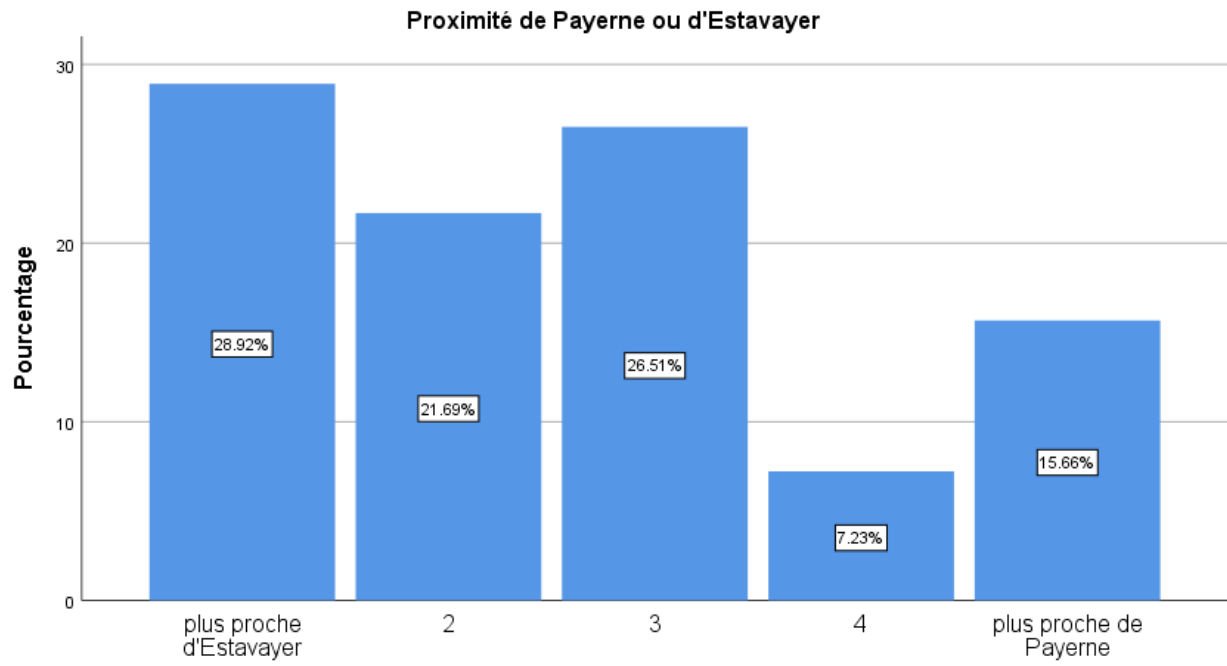

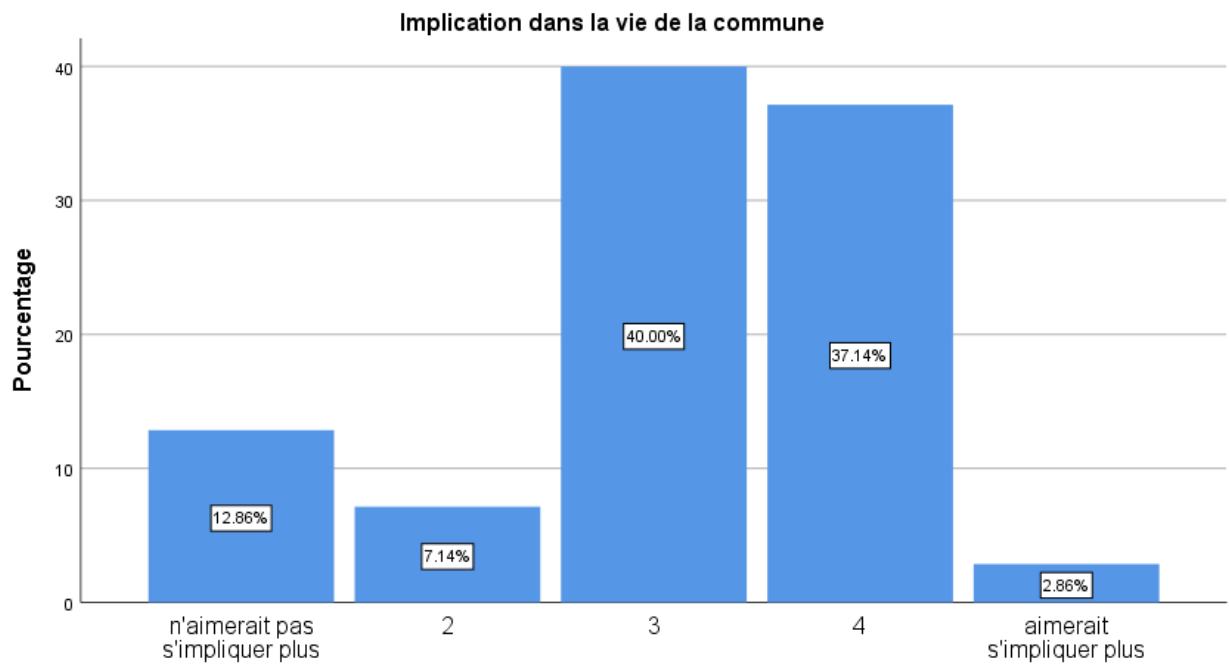

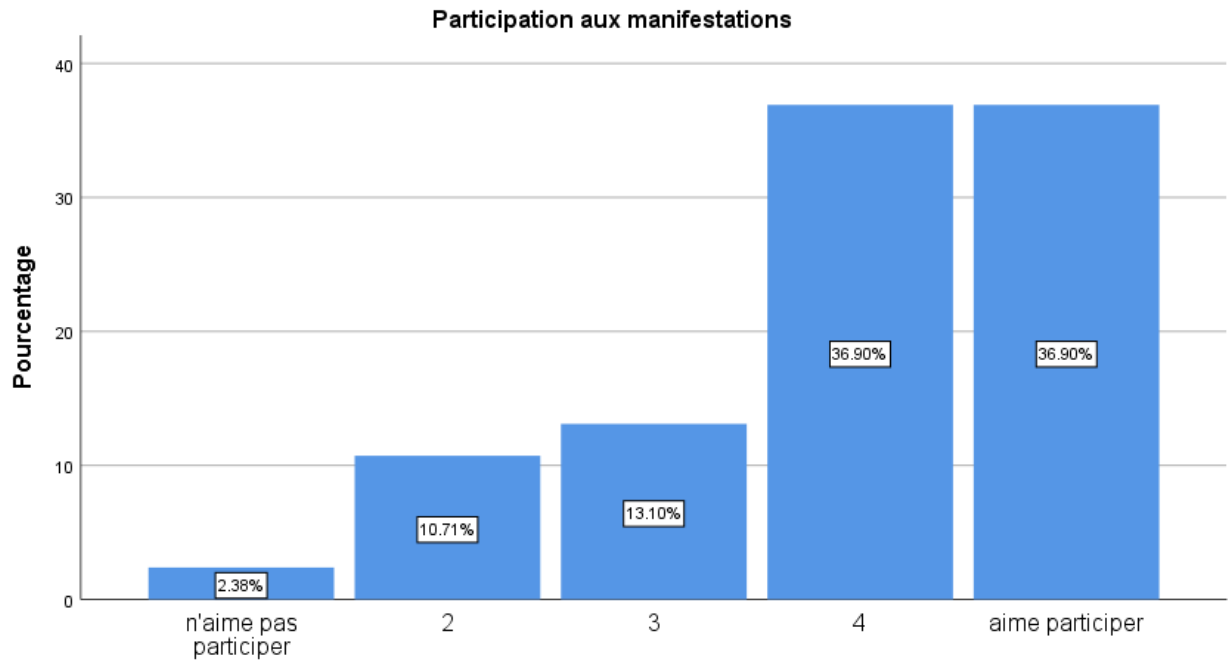

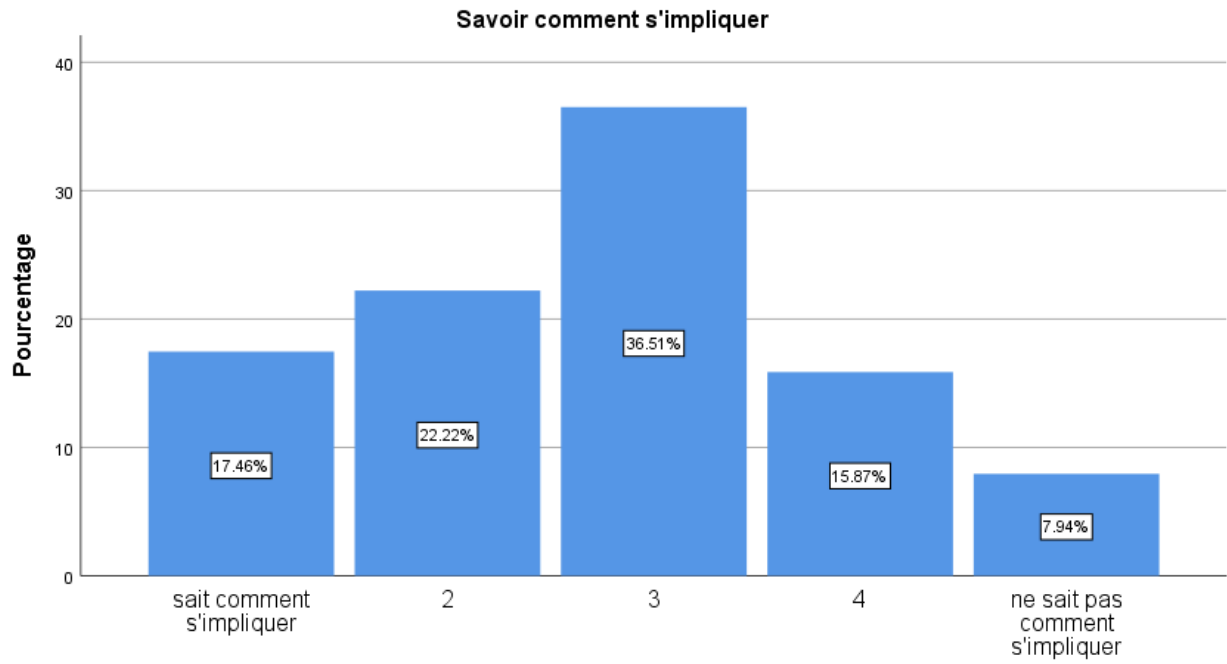

5) Impression générale de la commune

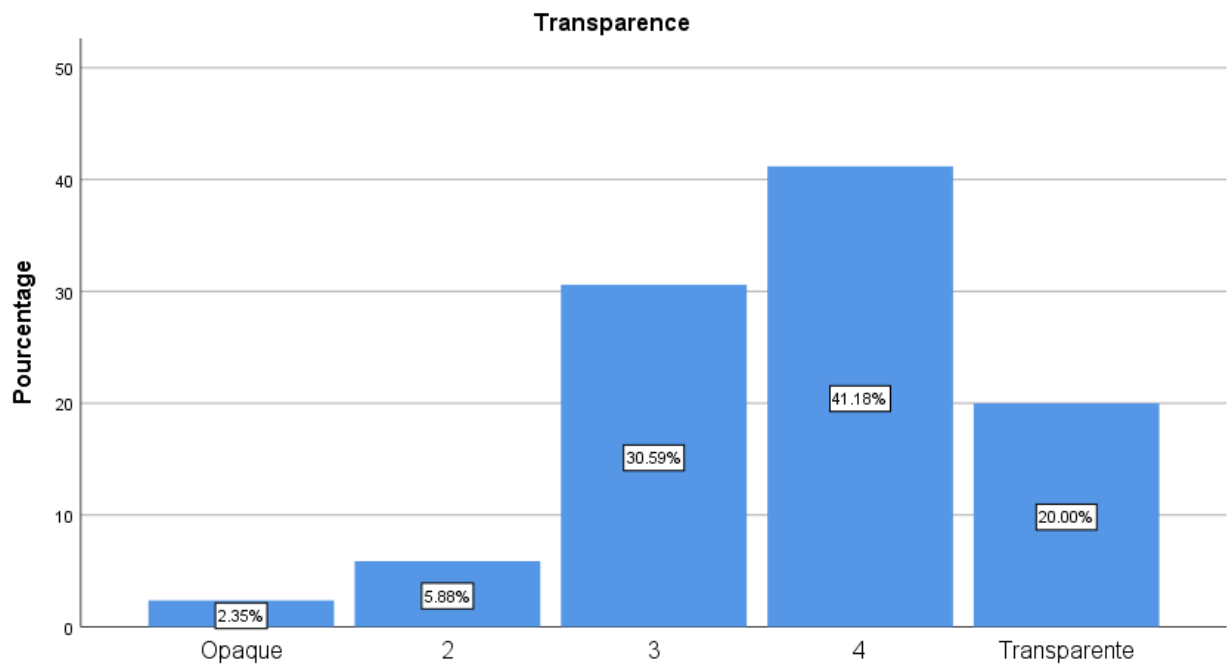

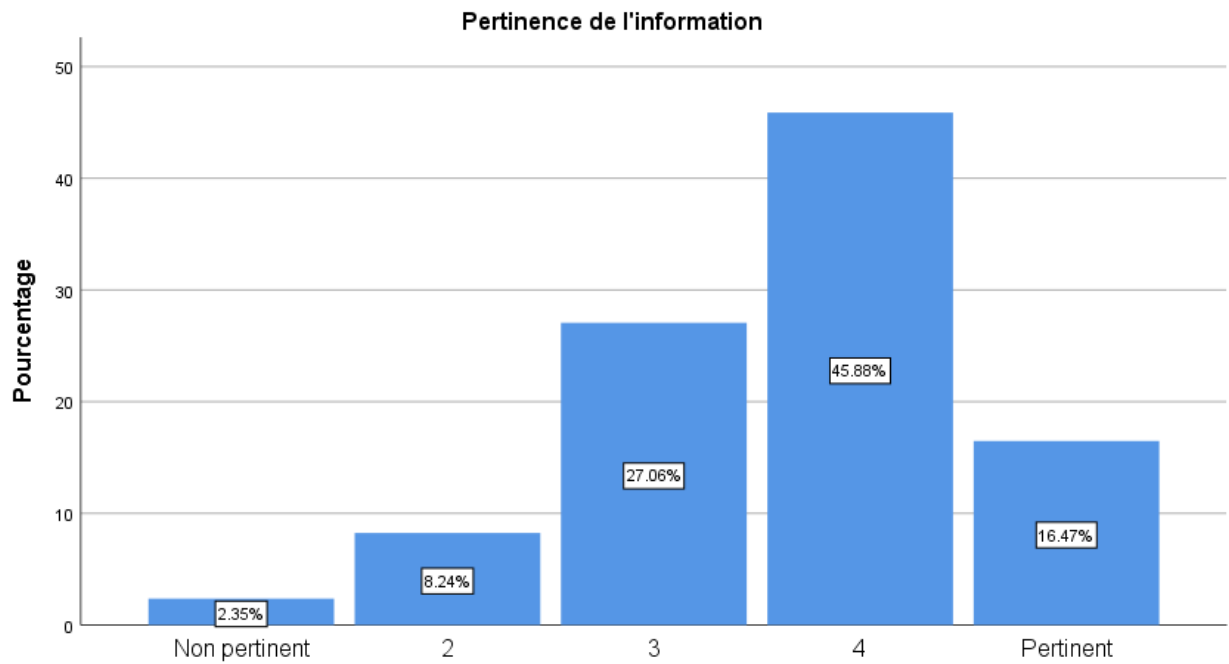

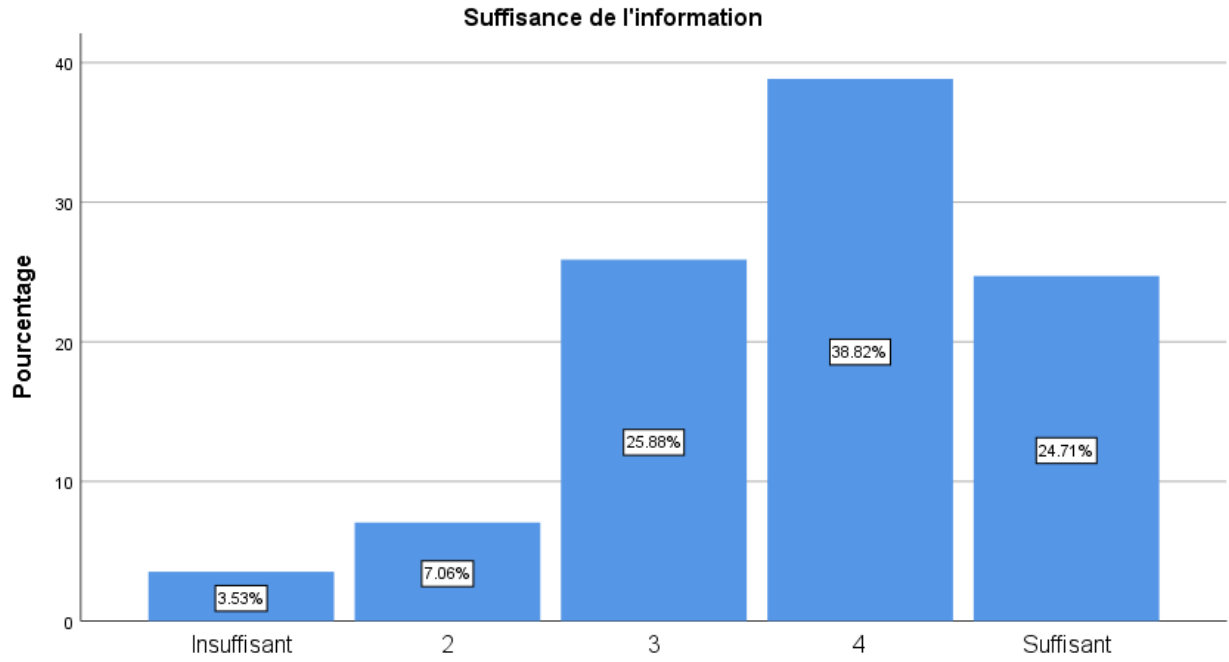

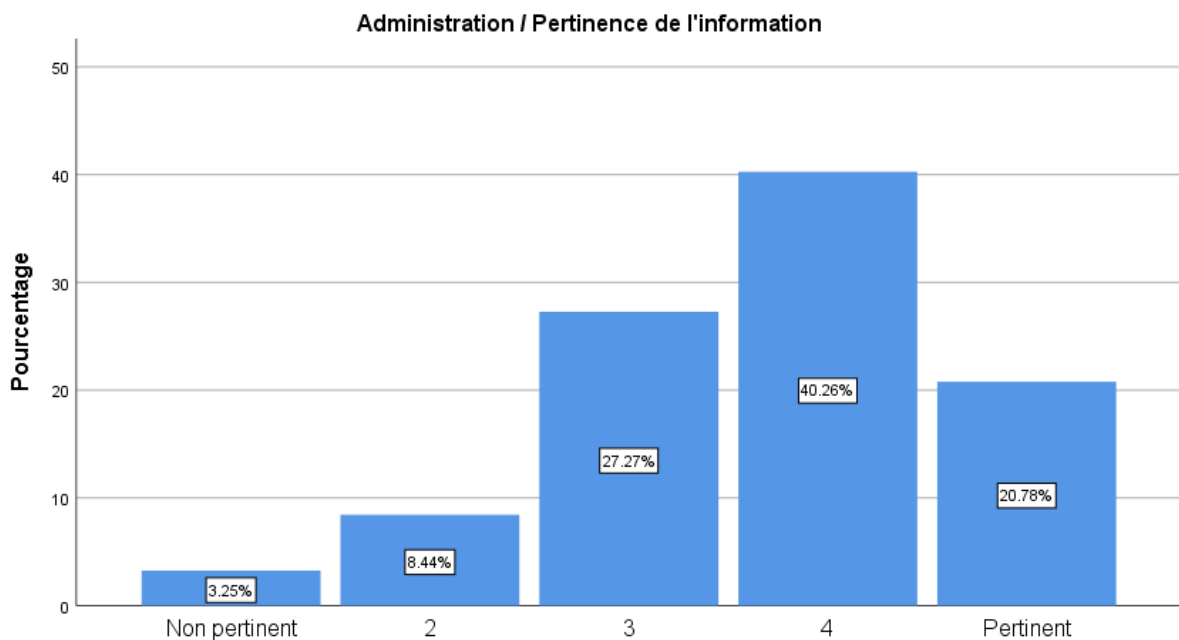

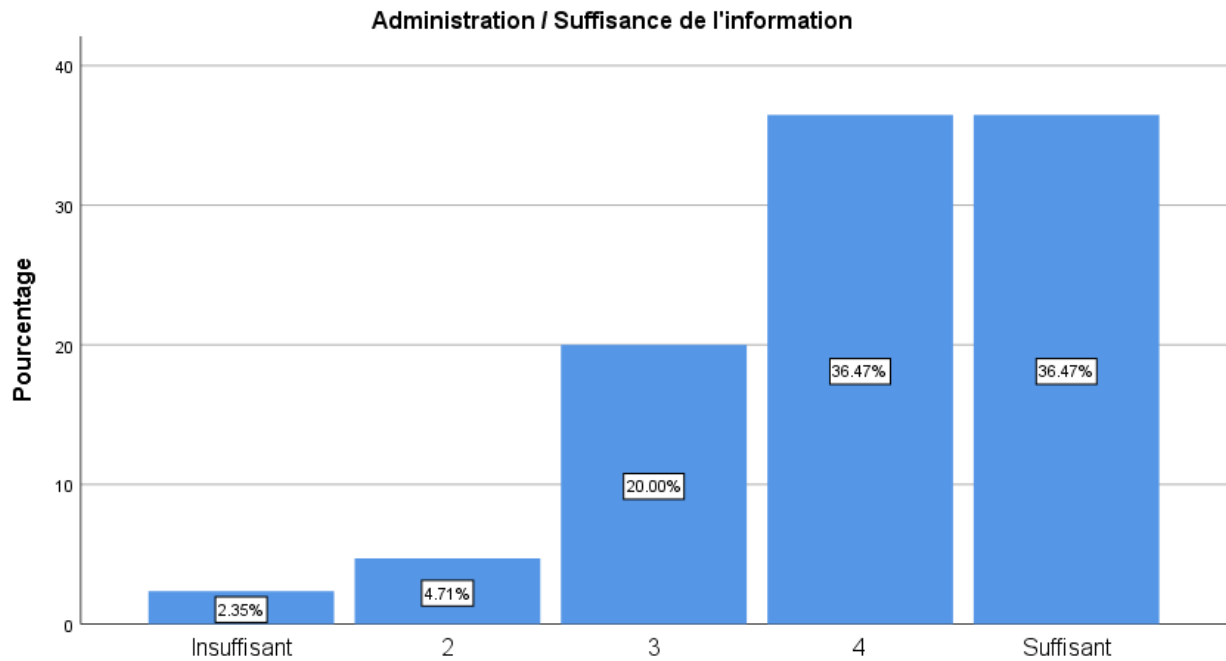

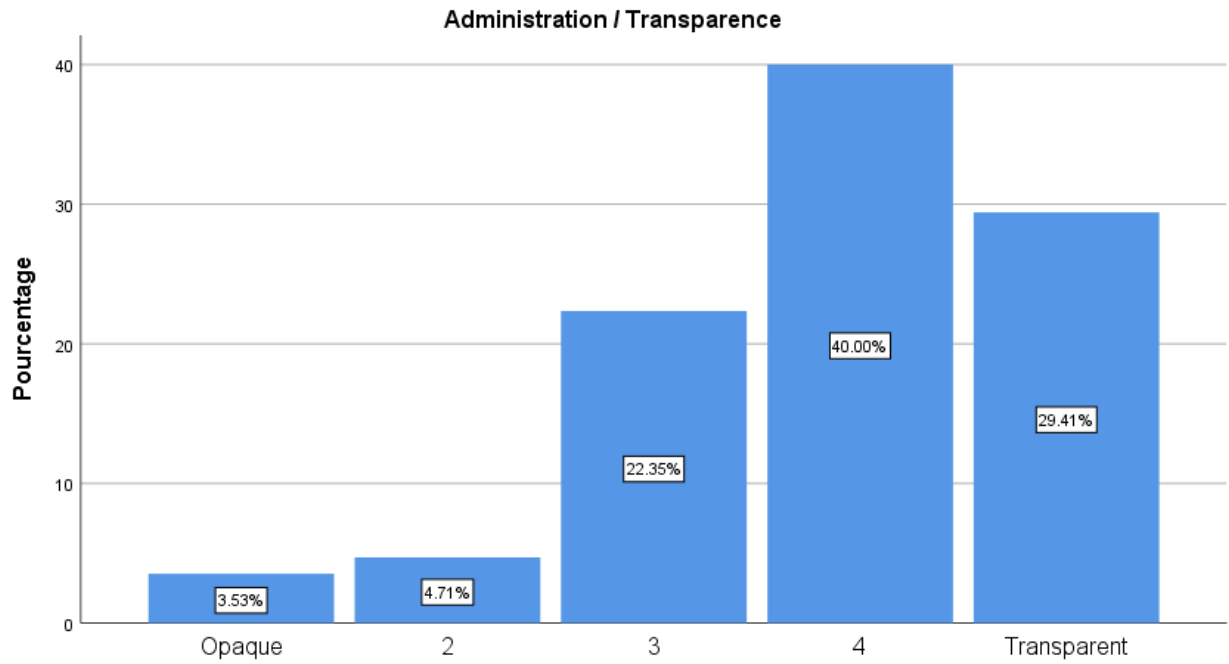

6) Information au sujet du conseil communal et conseil général

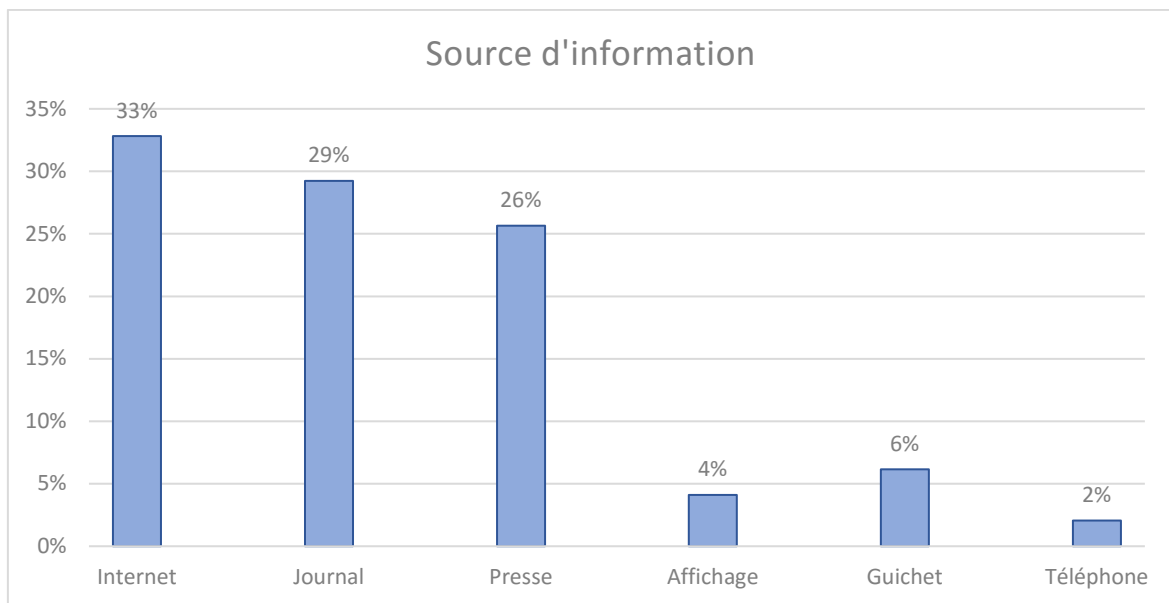

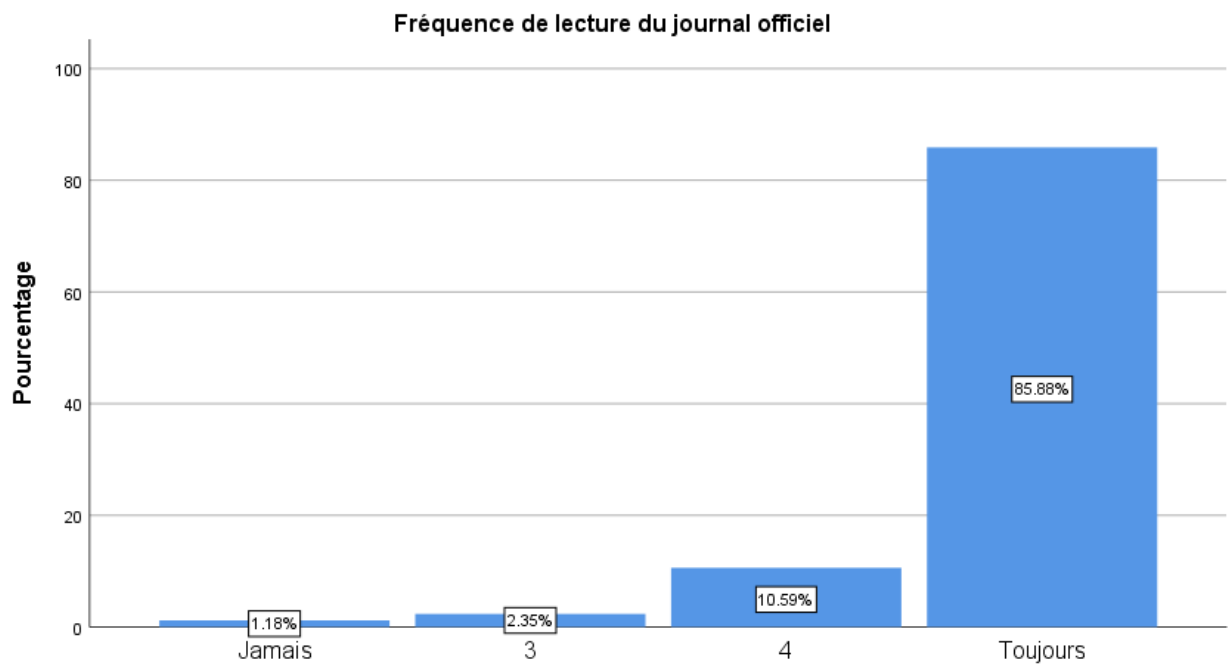

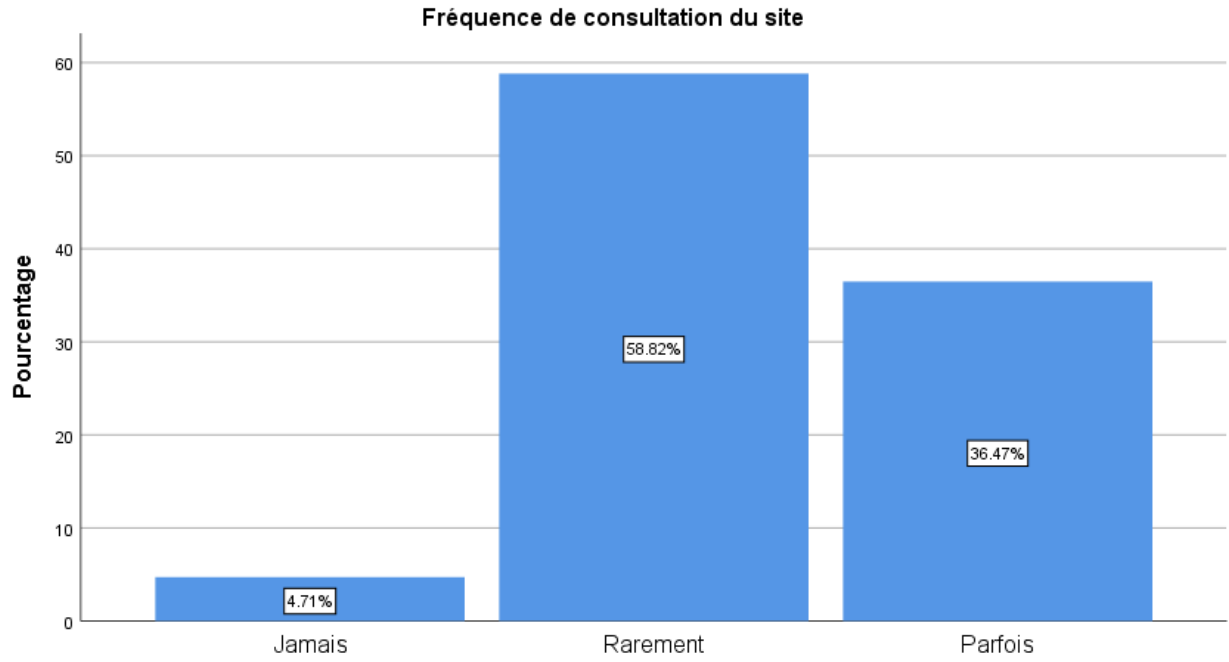

7) Information au sujet des services de l'administration

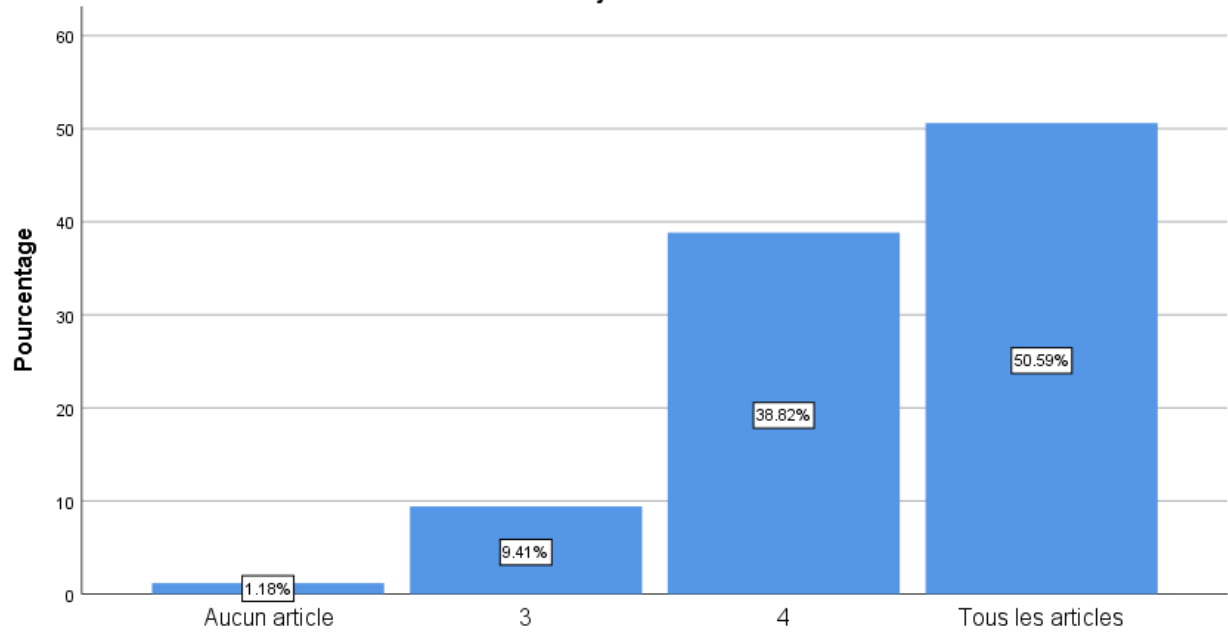

8) Source d'information

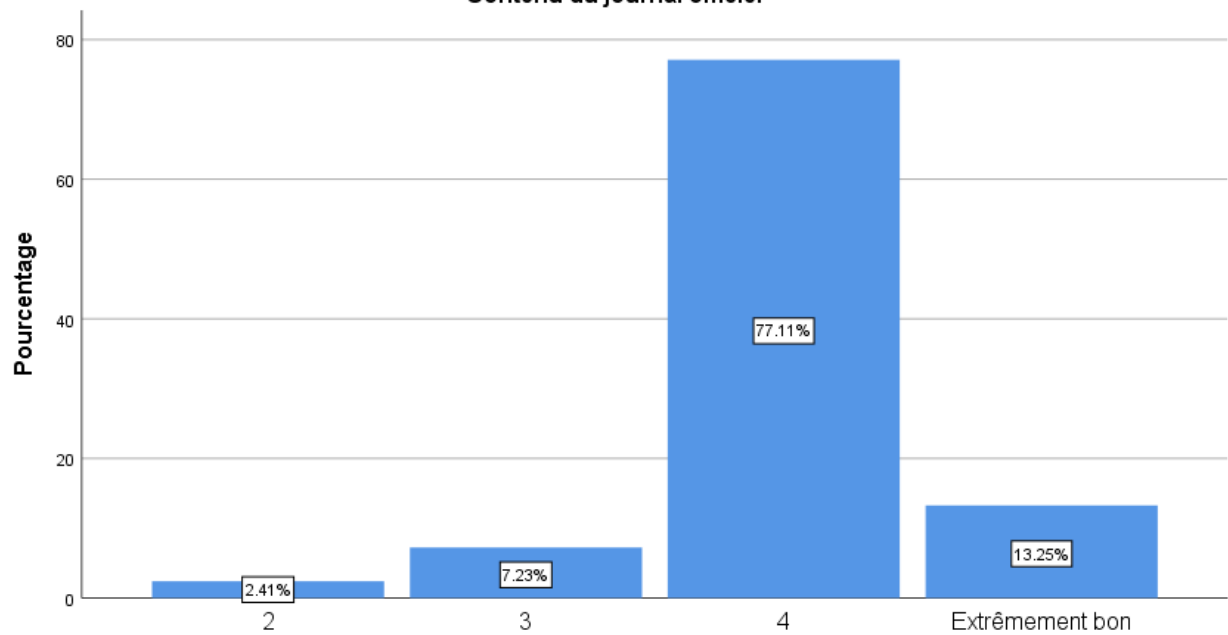

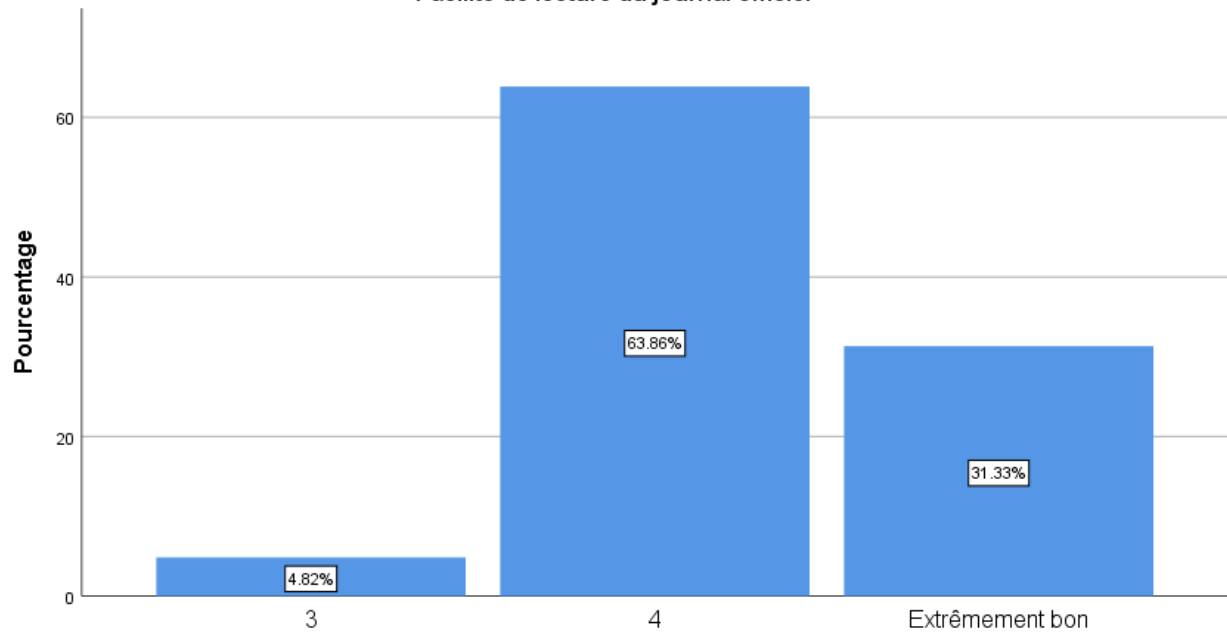

Lecture du journal officiel

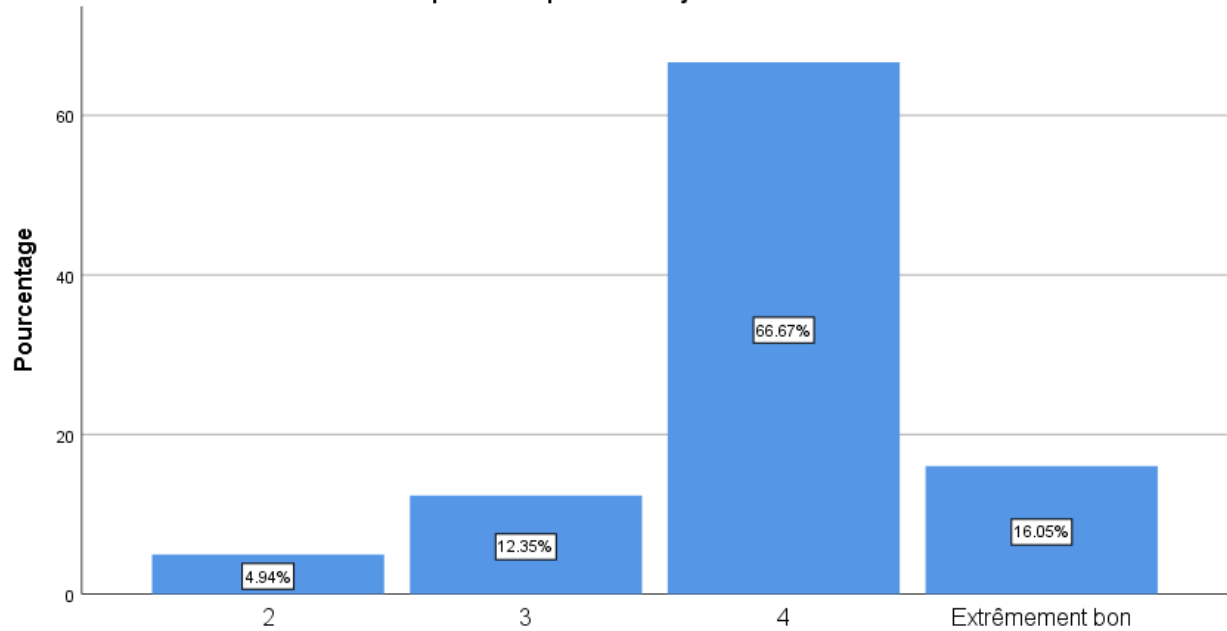

Contenu du journal officiel

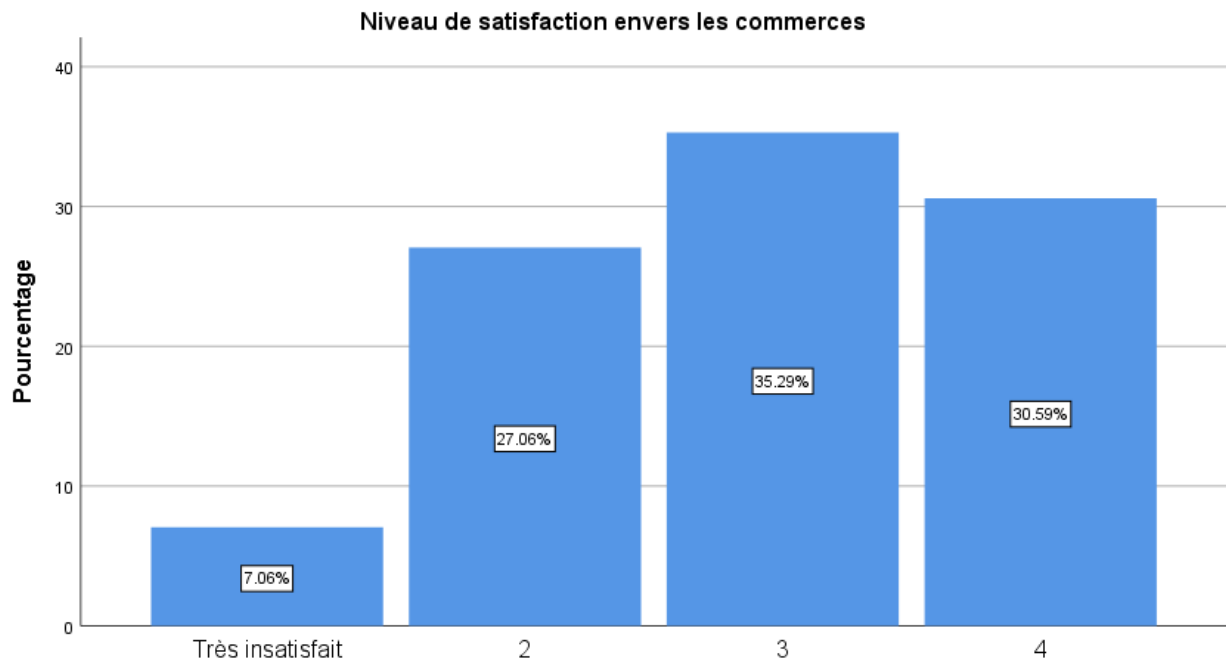

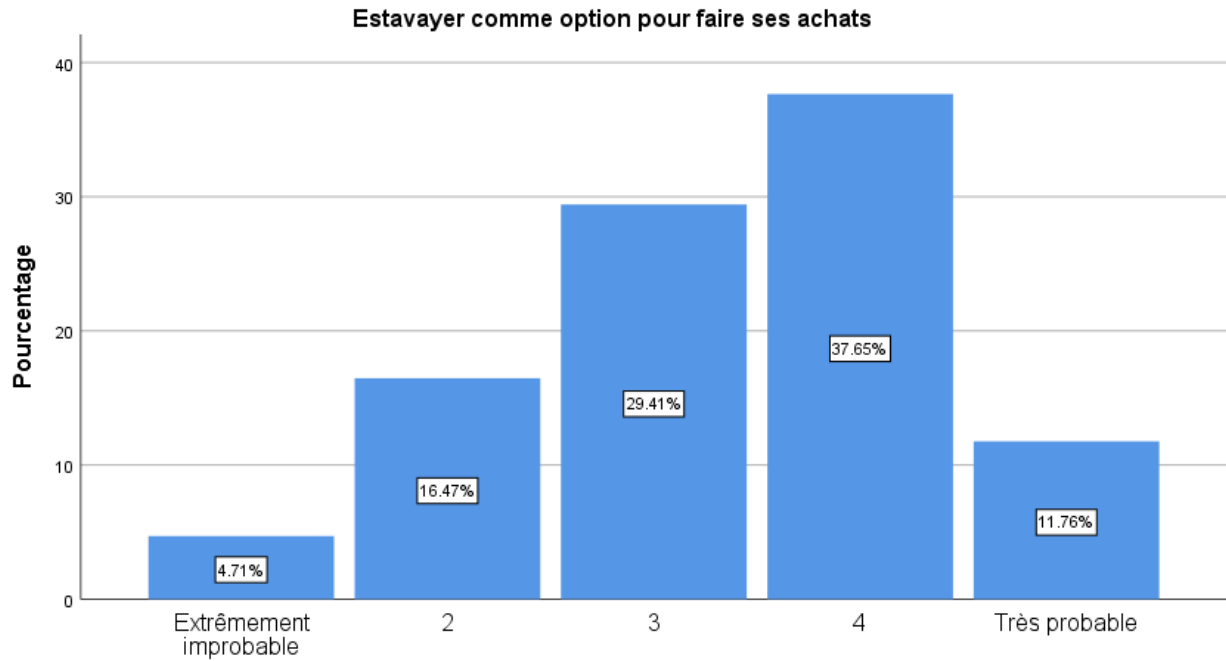

Facilité de lecture du journal officiel

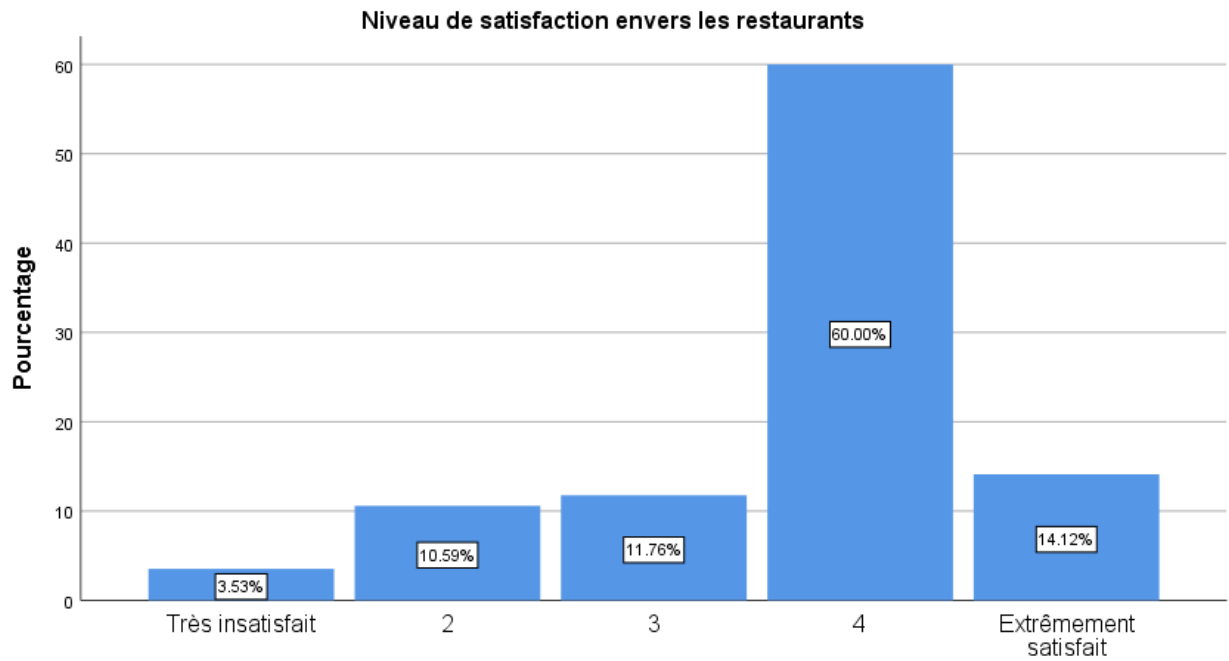

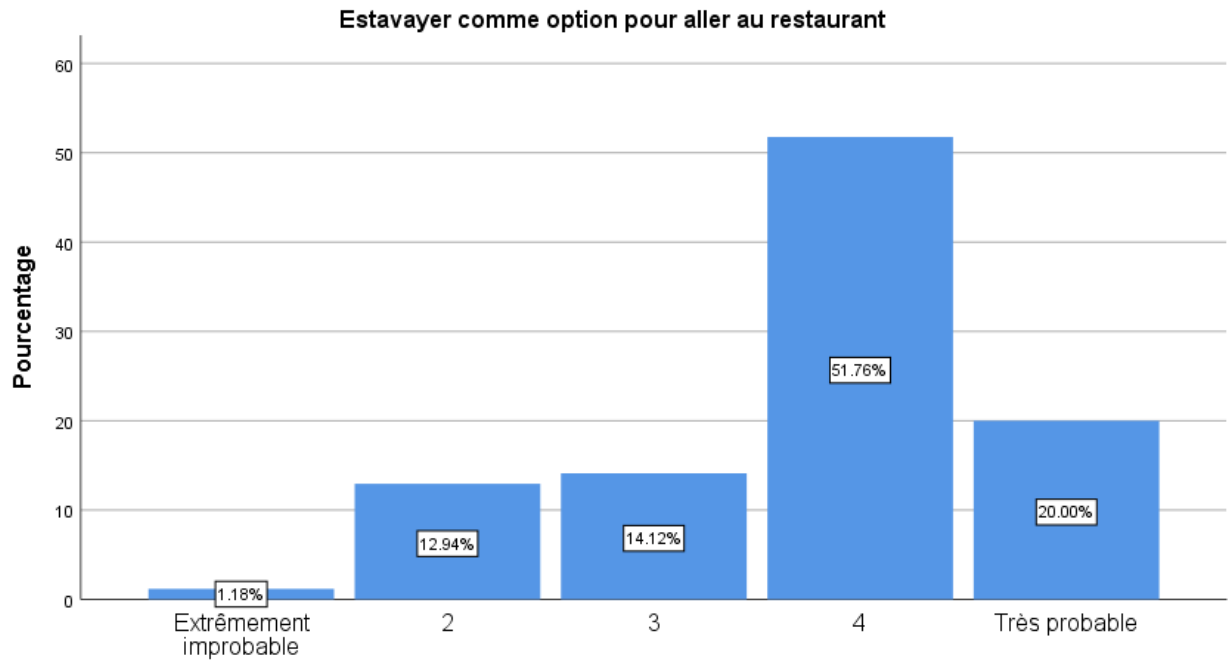

Fréquence de parution du journal officiel

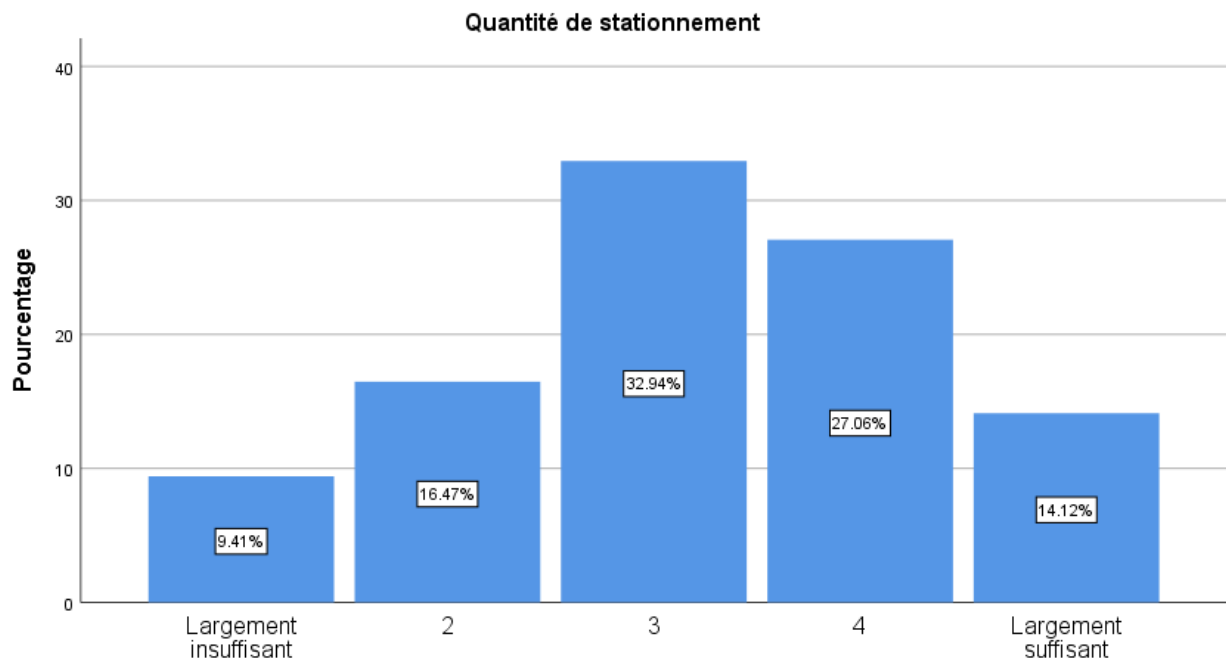

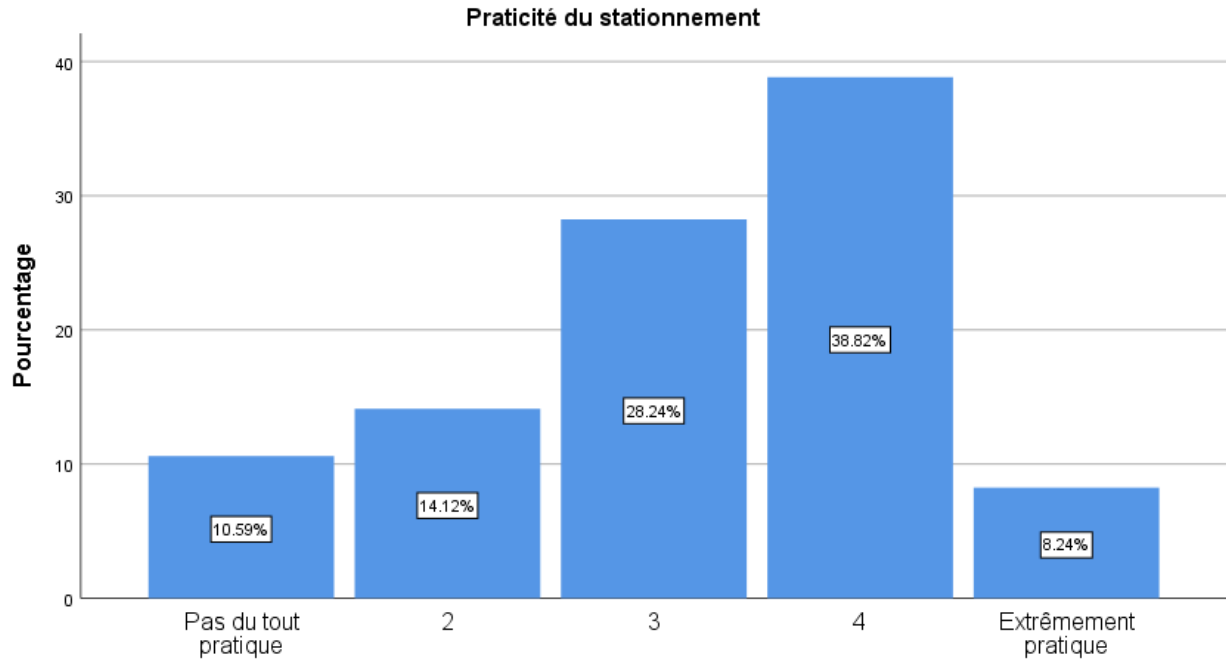

9) Restaurants et commerces

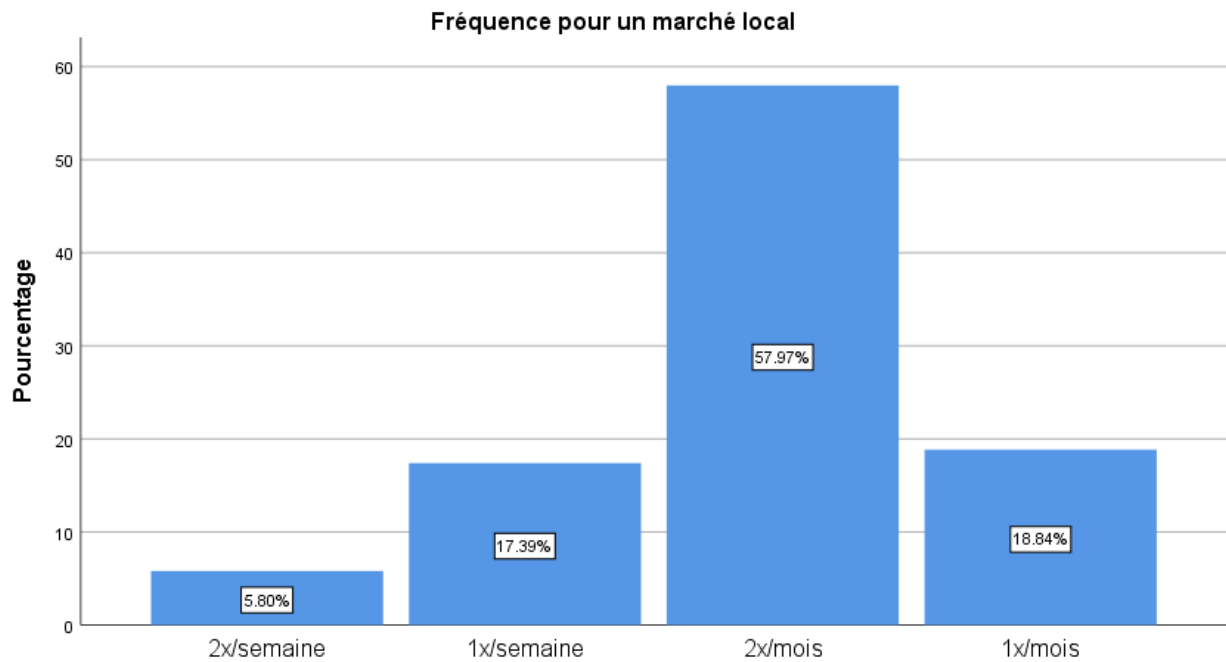

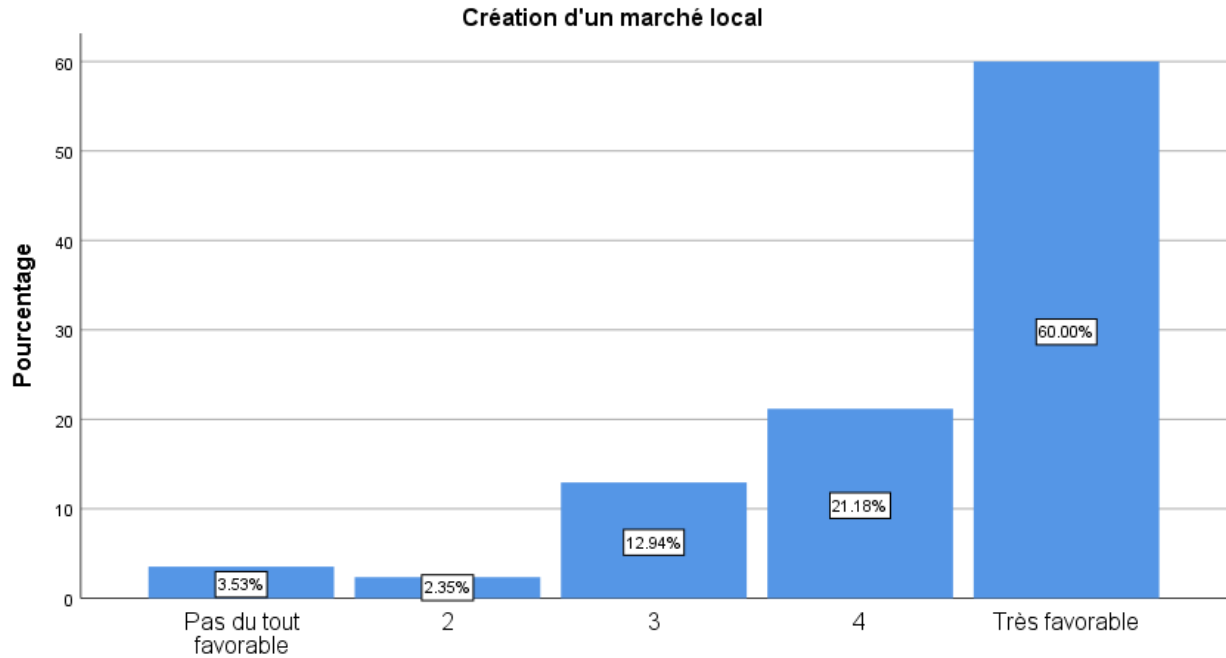

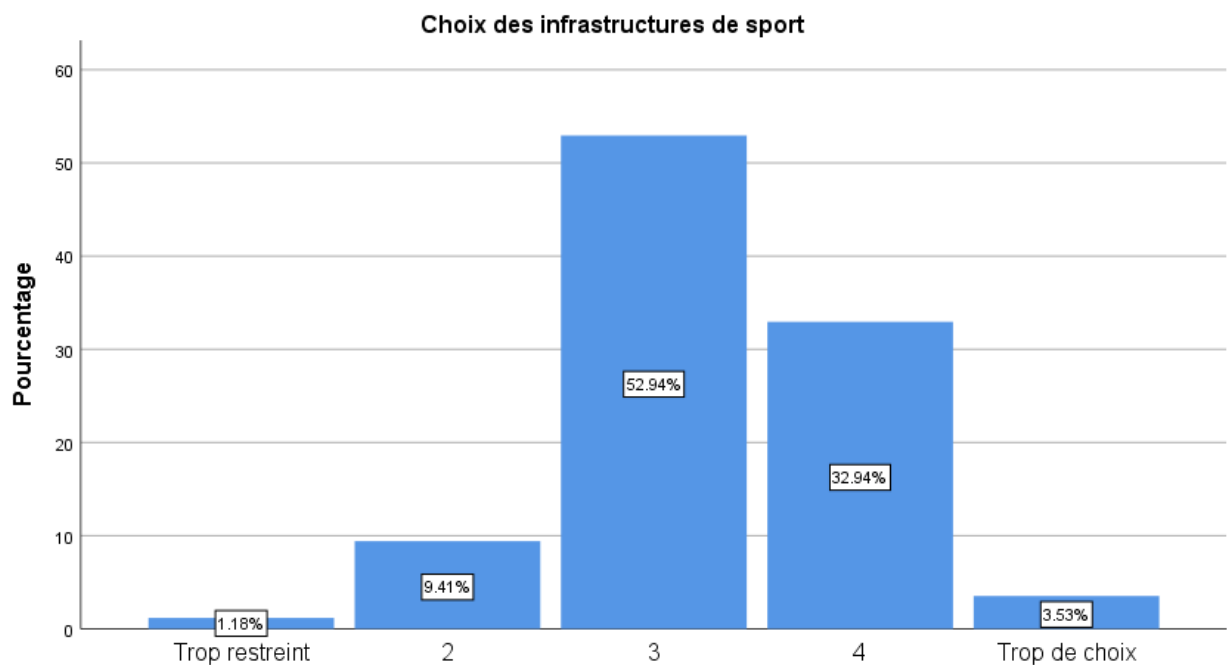

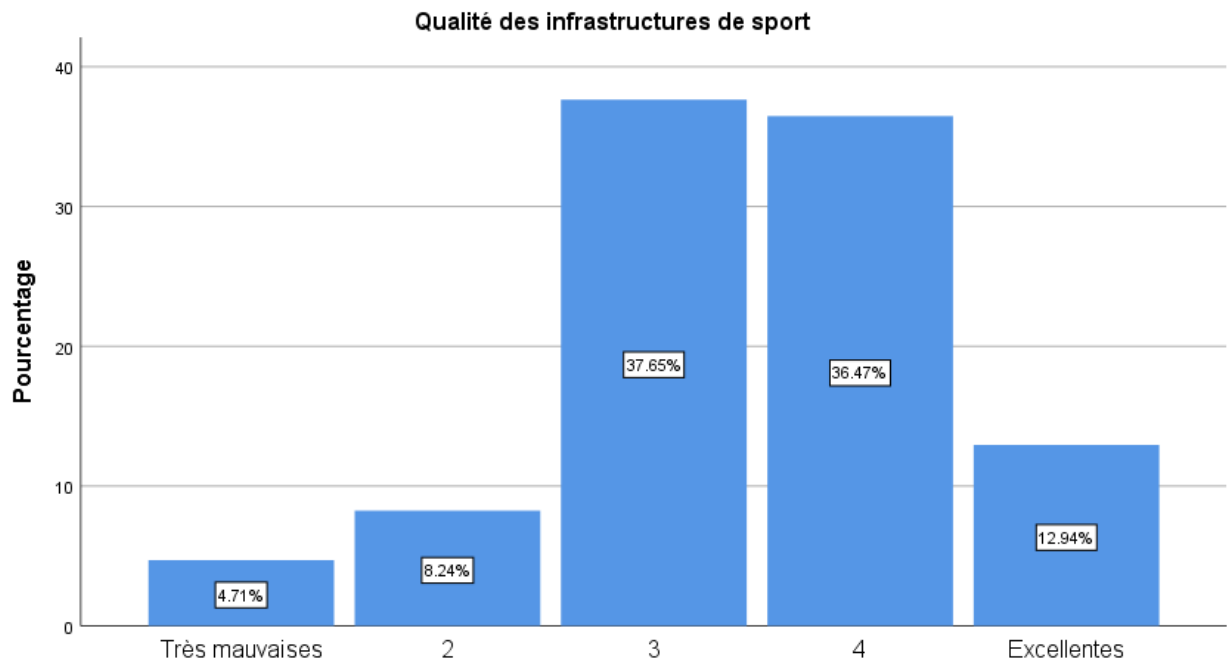

10) Stationnement

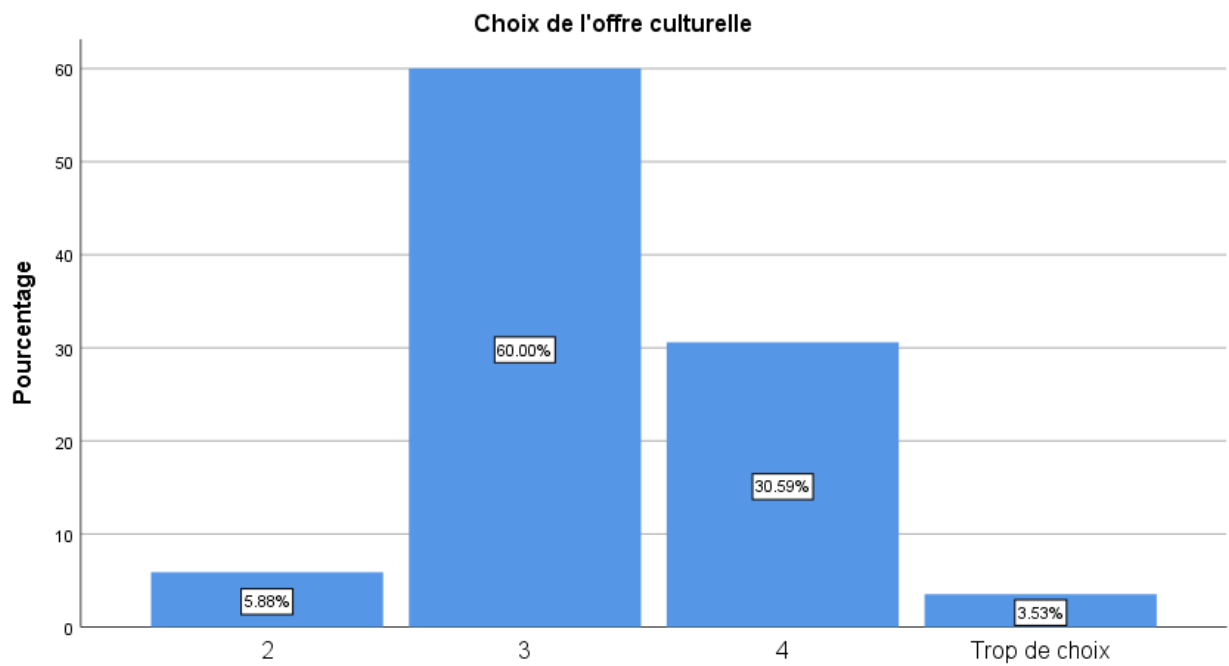

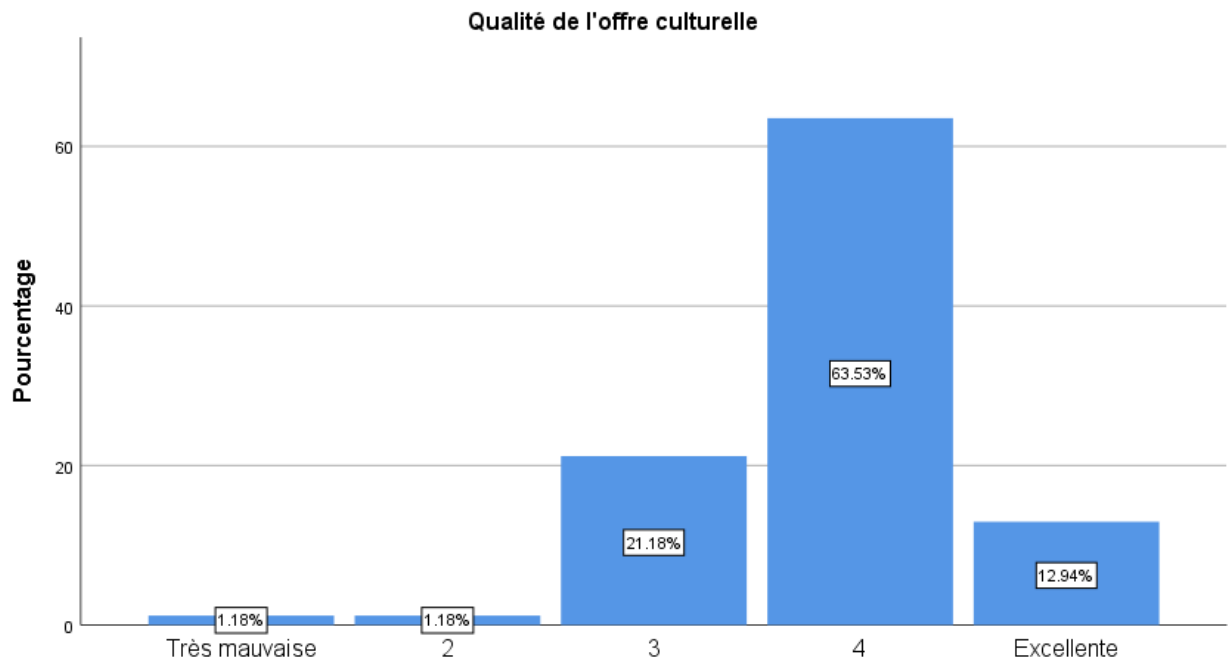

11) Marché local

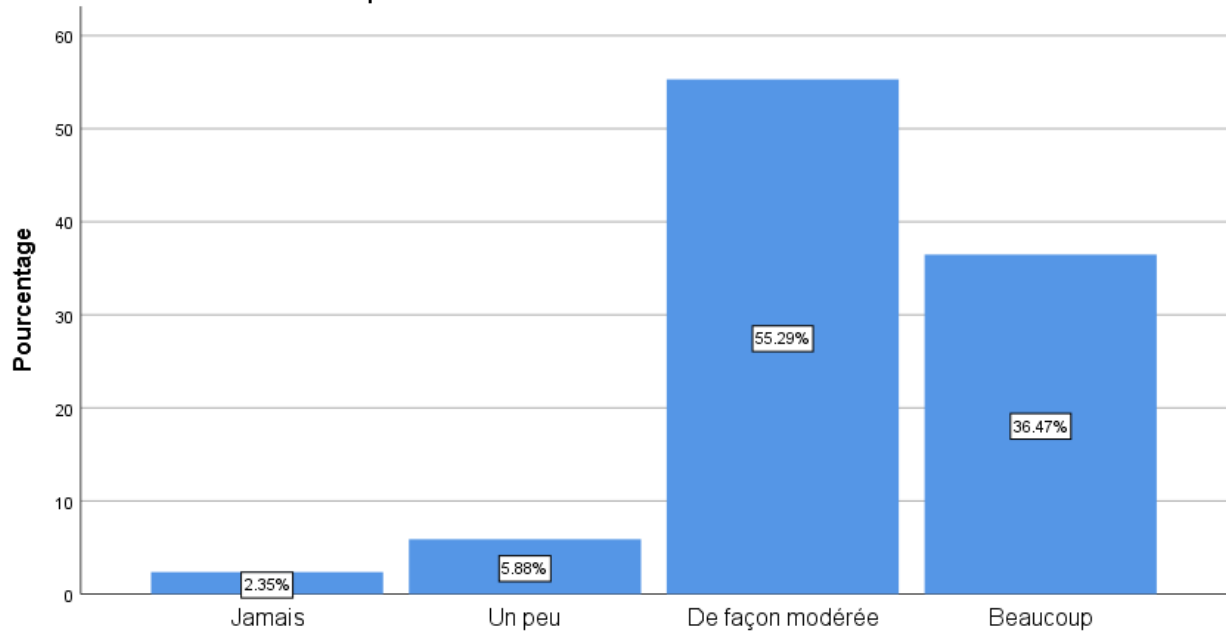

12) Culture et sports

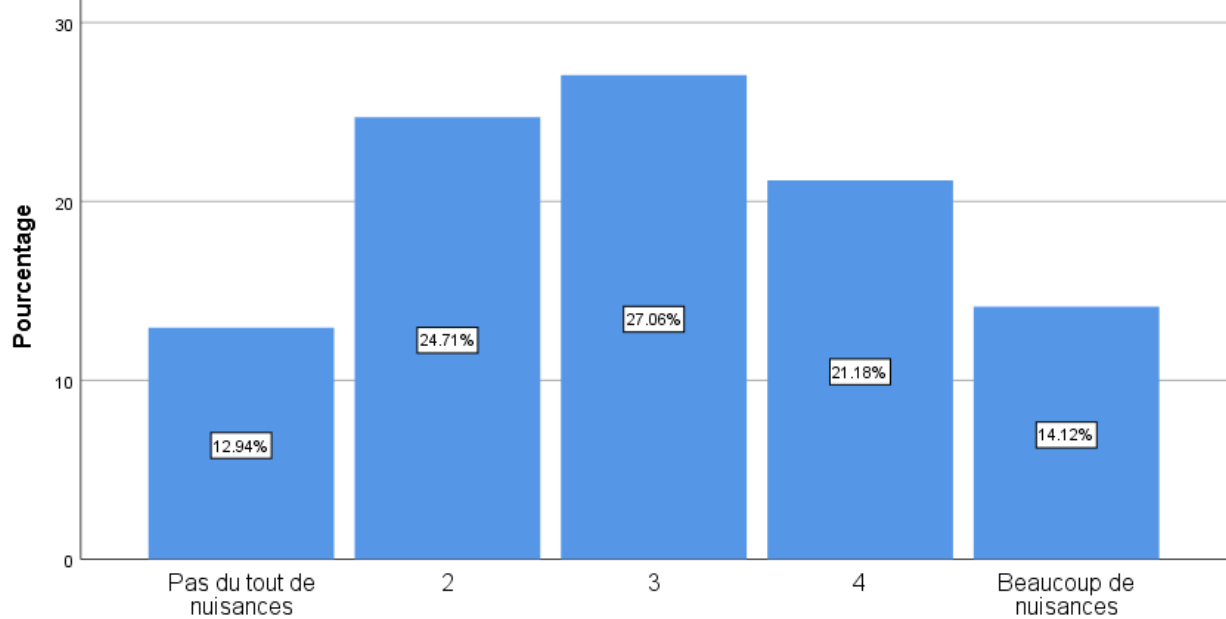

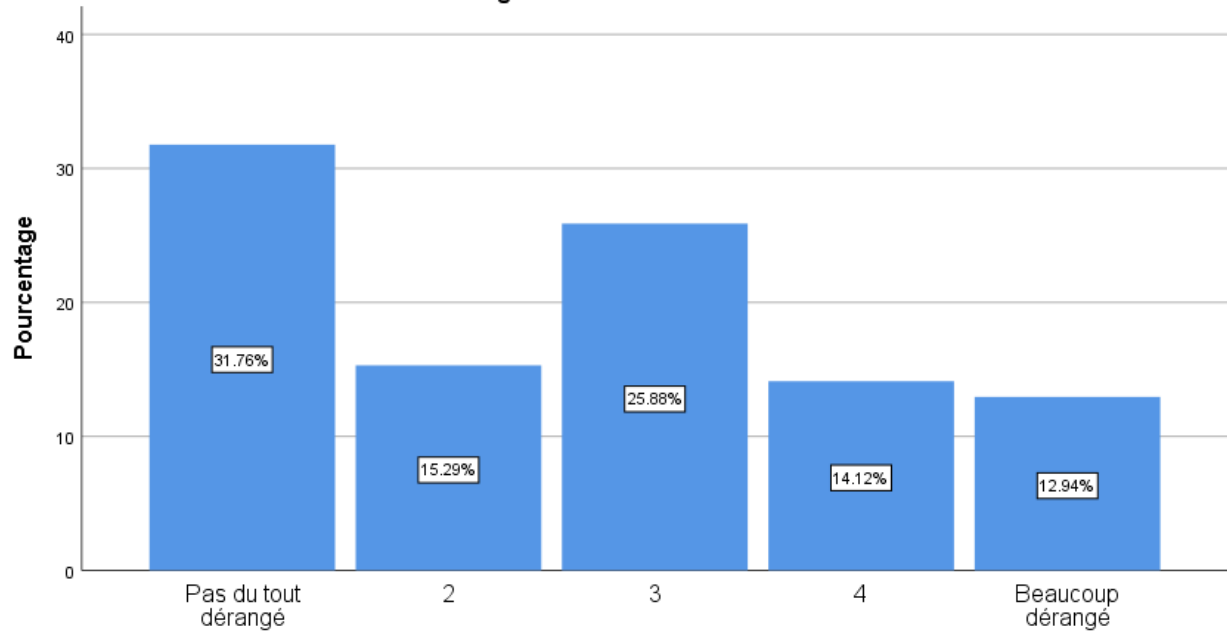

Participation aux événements culturels et manifestations

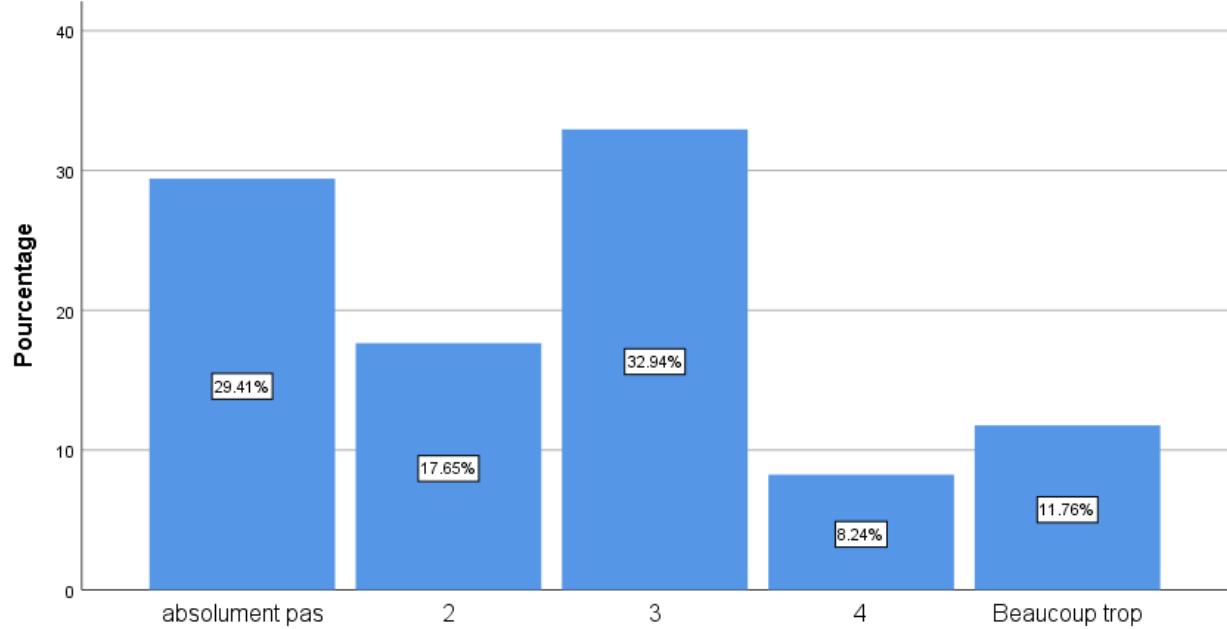

Nuisances des manifestations

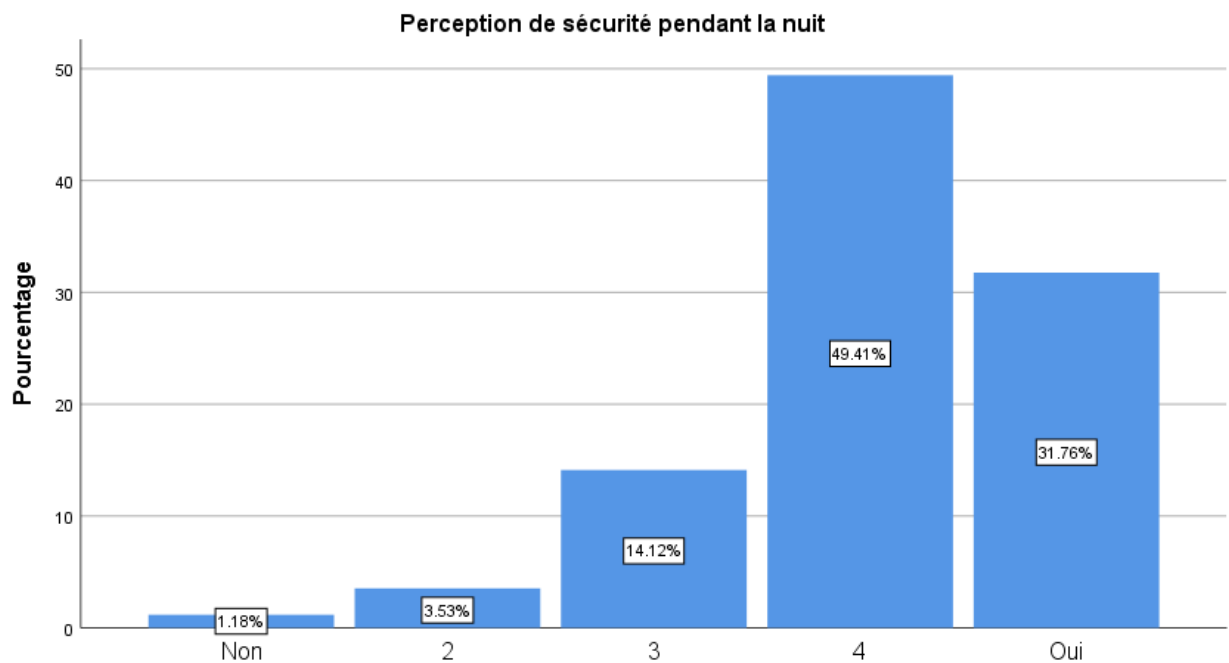

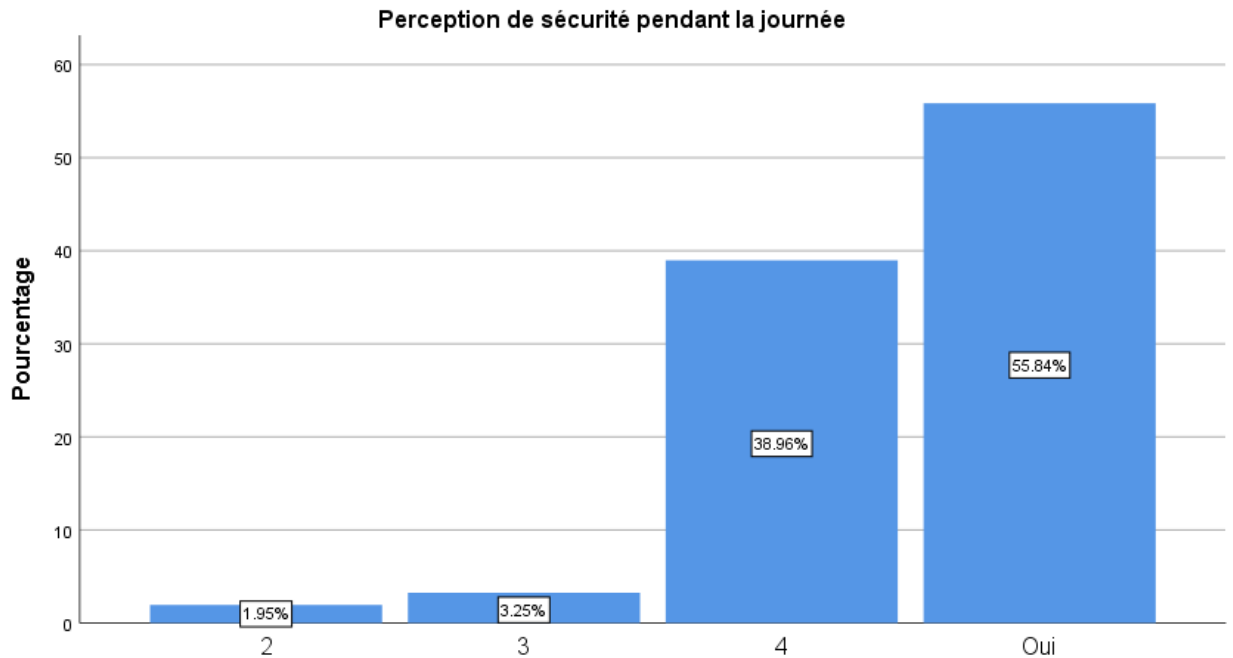

Dérangement des manifestations

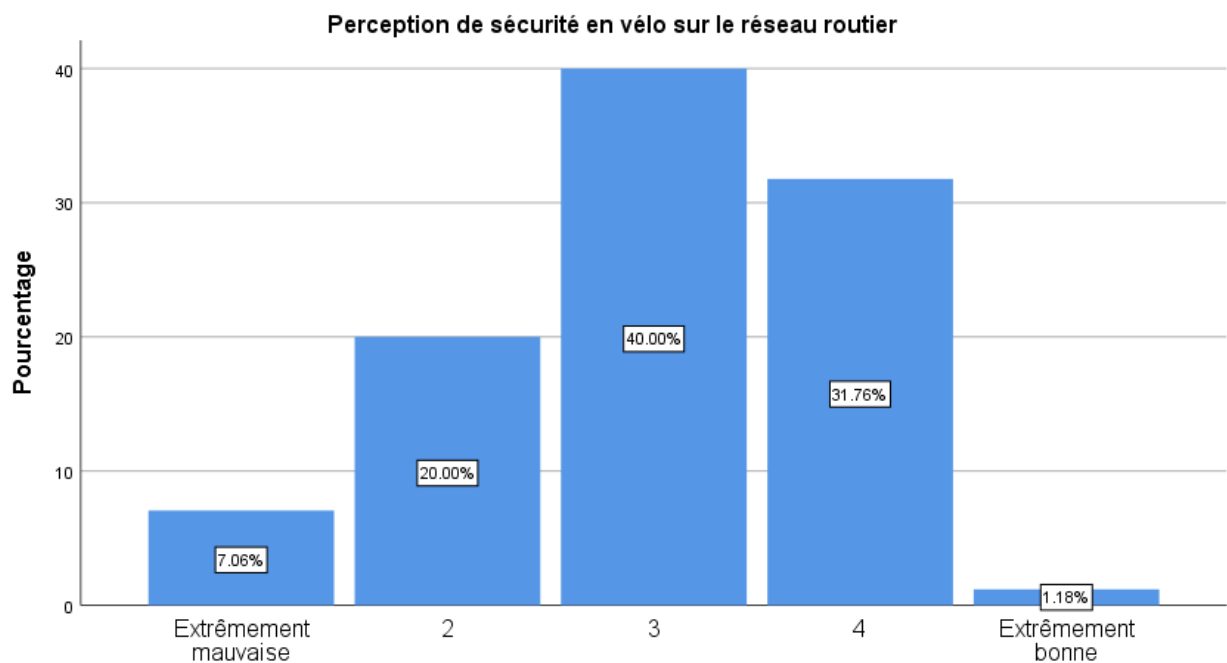

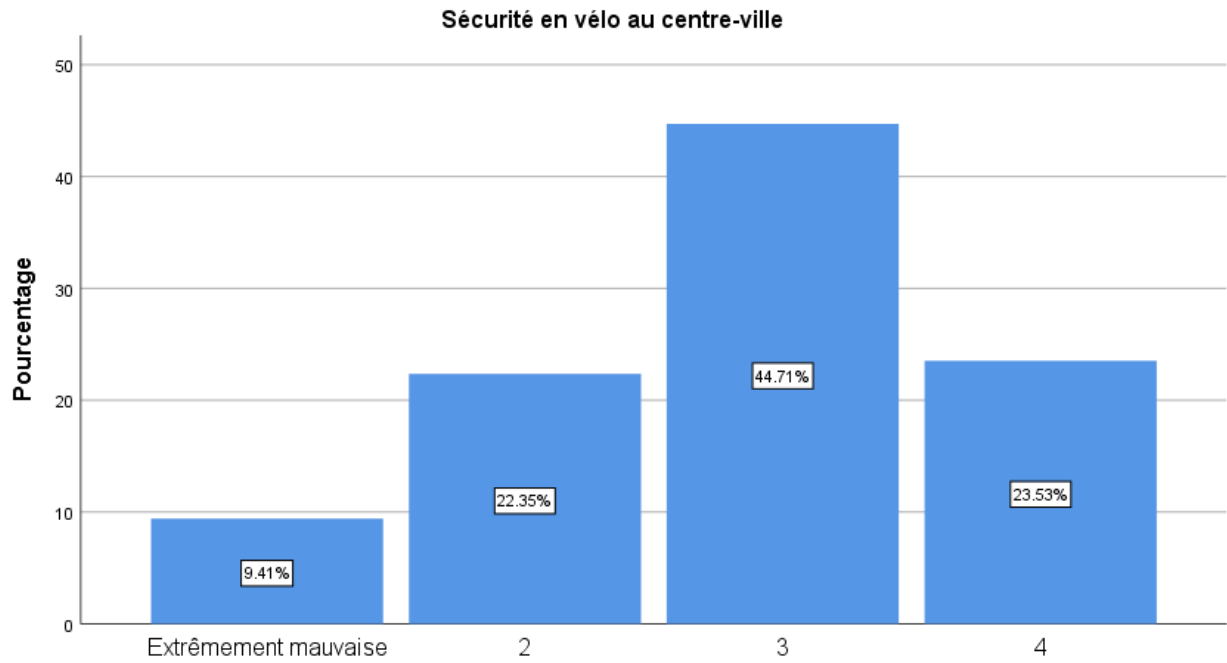

Excès de manifestations

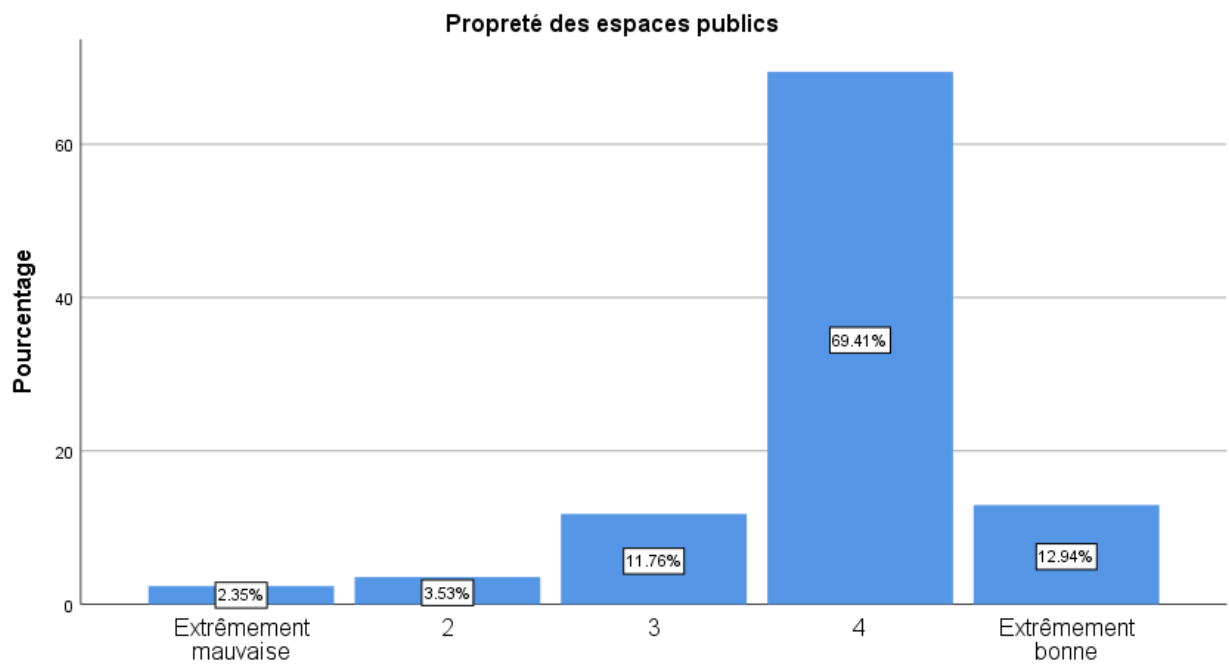

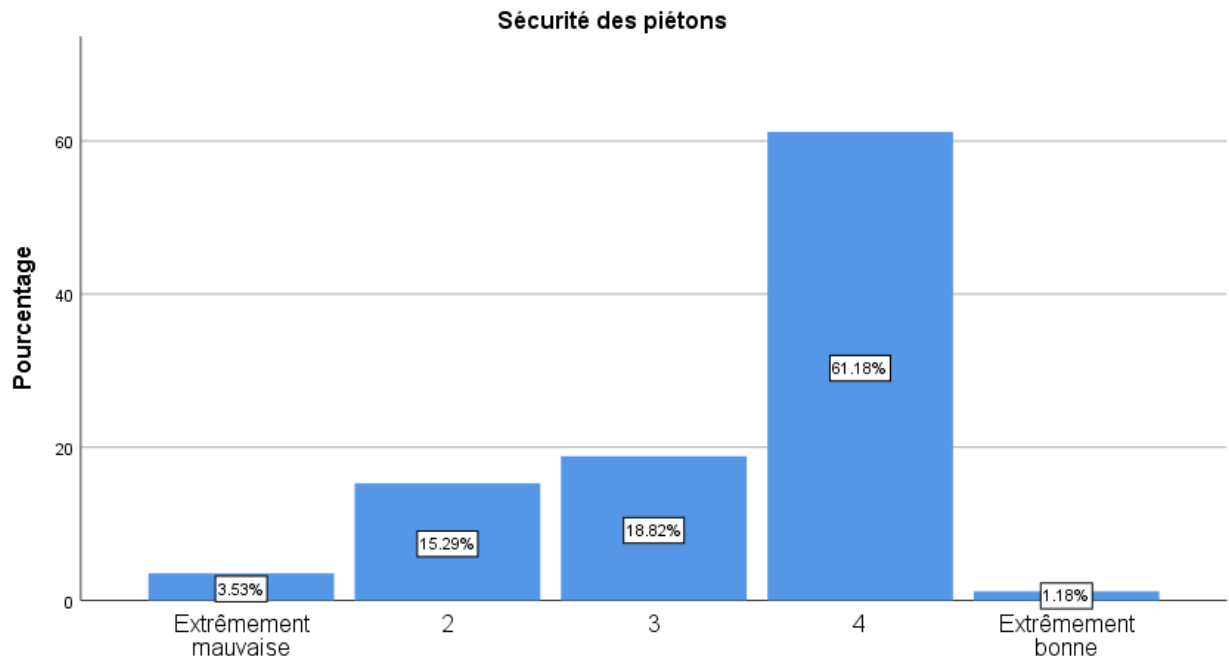

13) Sécurité

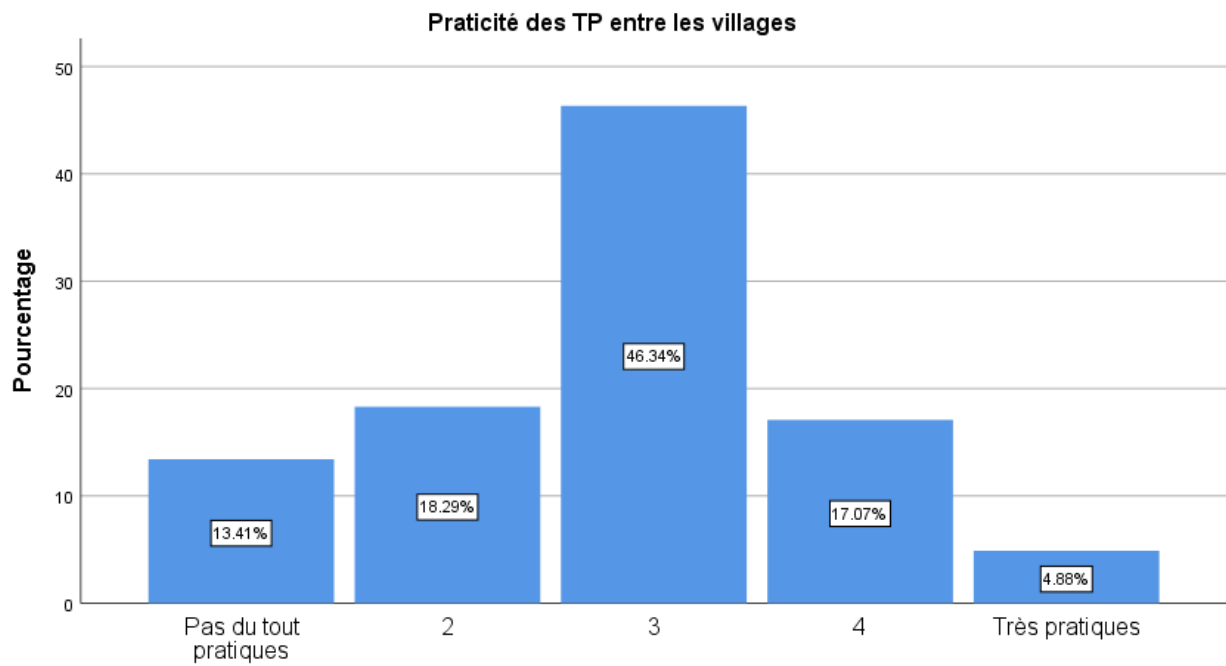

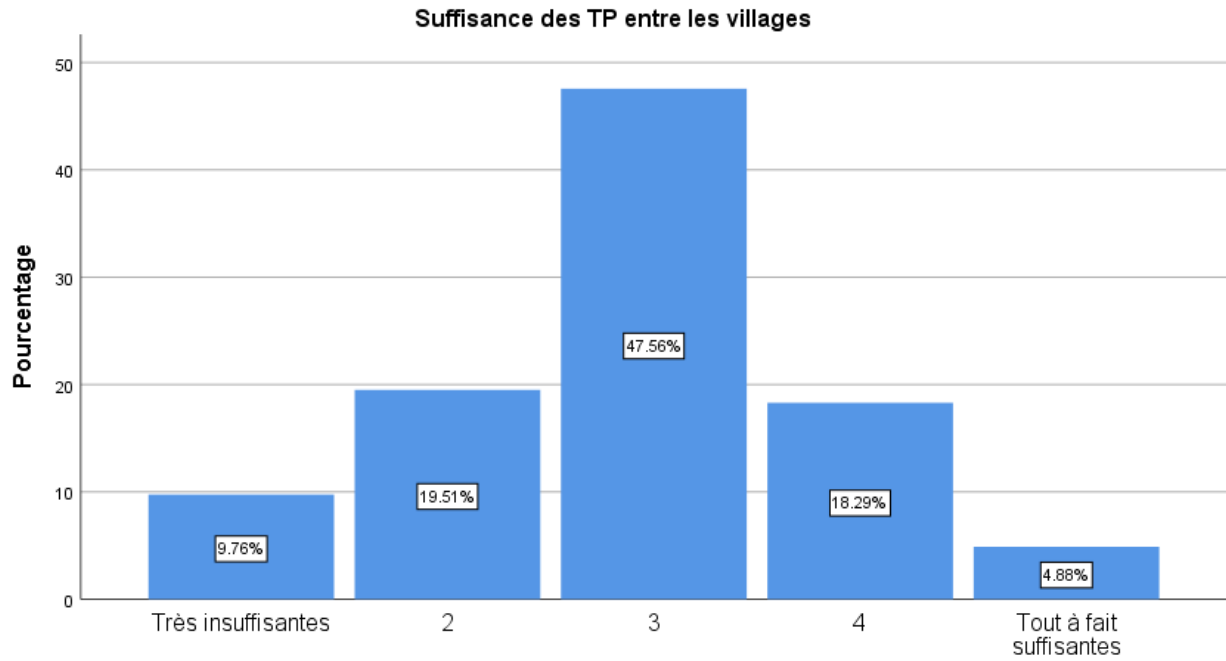

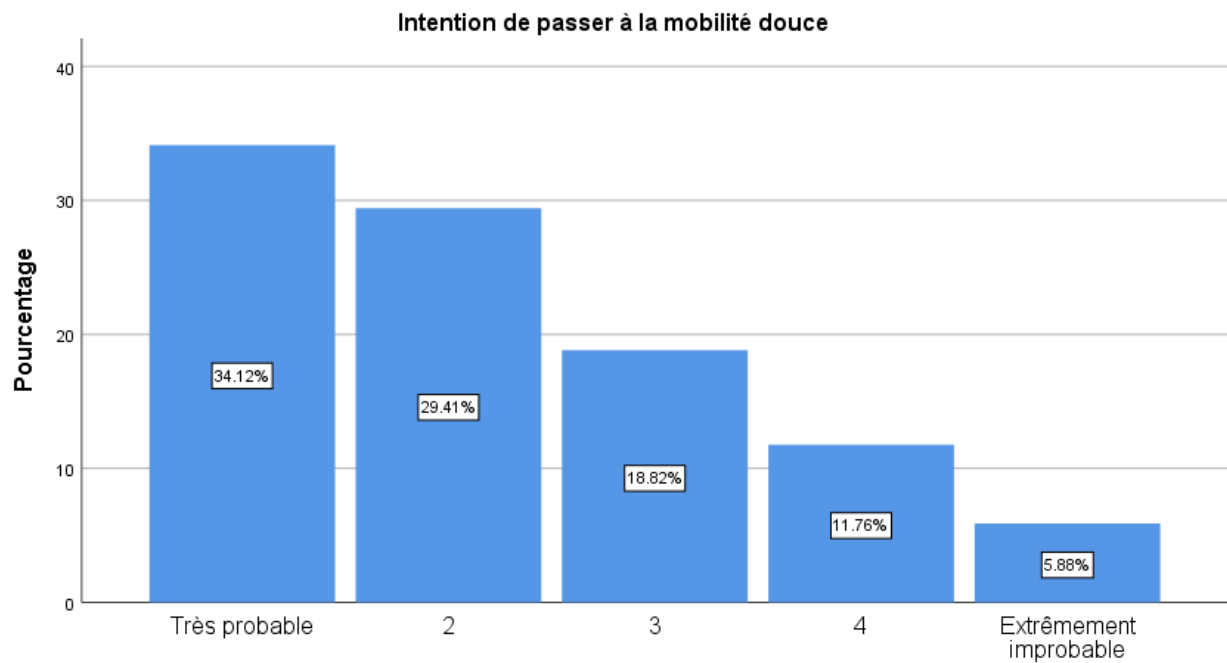

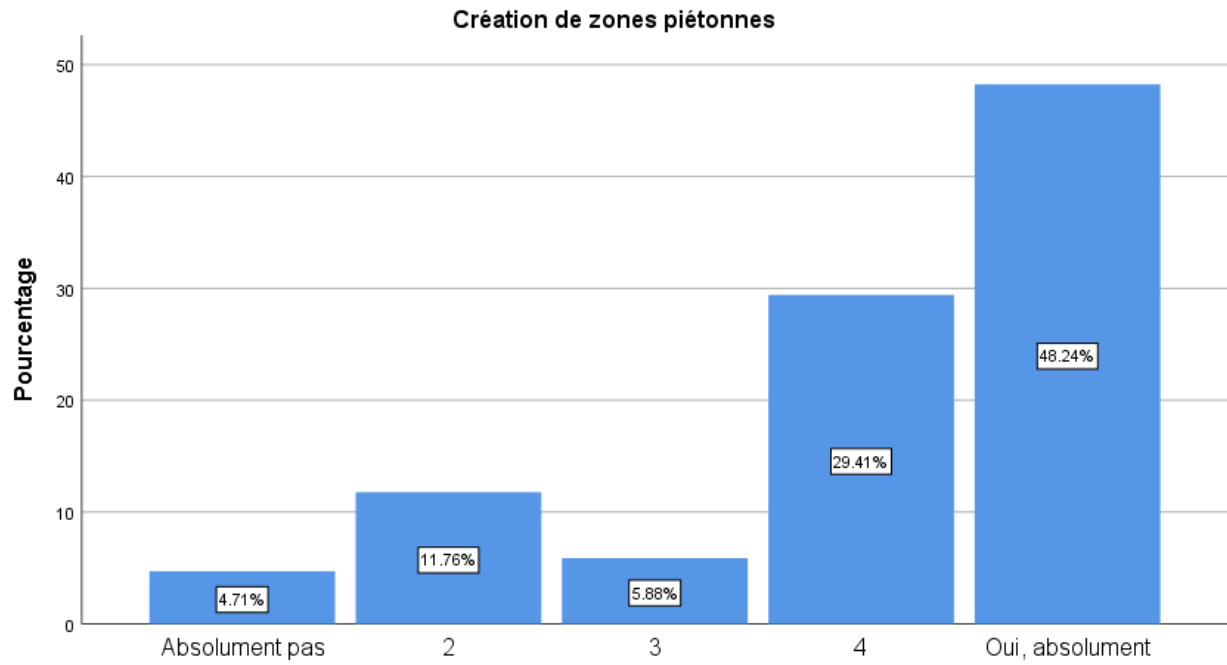

Les rares personnes qui ne se sentent pas en sécurité invoquent en majorité le vandalisme.

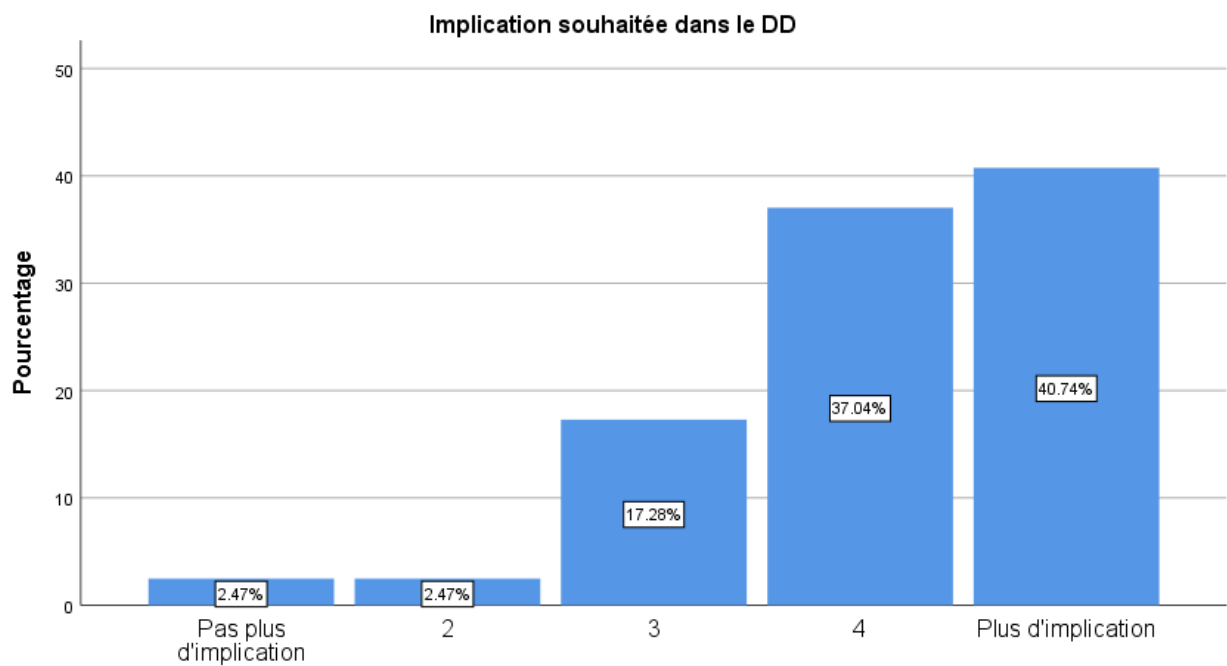

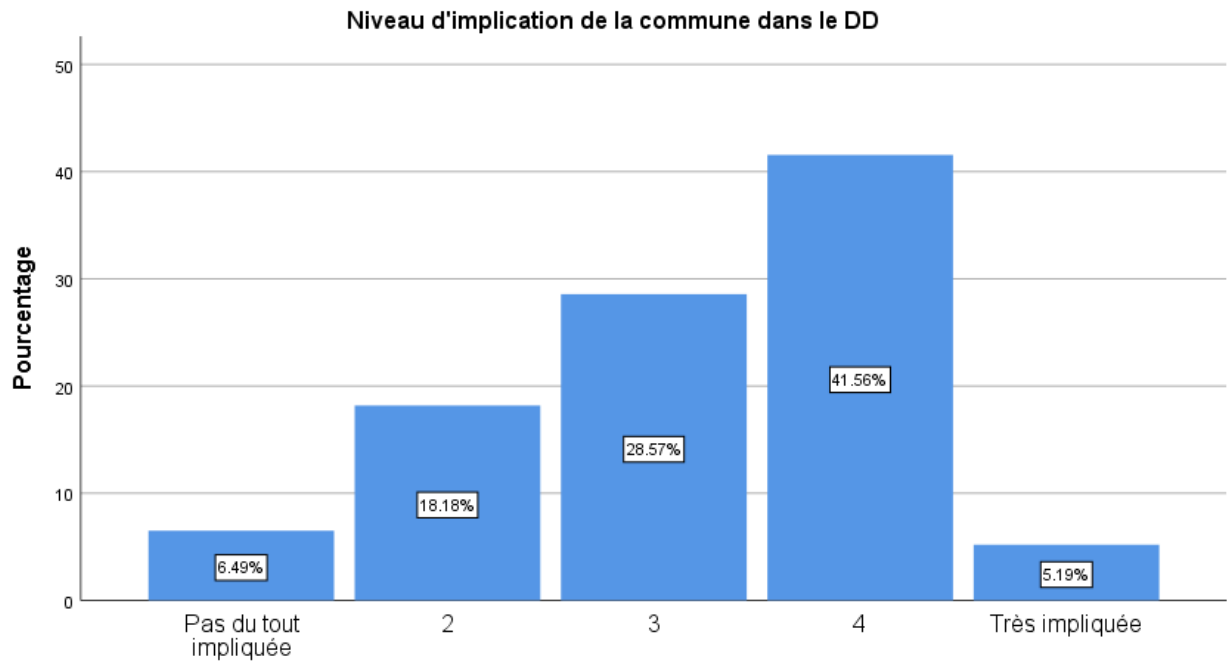

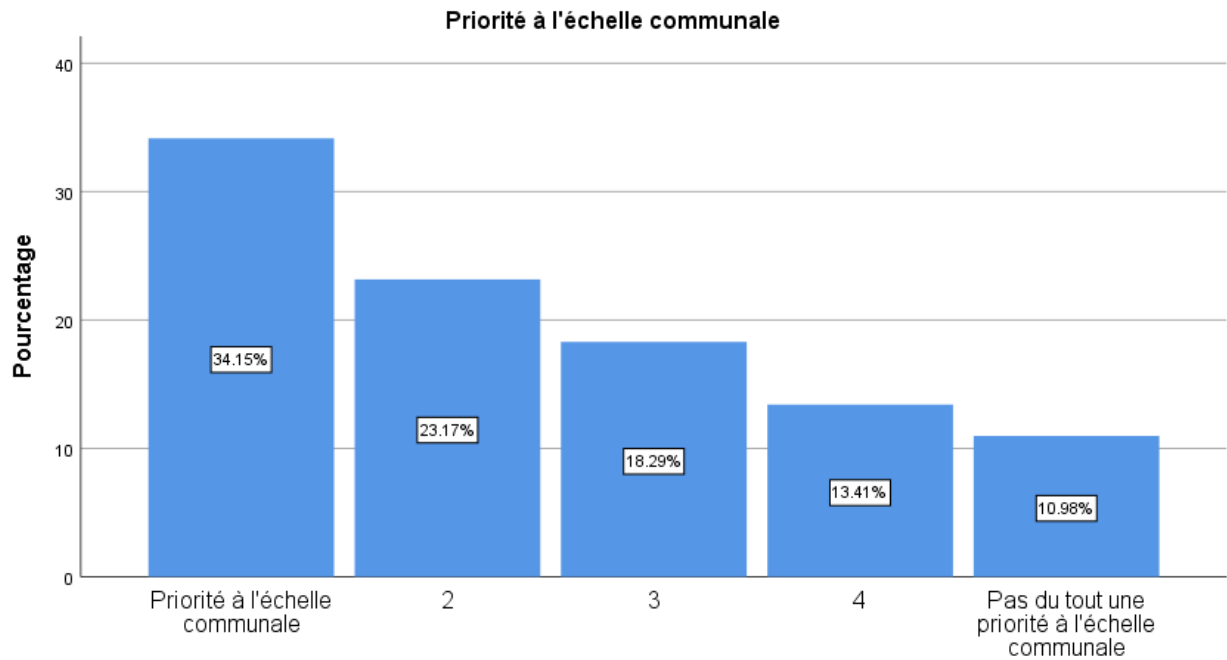

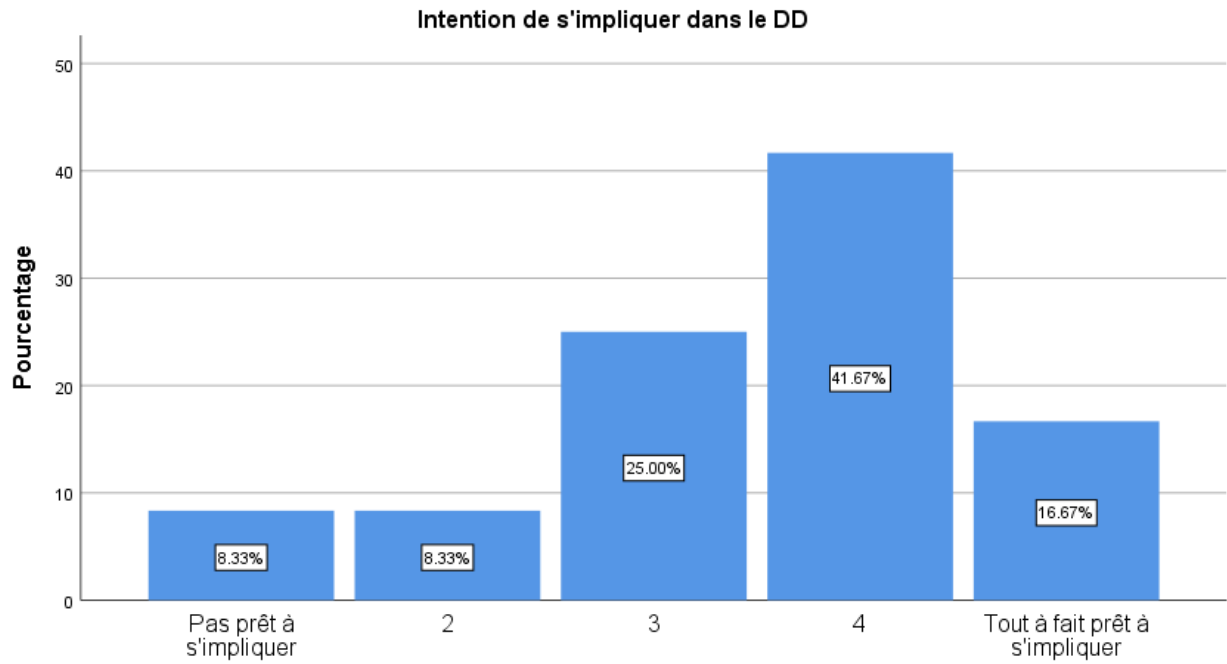

14) Mobilité

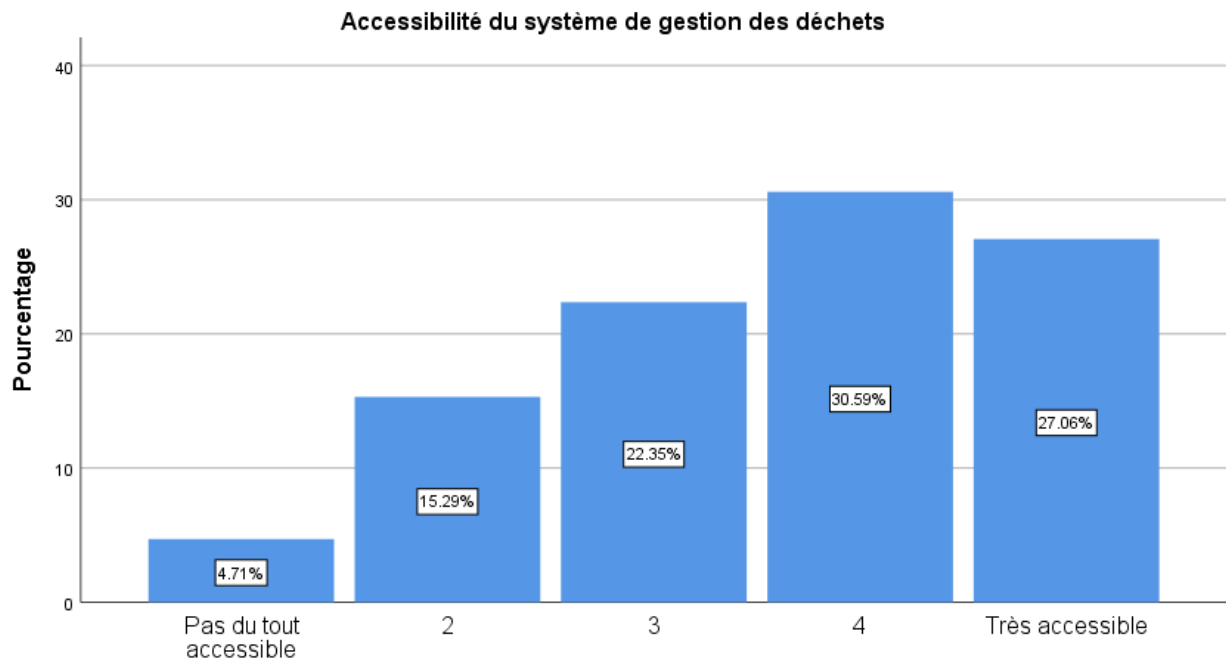

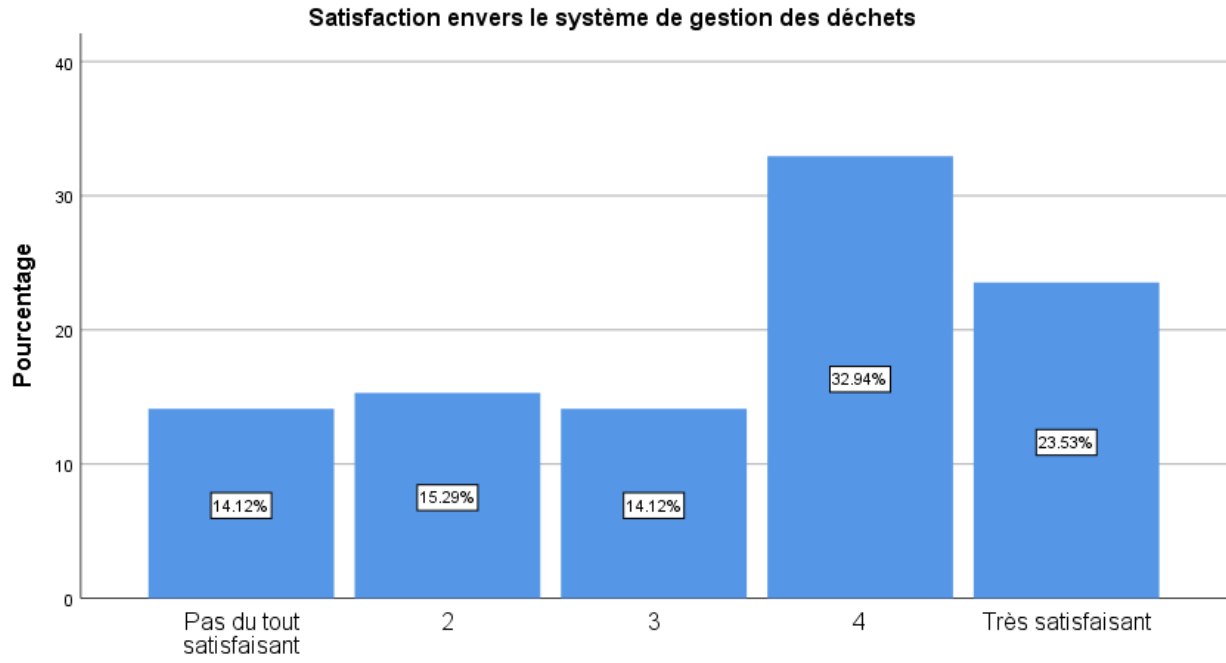

15) Développement durable

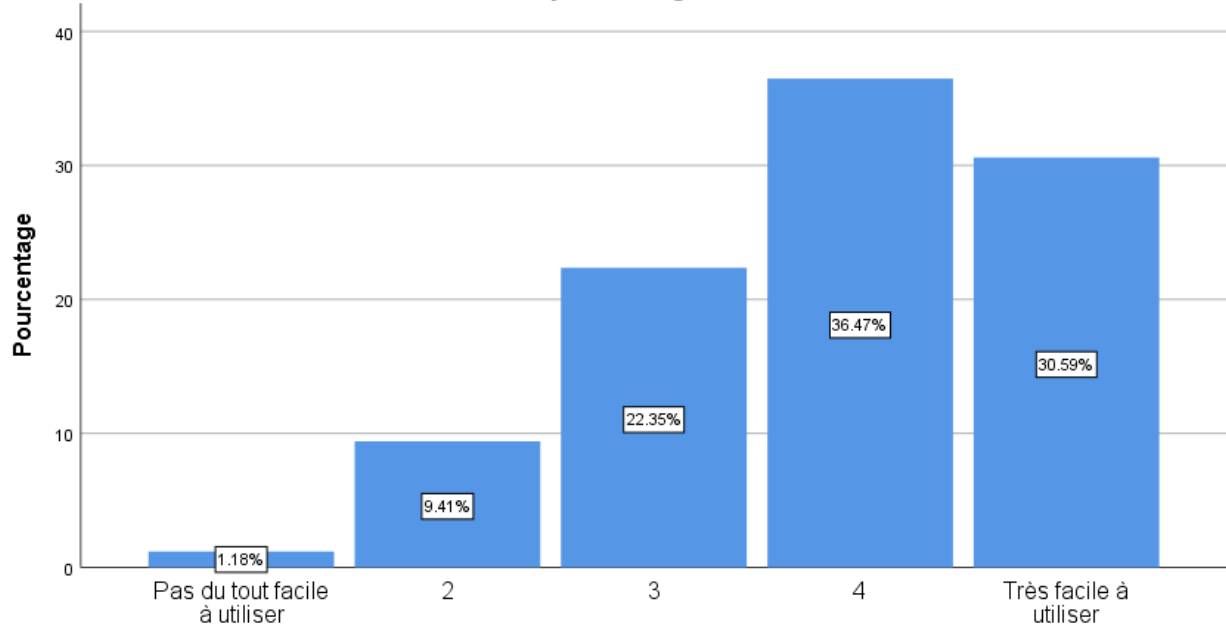

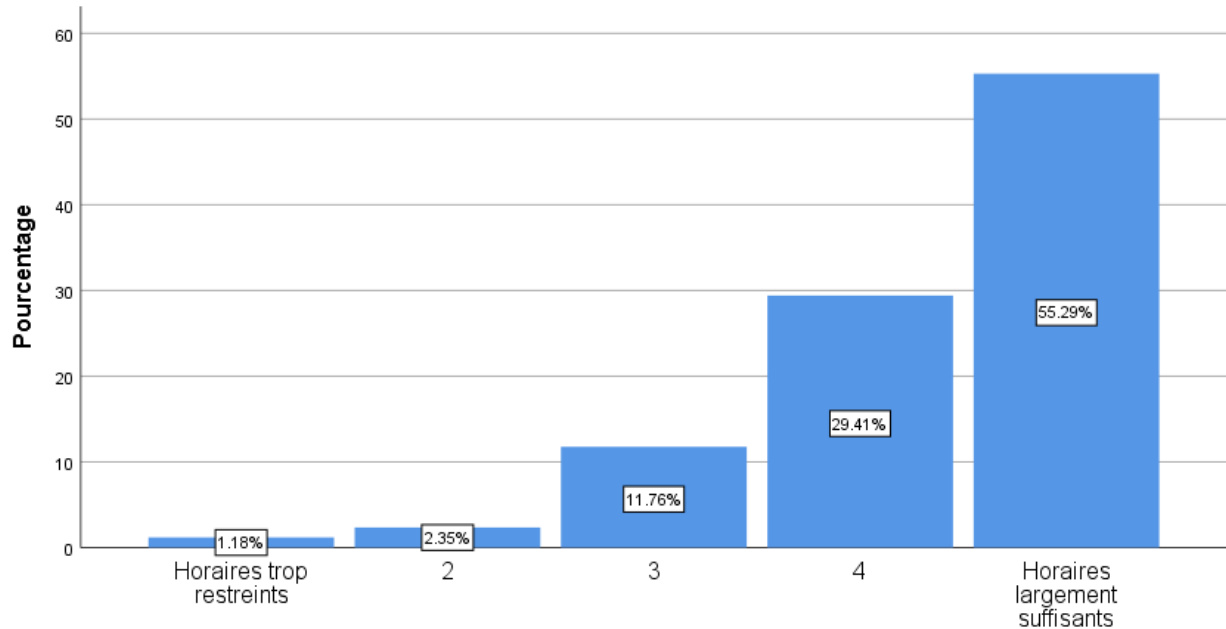

16) Système de gestion des déchets

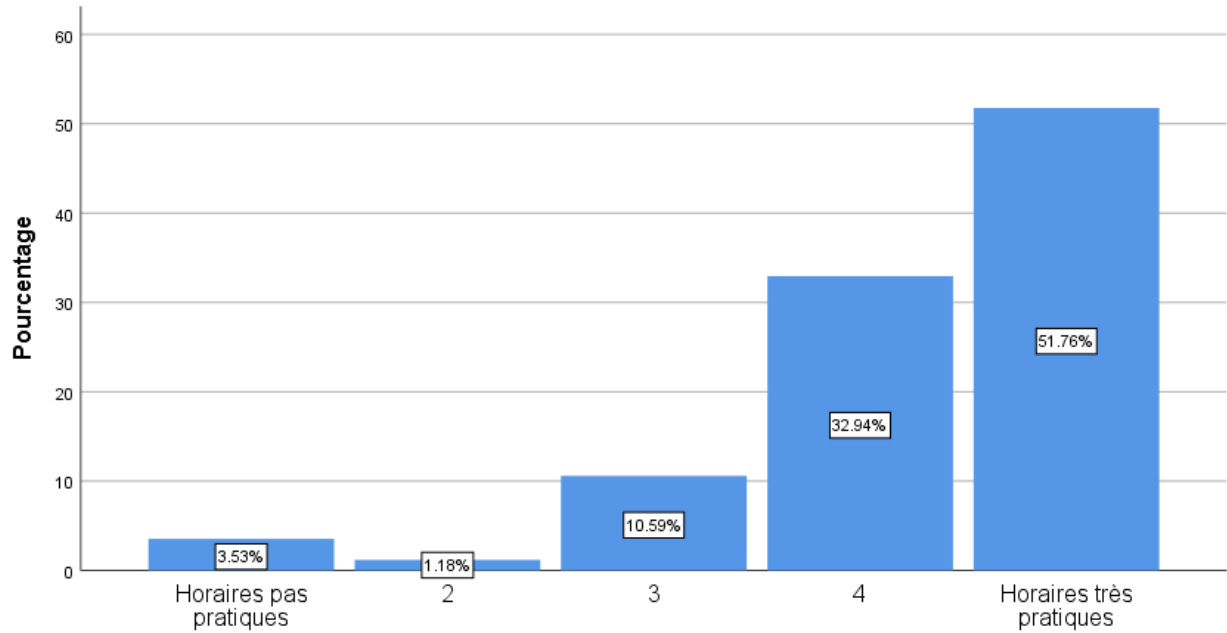

Facilité à utiliser le système de gestion des déchets

Etendue des horaires de la déchetterie

Praticité des horaires de la déchetterie

Accueil à la déchetterie
